Hit 641 a recent purchase for my racehorse at OBS March purchased for 500,000. Just absolutely fell in love with this colt. He's big, durable, sturdy to turn type working colt. The plan is to send him to D. Wayne Lucas. Liam's map couldn't be hotter at the moment, most recently winning two stakes including the Gotham, which is a Kentucky Derby prep.

00:00:20:04 – 00:00:41:23

Unknown

Having that colt on the Kentucky Derby trail. He's really a stallion that is consistently been one that's been able to win on multiple surfaces. And in this colt in particular, we're thinking dirt is the answer. He's a quality sire. He's already proven that he can get a racehorse. So if the individuals there and I assume it is, these guys have done a pretty damn good job of picking him out.

00:00:41:24 – 00:01:03:26

Unknown

They're getting nice horses, so they've really stepped up. And give the people that do invest a chance to really have a quality horse and to be individuals. There is no reason why this horse wouldn't be right. You couldn't ask for a horse to work better than he did. He breezed in ten flat out the quarter in 24 and 32 and four for the 3/8.

00:01:03:26 – 00:01:26:21

Unknown

And he did it the right way, a 27.5ft stride, which is immense. And he just has a way about him that he doesn't care with relative ease. The pedigree of this guy, it's a very deep female family running of a Phipps family. The first thing that jumps out at you as arguably one of the best horses in the last few decades in flightline, but when you see that name on the page, certainly get you excited.

00:01:26:23 – 00:01:46:26

Unknown

Looking at the second dam, you had a horse and Roman Centurion who was on the Derby Trail, and also another full sibling that was on the Oaks Trail. He's a really good moving horse. He's got a beautiful, athletic stride. He handles everything mentally very well. There's a class act. He's the kind of horse you know, he's showing that he's got great speed, tactical speed.

00:01:46:26 – 00:02:02:15

Unknown

So we think he's going to be a horse that can be a nice precocious horse in the summer like Saratoga. When talking about Saratoga, you got to have a horse that's big and strong and ready to go in there and coming off the heels and sees the gray with the D. Wayne. This is a

perfect one to follow in the footsteps.

00:02:02:18 - 00:02:13:19

We're very excited to get a horse like this on the roster. Hopefully the next time we see it, it'll be in the winner's circle.

Striking colt by G1 winning sire Liam's Map from the direct female family of Breeders' Cup Classic winner and Horse of the Year, Flightline. This colt will be going to 4x Kentucky Derby winning trainer, D. Wayne Lukas.

Meet Caldera, a 2-year-old colt by Liam's Map acquired by MyRacehorse at the 2024 OBS March 2-Year-Olds in Training Sale.

The grey leveled off in his [:10 flat](#) breeze, showing off a huge stride length (27.5 ft.) that was the biggest of any horse to work the day he did. The smooth-moving colt galloped out in :10 4/5 and :23 2/5, giving the impression that he possesses both speed and stamina.

If our team could describe Caldera in one word, it would be "powerful." He's big and scopey but also has plenty of balance and a very athletic walk.

A winner of the G1 Woodward and G1 Breeders' Cup Dirt Mile himself, Caldera's sire Liam's Map is responsible for no fewer than four Grade 1 winners and 11 graded stakes winners. The son of Unbridled's Song (and half-brother to last year's #8 leading sire in Not This Time) has gotten off to a very strong start in 2024, siring this year's G3 Gotham S. winner Deterministic as well as Starting Over, who took a Grade 2 on the same day as the Gotham. Other sophomore standouts representing Liam's Map this year include Jimmy Winkfield S. romper Bergen, G3 Lecomte S. third Lat Long, two-turn stakes scorer Camaro Z and romping debut winner and 'TDN Rising Star' Amor Fati.

Dam Send Me On My Way is a young half-sister to two graded stakes-placed runners and hails from an extremely deep female family developed by legendary owner/breeders the Phipps family. The colt's third dam was multiple Grade 1 winner Finder's Fee, whose GSW/MG1SP granddaughter Feathered is the dam of none other than 2022 Horse of the Year Flightline—one of the most talented horses in racing history.

Dam sire Tiznow is an excellent broodmare sire, having been responsible for the dams of 11 highest-level winners to date including recent G1 Belmont and G1 Travers hero Tiz the Law. The fact this colt's second dam is by Bernardini is also particularly interesting, as two of Liam's Map's four Grade 1 winners are out of Bernardini mares in addition to another one of his other graded stakes winners.

Caldera returned to consignor David Scanlon’s operation at Oak Ridge Training Center for a customary post-sale respite after undergoing a routine procedure to clean up a bone fragment in a hind ankle. Among the many top runners to graduate from Scanlon’s program is this year’s G2 Risen Star S. winner, G1 Toyota Bluegrass S. winner, and top G1 Kentucky Derby contender Sierra Leone.

After starting back up with Scanlon, Caldera will join the barn of none other than Hall of Famer D. Wayne Lukas. The four-time Eclipse Award winner for outstanding trainer boasts four Derby trophies, six Preakness wins and four Belmonts, in addition to 20 victories at the Breeders’ Cup. His trainees have amassed more than \$294 million to date.

Lukas also conditions MyRacehorse’s current sophomore standout Seize the Grey, a Saratoga maiden special weight winner and stakes-placed juvenile last term who returned this season to take an Oaklawn optional claimer Feb. 24 before finishing third with some traffic trouble in the G3 Jeff Ruby Steaks Mar. 23. Seize the Grey is likely to make an appearance in at least one leg of this year’s Triple Crown.

Expected on track: Late Summer 2024

How is Reg CF different from other MyRacehorse offerings?

Historically, MyRacehorse.com Offerings have utilized Regulation A Tier II, and 506(c) for accredited investors. Through Dalmore, our registered broker-dealer, MyRacehorse is now able to utilize Regulation CF, which gives us the opportunity to bring our horses to market faster. These offerings will have some differences that many MyRacehorse users will notice; unique investment caps, a funding progress bar, a comment section on the listing page, and additional communications regarding the disbursement process.
