The execution, delivery, and performance by such Member of this Agreement will not, with or without the giving of notice or the lapse of time, or both: (i) violate any provision of Law to which such Member is subject; (ii) violate any order, judgment, or decree applicable to such Member; or (iii) conflict with, or result in a breach or default under, any term or condition of its articles of incorporation or by-Laws, certificate of limited partnership or partnership agreement, articles of organization or limited liability company agreement, as applicable, or, except where such conflict, breach or default would not reasonably be expected to, individually or in the aggregate, have an adverse effect on such Member's ability to satisfy its obligations hereunder, any agreement or other instrument to which such Member is a party.

The Units to be acquired by such Member will be acquired for investment for such Member's own account, not as a nominee or agent, and not with a view to the resale or distribution of any part thereof; such Member has no present intention of selling, granting any participation in, or otherwise distributing the same; and such Member does not have any contract, undertaking, agreement or arrangement with any Person to sell, transfer or grant participations to such Person or to any third Person, with respect to any of the Units.

A Reg CF investment may involve potentially thousands of individual investors but the Reg CF firm will be a single Class D Member and signatory hereto by signing a Class D Member

{N0256252 }

Subscription Agreement containing a power of attorney in such manner as the Manager shall determine. Each such Reg CF Member shall, by his execution of the Subscription Agreement and as a condition of receiving any Interest in the Company, agree to be bound by all the terms and provisions of this Agreement.

5.1.3. The Manager may from time to time authorize, create and issue, and admit additional Members with respect to, one or more additional Class of Units ("Additional Units"). In connection with each such issuance, an appropriate Schedule shall be appropriately amended by the Manager to reflect the relevant changes in outstanding Units and Percentage Interests resulting from such issuance and this Agreement shall be appropriately amended to include any such Additional Units and the terms thereof.

5.1.4. No Member shall be required to contribute any capital to the Company in excess of the amount set forth on the appropriate Schedule and no Member shall be required to lend any funds to the Company, nor shall any Member be liable for any debts, liabilities, contracts or obligations of the Company. Except as otherwise expressly provided for herein, any loan from a Member to the Company shall be on such terms as mutually agreed upon by such Member and the Manager.

5.2 *Return of Contributions.*

A Member is not entitled to the return of any part of its Capital Contributions or to be paid interest in respect of either its Capital Account or its Capital Contributions. An unrepaid Capital Contribution is not a liability of the Company or of any Member. A Member is not required to contribute or to lend any cash or property to the Company to enable the Company to return any Member's Capital Contributions.

5.3 *Capital Account.*

A Capital Account shall be established and maintained for each Member. Each Member's Capital Account: (a) shall be increased by: (i) the amount of money contributed by such Member to the Company; (ii) the Book Value of property contributed by that Member to the Company (net of liabilities secured by the contributed property that the Company is considered to assume or take subject to under Code Section 752); and (iii) allocations to such Member of Profits and any other items of income or gain allocated to such Member; and (b) shall be decreased by: (i) the amount of money distributed to such Member by the Company; (ii) the Book Value of property distributed to such Member by the Company (net of liabilities secured by the distributed property that such Member is considered to assume or take subject to under Code Section 752); and (iii) allocations to such Member of Losses and any other items of loss or deduction allocated to such Member. The Capital Accounts shall also be increased or decreased to reflect a revaluation of Company property pursuant to paragraph (b) of the definition of Book Value. On the transfer of all or part of a Member's Units, the Capital Account of the transferor that is attributable to the transferred Units shall carry over to the transferee Member in accordance with the provisions of Treasury Regulation

{N0256252 }

ARTICLE 6 DISTRIBUTIONS AND ALLOCATIONS

6.1 *Distributions.*

(a) Each distribution made by the Company, regardless of the source or character of the assets to be distributed, shall be made in accordance with this Article 6 and applicable Law.

(b) Notwithstanding the priority of distributions in Section 6.1(c) below, the Company shall use reasonable efforts, subject to the availability of funds, to make distributions to each Member in amounts such that, prior to April 15 of each calendar year, each Member has received distributions (whether pursuant to Section 6.1(c), this Section 6.1(b) or otherwise) in aggregate amounts that equal not less than the sum for the immediately preceding fiscal year and for all prior fiscal years of: (i) the amount of taxable income allocated to such Member for such fiscal years, reduced by the amount of taxable losses allocated to such Member for such fiscal years, multiplied by; (ii) the maximum marginal federal, state and local tax rate (taking into account the character of any Company income and taking into account the deductibility of state taxes for federal purposes) applicable to an individual taxpayer pursuant to the Code and the applicable state and local laws and regulations in Boston, Massachusetts in respect of income recognized during such immediately preceding fiscal year. The Company shall use reasonable efforts to cause such distributions to be made in a manner that permits such Members to use the proceeds of such distributions to make on a timely basis all required estimated payments of income taxes in respect of the taxable income so allocated to them. The distributions required by this Section 6.1(b) will be made without regard for the relative priorities and amounts set forth in Section 6.1(c). Distributions made pursuant to this Section 6.1(b) shall be taken into account as advances on distributions made pursuant to Section 6.1(c), and shall (to the extent not previously taken into account pursuant to this sentence) reduce the distributions to be made to any Member under Section 6.1(c), when and as paid by the Company.

(c) The Manager shall have sole discretion to determine the timing of any other distribution and the aggregate amounts available for such distribution. Unless and until revised by the Manager, each distribution and the aggregate of all distributions made by the Company, regardless of the source or character of the assets to be distributed, or income, payable in the form of dividends, or capital, shall be made in the following order of priority:

(i) First, as long as the Class B Unit Holders in aggregate have not received 100% return of their invested capital from prior distributions, any available distributions go to each of the Class B Unit holders until such Class B Unit holders individually receive 100% of their invested capital; then,

(ii) Second, as long as the Class C and D Unit Holders, taken together as a single class, in aggregate have not received 100% return of their invested capital from prior distributions, any available distributions go to the holders of Class C Units and Class D Units until such Class C and D Unit holders individually receive 100% of their invested capital; then,

(iii) Third, as long as the Class B Unit Holders in aggregate have not received 100% return of their 15% priority return from prior distributions, any available distributions go to each of the Class B Unit holders until such Class B Unit holders individually receive a priority return equal to 15% of their invested capital; then,

(iv) Fourth, as long as the Class C Unit Holders in aggregate have not received 100% return of their 7% priority return from prior distributions, any available distributions go to each of the Class C Unit holders until such Class C Unit holders individually receive a priority return equal to 7% of their invested capital; then,

(v) Fifth, once all Class B, Class C and Class D Unit holders have received 100% of their invested capital and after all Class B and Class C Unit holders have received 100% of their priority returns from prior distributions, then any remaining and subsequent distributions go to the holders of all Units pro rata in accordance with their respective Percentage Interests minus any applicable Carried Interest Allocation due to the Class A Units.

(d) All distributions made under this Section 6.1 shall be made to the Members of record on the record date established by the Manager or, in the absence of any such record date, to the Members owning the applicable Units on the date of the distribution. Such distributions may be payable in cash or in kind at the option of the Company.

(e) Payment of cash distributions to cover any potential tax liability related to their investment in the Company may be demanded by the holders of at least a majority of the issued and outstanding Units pursuant to Section 6.1(b) hereof.

6.2 *Allocations of Profits and Losses.*

(a) General Profit and Loss Allocations.

(i) Profits. For each taxable year of the Company, Profits (and all items included in the computation thereof) shall be allocated among the Members as follows:

(A) First, to the extent of and in proportion to any Losses allocated to the Members, less any prior allocations under this Section 6.2(a)(1)(A);

(B) Second, to the Members in the amount of and in proportion to any distributions of cash as set forth in Section 6.1(c); and

(C) Thereafter, to the holders of all Units in accordance with their respective Percentage Interests;

(ii) Losses. For each taxable year of the Company, Losses (and all items included in the computation thereof) shall be allocated among the Members as follows:

(A) First, to the holders of Class Units in accordance with their respective Adjusted Capital Accounts until the Adjusted Capital Account of each holder of Class A Units is reduced to zero;

(B) Second, to all other Members in accordance with their respective Adjusted Capital Accounts until the Adjusted Capital Account of each Member is reduced to zero (\$0), and

(C) Thereafter, to the holders of all Units in accordance with their respective Percentage Interests.

(b) Special Allocations. Notwithstanding any other provisions of this Section 6.2, the following special allocations shall be made for each taxable period:

(i) Notwithstanding any other provision of this Section 6.2, if there is a net decrease in Company Minimum Gain during any taxable period, each Member shall be allocated items of Company income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), (g)(2), and (j)(2)(i). For purposes of this Section 6.2(b), each Member's Capital Account shall be determined and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.2 with respect to such taxable period. This Section 6.2(b)(i) is intended to comply with the Membership minimum gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) Notwithstanding the other provisions of this Section 6.2 (other than (i) above), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any taxable period, any Member with a share of Member Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Company income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and (j)(2)(ii). For purposes of this Section 6.2(b) each Member's Adjusted Capital Account balance shall be determined, and the allocation of income and gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.2, other than Section 6.2(b)(i) above, with respect to such taxable period. This Section 6.2(b)(ii) is intended to comply with the Member nonrecourse debt minimum gain chargeback requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) Except as provided in Sections 6.2(b)(i) and (ii) above, in the event any Member unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), (5), or (6), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by such Treasury Regulation, the deficit balance, if any, in its Adjusted Capital Account

{N0256252 }

created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Sections 6.2(b)(i) or (ii) above.

(iv) In the event any Member has a deficit balance in its Adjusted Capital Account at the end of any taxable period, such Member shall be specially allocated items of Company gross income and gain in the amount of such excess as quickly as possible; provided, however, that an allocation pursuant to this Section 6.2(b)(iv) shall be made only if and to the extent that such Member would have a deficit balance in its Adjusted Capital Account after all other allocations provided in this Section 6.2(b) have been tentatively made as if this Section 6.2(b) were not in this Agreement.

(v) Nonrecourse Deductions for any taxable period shall be allocated to the Members in accordance with their Percentage Interests.

(vi) Member Nonrecourse Deductions for any taxable period shall be allocated 100% to the Member that bears the Economic Risk of Loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Member bears the Economic Risk of Loss with respect to a Member Nonrecourse Debt, Member Nonrecourse Deductions attributable thereto shall be allocated between or among such Members in accordance with the ratios in which they share such Economic Risk of Loss.

(vii) To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such provisions.

(c) Curative Allocation. The allocations set forth in Section 6.2(b) (the "Regulatory Allocations") are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss, or deduction pursuant to this Section 6.2(c). Therefore, notwithstanding any other provision of this Article 6 (other than the Regulatory Allocations), the Manager shall make such offsetting special allocations of Company income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of the Agreement. In exercising its discretion under this Section 6.2(c), the Manager shall take into account future Regulatory Allocations that, although not yet made, are likely to offset other Regulatory Allocations previously made.

{N0256252 }

6.3 *Income Tax Allocations.*

(a) Except as provided in this Section 6.3, each item of income, gain, loss and deduction of the Company for federal income tax purposes shall be allocated among the Members in the same manner as such items are allocated for book purposes under Section 6.2.

(b) The Members recognize that there may be a difference between the Book Value of a Company asset and the asset's adjusted tax basis at the time of the property's contribution or revaluation pursuant to this Agreement. In such a case, all items of tax depreciation, cost recovery, amortization, and gain or loss with respect to such asset shall be allocated among the Members to take into account the disparities between the Book Values and the adjusted tax basis with respect to such properties in accordance with the provisions of Sections 704(b) and 704(c) of the Code and the Treasury Regulations under those sections; provided, however, that any tax items not required to be allocated under Sections 704(b) or 704(c) of the Code shall be allocated in the same manner as such gain or loss would be allocated for book purposes under Section 6.2.

(c) All items of income, gain, loss, deduction and credit allocated to the Members in accordance with the provisions hereof and basis allocations recognized by the Company for federal income tax purposes shall be determined without regard to any election under Section 754 of the Code which may be made by the Company; provided, however, such allocations, once made, shall be adjusted as necessary or appropriate to take into account the adjustments permitted by Sections 734 and 743 of the Code.

(d) If any deductions for depreciation, cost recovery or depletion are recaptured as ordinary income upon the sale or other disposition of Company properties, the ordinary income character of the gain from such sale or disposition shall be allocated among the Members in the same ratio as the deductions giving rise to such ordinary income character were allocated.

6.4 *Other Allocation Rules.*

All items of income, gain, loss, deduction and credit allocable to Units that may have been transferred shall be allocated between the transferor and the transferee based on the portion of the calendar year during which each was recognized as the owner of such Units, without regard to the results of Company operations during any particular portion of that calendar year and without regard to whether cash distributions were made to the transferor or the transferee during that calendar year; provided, however, that this allocation must be made in accordance with a method permissible under Code Section 706 and the regulations thereunder.

6.5 *Liability for Amounts Distributed.*

The Members hereby agree that, except as otherwise expressly provided herein or required by the Act, no Member shall have an obligation to return money or other property paid or distributed to such Member, except to the extent arising from any conduct of such Member for

{N0256252 }

which such Member is not exculpated under Section 9.1. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to make any such return, such obligation shall be the obligation of such Member and not of any other Person.

ARTICLE 7 TRANSFER OF UNITS

7.1 *General Restrictions On Dispositions.*

(a) Disposition of Units otherwise permitted or required by this Agreement may only be made in compliance with federal and state securities Laws, including the Securities Act and the rules and regulations thereunder, and the Act.

(b) No Disposition of Units otherwise permitted or required by this Agreement shall be effective unless and until any transferee who is not already a party to this Agreement (and such transferee's spouse, if applicable) shall execute and deliver to the Company an Addendum agreement in form and substance satisfactory to the Company.

(c) Dispositions of Units may only be made in strict compliance with all applicable terms of this Agreement, and any purported Disposition of Units that does not so comply with all applicable provisions of this Agreement shall be null and void and of no force or effect, and the Company shall not recognize or be bound by any such purported Disposition and shall not effect any such purported Disposition on the transfer books of the Company or Capital Accounts of the Members. The Members agree that the restrictions contained in this Article 7 are fair and reasonable and in the best interests of the Company and the Members.

7.2 *Transfer of Interests.*

(a) Subject to the rights of first refusal hereunder, no Member may transfer, directly or indirectly, all or any portion of its Units other than with the prior written consent of the Manager in its sole and absolute discretion.

(b) No Disposition of any part of the Units in the Company (whether voluntary, involuntary or by operation of law) may be made unless all of the following conditions have been satisfied:

(i) no such Disposition shall be made which, in the opinion of counsel to the Company, may result in the termination of the Company for the purposes of Section 708 of the Code;

(ii) no such Disposition shall be made to a minor, incompetent or Bankrupt;

(iii) no such Disposition shall be made if, in the opinion of counsel to the Company, such assignment may not be effected without registration under the Securities Act of 1933, as amended, or would result in the violation of any applicable state securities laws;

(iv) the transferee, if requested by the Manager, presents an opinion of counsel, acceptable to counsel to the Company, that such assignment will not adversely affect the status of the Company as a partnership for federal income tax purposes;

(v) the transferee executes and delivers such documents as the Manager shall deem reasonably necessary or advisable to cause him to become a Substitute Member; and

(vi) the transferee agrees to be bound by the terms and provisions of this Agreement.

(c) Any Transfer in contravention of any of the provisions of this Section 7.2 shall be void and ineffectual, and shall not bind or be recognized by the Company.

(d) All costs and expenses incurred by the Company in connection with the transfer of any Units, and/or the substitution of a transferee as a substitute Member, including any filing fees and publishing costs and the fees and disbursements of counsel, shall be pre-paid by the transferring Member, or if not paid by him, then by the transferee.

7.3 Drag-Along Rights.

(a) The Manager may approve a Drag-Along Transaction pursuant to Section 8.5(a) and require all Members to sell all but not less than all of their Units in accordance with this Section 7.3.

(b) In connection with any such Drag-Along Transaction, all Members entitled to consent thereto shall consent to and raise no objections against the Drag-Along Transaction, and if the Drag-Along Transaction is structured as: (i) a merger, conversion, Unit exchange or consolidation of the Company, or a sale of all or substantially all of the assets of the Company, each Member entitled to vote thereon shall vote in favor of the Drag-Along Transaction; or (ii) a sale of all the Units, each Member shall agree to sell all of its Units that are the subject of the Drag-Along Transaction, on the terms and conditions of such Drag-Along Transaction. The Members shall promptly take all necessary and desirable actions in connection with the consummation of the Drag-Along Transaction, including the execution of such agreements and such instruments and other actions reasonably necessary to: (A) provide customary representations, warranties, indemnities, and escrow/holdback arrangements relating to such Drag-Along Transaction (subject to Section 7.3(c)(iv) below); and (B) effectuate the allocation and distribution of the aggregate consideration upon the Drag-Along Transaction as set forth in Section 7.3(c) below. The Members shall be permitted to sell their Units pursuant to any Drag-Along Transaction without complying with any other provisions of this Article 7.

(c) The obligations of the Members pursuant to this Section 7.3 are subject to the satisfaction of the following conditions:

(i) the aggregate proceeds in the Drag-Along Transaction shall be aggregated by the Company and allocated among the Members on the same basis as such proceeds would have been allocated if such proceeds had been distributed to the Members pursuant to Section 6.1;

(ii) if any holder of a Class of Units is given an option as to the form and amount of consideration to be received, all Members shall be given the same option;

(iii) the Company shall bear the reasonable, documented costs incurred in connection with any Drag-Along Transaction (costs incurred by or on behalf of any Member for its sole benefit will not be considered costs of the transaction hereunder) unless otherwise agreed by the Company and the acquiror, in which case no Member shall be obligated to make any out-of-pocket expenditure prior to the consummation of the Drag-Along Transaction (excluding modest expenditures for postage, copies, and the like) and no Member shall be obligated to pay any portion (or, if paid, shall be entitled to be reimbursed by the Company for that portion paid) that is more than its pro rata share of reasonable expenses incurred in connection with a consummated Drag-Along Transaction;

(iv) no Member shall be required to provide any representations, warranties or indemnities (other than pursuant to an escrow or holdback of consideration proportionate to the amount receivable under this Section 7.3) in connection with the Drag-Along Transaction, other than those representations, warranties and indemnities concerning: (A) each Member's valid ownership of Units, free of all liens and encumbrances (excluding those arising under applicable securities Laws); (B) each Member's authority, power, and right to enter into and consummate such purchase or merger agreement without violating any other agreement to which such Member is a party or its assets are bound; and (C) compliance with securities Laws that are relevant in determining whether an exemption from registration is available for such Drag-Along Transaction; and

(v) if some or all of the consideration received in connection with the Drag-Along Transaction is other than cash, then such consideration shall be deemed to have a dollar value equal to the fair market value of such consideration as determined by the Manager; provided, however, that if the Manager does not or is unable to make such a determination of fair market value, such determination of fair market value shall be made by an investment banking firm selected by the Manager, and such firm shall be engaged and paid by the Company. The determination of fair market value of such investment banking firm (or, if such investment bank determines a range of fair market values, the mid-point of such range) shall be final and binding on all parties.

(d) If the Company and any of the Members or their representatives, enter into any negotiation or transaction for which Rule 506 under the Securities Act may be available with respect to such negotiation or transaction (including a merger, consolidation or other reorganization), each Member who is not an Accredited Investor (without regard to Rule 501(a)(iv)) shall, at the request and election of the Members that are pursuing a Drag-Along Transaction, either at the election of the Company: (i) appoint a purchaser representative (as such term is defined in Rule 501 under the Securities Act) reasonably acceptable to such Members; or (ii) agree to accept cash in lieu of any securities such Member would otherwise receive in an amount equal to the fair market value of such securities as determined in the manner set forth in Section 7.3(c)(v).

(e) The Members initiating any Drag-Along Transaction shall have the right to require the Company to cooperate fully with potential acquirors of the Company in such prospective Drag-Along Transaction by taking all customary and other actions reasonably requested by such Members or such potential acquirors, including without limitation, making the Company's properties, books and records, and other assets reasonably available for inspection by such potential acquirors and making its employees reasonably available for interviews.

7.4 *Specific Performance.*

Each Member acknowledges that it shall be impossible to measure in money the damage to the Company or the Members, if any of them or any transferee or any legal representative of any party hereto fails to comply with any of the restrictions or obligations imposed by this Article 7, that every such restriction and obligation is material, and that in the event of any such failure, the Company or the Members shall not have an adequate remedy at Law or in damages. Therefore, each Member consents to the issuance of an injunction or the enforcement of other equitable remedies against him or it at the suit of an aggrieved party without the posting of any bond or other security, to compel specific performance of all of the terms of this Article 7 and to prevent any Disposition of Units in contravention of any terms of this Article 7, and waives any defenses thereto, including, without limitation, the defenses of: (i) failure of consideration; (ii) breach of any other provision of this Agreement; and (iii) availability of relief in damages.

9.4 ***Indemnification of Employees and Agents.***

The Company, by adoption of a resolution of the Manager, may indemnify and advance expenses to an employee (if any), consultant or agent of the Company to the same extent and subject to the same conditions under which it may indemnify and advance expenses to Managers under this Article 9; and, the Company may indemnify and advance expenses to Persons who are not or were not Managers, consultants or agents of the Company but who are or were serving at the request of the Company as a member, manager, officer, partner, venturer, proprietor, trustee, employee, agent, consultant or similar functionary of another foreign or domestic limited liability company, corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise against any liability asserted against such Person and incurred by such Person in such a capacity or arising out of its status as such a Person to the same extent that the Company may indemnify and advance expenses to Members under this Article 9.

9.5 ***Appearance as a Witness.***

Notwithstanding any other provision of this Article 9, the Company may pay or reimburse expenses incurred by a Manager, Officer or Member in connection with its appearance as a witness or other participation in a Proceeding at a time when it is not a named defendant or respondent in the Proceeding.

9.9 Contract Rights.

Any amendment, modification or repeal of this Article 9 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability of any Person under this Article 9 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

9.10 Negligence, etc.

- (i) the consent of the Manager;
- (ii) at any time when there are no Members; and
- (iii) entry of a decree of judicial dissolution of the Company pursuant to the Act.

(b) If the Liquidation Event described in Section 12.1(a)(ii) shall occur, the Company shall not be dissolved, and the business of the Company shall be continued, if the requirements of the Act for the avoidance of dissolution are satisfied (a "Continuation Election").

(c) Except as otherwise provided in this Section 12.1, to the maximum extent permitted by the Act, the death, retirement, Resignation, Expulsion, Bankruptcy or dissolution of a Member shall not constitute a Liquidation Event and, notwithstanding the occurrence of any such event or circumstance, the business of the Company shall be continued without dissolution.

12.2 *Winding-Up and Termination.*

The liquidator shall proceed diligently to wind up the affairs of the Company and make final distributions as provided herein and in the Act. The costs of winding up shall be borne as a Company expense, including reasonable compensation to the liquidator if approved by the Manager. Until final distribution, the liquidator shall continue to operate the Company properties subject to the power and authority of the Manager. The steps to be accomplished by the liquidator are as follows:

(a) as promptly as possible after dissolution and again after final winding up, the liquidator shall cause a proper accounting to be made by a recognized firm of certified public accountants of the Company's assets, liabilities, and operations;

(b) the liquidator shall pay, satisfy or discharge from Company funds all of the debts, liabilities and obligations of the Company (including all expenses incurred in winding up) or otherwise make adequate provision for payment and discharge thereof (including the establishment of a cash escrow fund for contingent liabilities in such amount and for such term as the liquidator may reasonably determine); and

(c) all remaining assets of the Company shall be distributed to the Members as follows:

(i) the liquidator may sell any or all Company property, including to Members, and any resulting gain or loss from each sale shall be computed and allocated to the Capital Accounts of the Members in accordance with the provisions of Article 6;

(ii) with respect to all Company property that has not been sold, the fair market value of that property shall be determined and the Capital Accounts of the Members shall be adjusted to reflect the manner in which the unrealized income, gain, loss, and deduction inherent in property that has not been reflected in the Capital Accounts previously would be allocated among the Members if there were a taxable disposition of that property for the fair market value of that property on the date of distribution; and

(iii) Company property shall be distributed among the Members in accordance with Section 6.1, and those distributions shall be made by the end of the taxable year of the Company during which the liquidation of the Company occurs (or, if later, 90 days after the date of the liquidation).

All distributions in kind to the Members shall be made subject to the liability of each distributee for costs, expenses, and liabilities theretofore incurred or for which the Company has committed prior to the date of termination and those costs, expenses, and liabilities shall be allocated to the distributee pursuant to this Section 12.2. The distribution of cash or property to the Members in accordance with the provisions of this Section 12.2 constitutes a complete return to such Member of its Capital Contributions and a complete distribution to the Members of its Membership Interests (including Units) and all the Company's property and constitutes a compromise to which all Members have consented within the meaning of the Act. To the extent that a Member returns funds to the Company, it has no claim against any other Member for those funds.

ARTICLE 13 GENERAL PROVISIONS

13.1 *Offset.*

Whenever the Company is to pay any sum to any Member, any amounts that such Member, in its capacity as a Member, owes the Company may be deducted from that sum before payment.

13.2 *Notices.*

(a) Except as expressly set forth to the contrary in this Agreement, all notices, requests or consents provided for or required to be given hereunder shall be in writing and shall be deemed to be duly given if personally delivered, telecopied and confirmed, or mailed by certified mail, return receipt requested, or nationally recognized overnight delivery service with proof of receipt maintained, at the following addresses (or any other address that any such party may designate by written notice to the other parties):

- (i) if to the Company, at the address of its principal executive offices; and
- (ii) if to a Member, to the address given for the Member on the appropriate Schedule attached hereto.

Any such notice shall, if delivered personally, be deemed received upon delivery; shall, if delivered by telecopy, be deemed received on the first business day following confirmation; shall, if delivered by nationally recognized overnight delivery service, be deemed received the first business day after being sent; and shall, if delivered by mail, be deemed received upon the earlier of actual receipt thereof or five(5) business days after the date of deposit in the United States mail.

(b) Whenever any notice is required to be given by Law, the Articles or this Agreement, a written waiver thereof, signed by the Person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

13.3 *Entire Agreement; Supersedure.*

This Agreement (including the Exhibits) constitutes the entire agreement of the Members relating to the Company and supersede all prior contracts or agreements with respect to the Company, whether oral or written.

13.4 *Effect of Waiver or Consent.*

A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations with respect to the Company is not a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person with respect to the Company. Failure on the part of a Person to complain of any act of any Person or to declare any Person in default with respect to the Company, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default until the applicable statute-of-limitations period has run.

13.5 *Amendment or Restatement.*

13.7 *Governing Law; Severability; Limitation of Liability.*

(a) THIS AGREEMENT IS GOVERNED BY, ENFORCED UNDER AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES OF SUCH STATE.

(b) The parties hereto hereby irrevocably submit to the exclusive jurisdiction of the courts of the State of Delaware and the federal courts of the United States of America located in Delaware, and appropriate appellate courts therefrom, over any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby, and each party hereby irrevocably agrees that all claims in respect of such dispute or proceeding may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection which they may now or hereafter have to the laying of venue of any dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. This consent to jurisdiction is being given solely for purposes of this Agreement and is not intended to, and shall not, confer consent to jurisdiction with respect to any other dispute in which a party to this Agreement may become involved. (c) In the event of a direct conflict between the provisions of this Agreement and (i) any provision of the Articles, or (ii) any mandatory, non-waivable provision of the Act, such provision of the Articles or the Act shall control. If any provision of the Act provides that it may be varied or superseded in the agreement of a limited liability company (or otherwise by agreement of the members or managers of a limited liability company), such provision shall be deemed superseded and waived in its entirety if this Agreement contains a provision addressing the same issue or subject matter.

(d) If any provision of this Agreement is held to be illegal, invalid or unenforceable under present or future Laws effective during the term of this Agreement, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement.

{N0256252 }

Furthermore, in lieu of each such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

In connection with this Agreement and the transactions contemplated hereby, the Company and each Member shall execute and deliver all such future instruments and take such other and further action as may be reasonably necessary or appropriate to carry out the provisions of this Agreement and the intention of the parties as expressed herein, including if necessary any action required to cause such amendment of, the Articles so that this Agreement is enforceable under the Laws of the state in which the Company is organized.

13.9 Counterparts.

This Agreement may be executed in any number of counterparts (including email or facsimile counterparts), all of which together shall constitute a single instrument.

13.10 Adjustments for Unit Splits.

Wherever in this Agreement there is a reference to a specific number of Units of any class or Class of Units, or a price per Unit, or consideration received in respect of such Unit, then, upon the occurrence of any subdivision, combination or distribution of such class or Class of Units, the specific number of Units or the price so referenced in this Agreement shall automatically be proportionally adjusted to reflect the effect on the outstanding Units of such class or Class of Units by such subdivision, combination or distribution.
