Don Dillon

Chief Executive Officer at SOUND
Los Angeles, California, United States

Summary

Don Dillon is founder and Chief Executive Officer of SOUND Foods, a premium snack company offering the ultimate convenient, functional snack that helps consumers perform their best and do their best to make world a better place. In this role, Dillon draws upon a variety of life and business experiences to inform his ability to use an exponentially better food production technology to create a new approach to snacking. Each prior experience as an investor and entrepreneur has fueled his competitive edge, equipping him with the high standards and knack for recognizing opportunity that he exemplifies today. SOUND Foods flagship product, SOUND Bites, are oval-shaped snacks that use ultrasonic sound waves and real ingredients to create a premium, sweet and satiating solution that helps the difference-makers of the world to live their lives to the fullest. Evident in the mission under which Sound operates, Dillon has an acute passion for developing a business's impact beyond the bottom line.
