Proud Indian '22, a son of the popular Into Mischief son Practical Joke, was picked up by the MyRacehorse team for \$300,000 at Fasig-Tipton's Midlantic May 2-Year-Olds in Training Sale off of a speedy :10 flat (<https://www.youtube.com/watch?v=1dmUBc0D6YQ>) breeze (out in :11.4, :25.1). Only two horses recorded faster furlong works during the entire three days of breeze shows.

Back at the barn, the colt presented himself as an easy to be around sort with a balanced frame featuring all the right angles. He possesses a powerful shoulder and strong forearm with plenty of scope to go with his overall speedy-looking build. As a May 5 foal, the bay still appears to have plenty of physical upside and room to develop even further.

After a standard post-sale respite at Rebecca Maker's Shantera Farm, Proud Indian '22 will be turned over to Hall of Famer Steve Asmussen, the winningest trainer of all time.

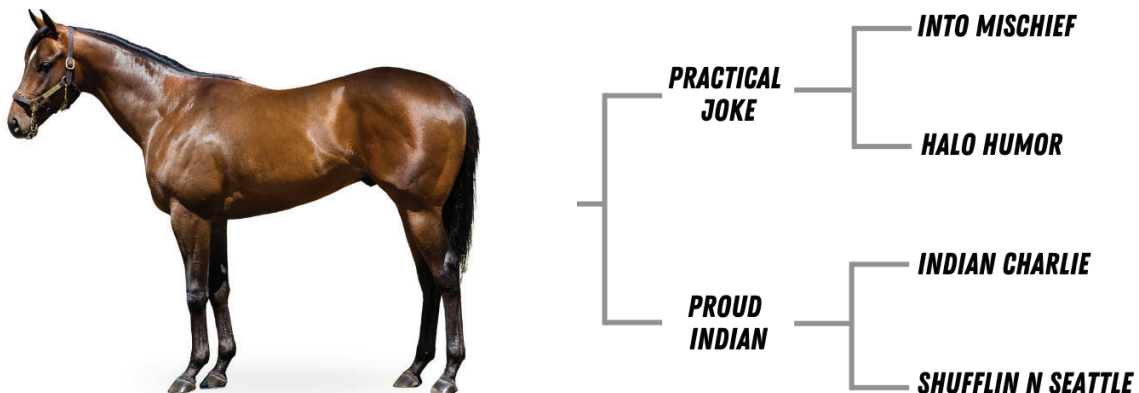

A dual Grade 1 winner at two who was also second in a pair of G1 Kentucky Derby preps the following season, Practical Joke added the G3 Dwyer S. over a mile before a close third in the prestigious G1 Haskell Invitational. He cut back to take the prestigious G1 H. Allen Jerkens Memorial S. at Saratoga, and was later third against his elders in the G1 Cigar Mile.

At stud, the Coolmore resident has been represented by two U.S. Grade 1 winners and another seven in the Southern Hemisphere. He was responsible for the 2023 G1 Santa Anita Derby hero Practical Move, and in 2024 boasts the likes of G3 Tampa Bay Derby victor Domestic Product and the brilliantly fast Asmussen-trained MGSW sprinter Skelly.

Skelly is out of a mare by Bwana Charlie, who is by Proud Indian's sire Indian Charlie. Indian Charlie is the broodmare sire himself of none other than superstar Horse of the Year Flightline; the Asmussen-trained champion sprinter and freshman sire Mitole; Saratoga Grade 1-winning juvenile Dayoutoftheoffice (Into Mischief); and five-time graded stakes winner and \$1.5-million earner Frank's Rockette (Into Mischief).

Another example of the potency of the cross Proud Indian '22 is bred on is his own full-sister Kaling, who received prestigious 'TDN Rising Star' honors for her Saratoga unveiling in 2022 before finishing third in that year's G1 Spinaway S. She later sold for \$650,000 at the 2024 Keeneland January sale.

Proud Indian hails from a very deep and productive female family. Her MGSP half-sister Here I Go was the dam of Summerly, winner of the 2005 G1 Kentucky Oaks for the aforementioned Asmussen.

FREQUENTLY ASKED QUESTIONS

How is Reg CF different from other MyRacehorse offerings? <

Historically, MyRacehorse.com Offerings have utilized Regulation A Tier II, and 506(c) for accredited investors. Through Dalmore, our registered broker-dealer, MyRacehorse is now able to utilize Regulation CF, which gives us the opportunity to bring our horses to market faster.

These offerings will have some differences that many MyRacehorse users will notice; unique investment caps, a funding progress bar, a comment section on the listing page, and additional communications regarding the disbursement process.

All securities-related activity is conducted by Dalmore Group, LLC ("Dalmore Group"). Dalmore Group does not make investment recommendations and no communication, through this website or in any other medium should be construed as a recommendation for any security offered on or off this investment platform. Equity crowdfunding investments in private

placements, and start-up investments in particular, are speculative and involve a high degree of risk and those investors who cannot afford to lose their entire investment should not invest in start-ups. Companies seeking startup investments through equity crowdfunding tend to be in earlier stages of development and their business model, products and services may not yet be fully developed, operational or tested in the public marketplace. There is no guarantee that the stated valuation and other terms are accurate or in agreement with the market or industry valuations. Additionally, investors may receive illiquid and/or restricted stock that may be subject to holding period requirements and/or liquidity concerns. In the most sensible investment strategy for start-up investing, start-ups should only be part of your overall investment portfolio. Further, the start-up portion of your portfolio may include a balanced portfolio of different start-ups. Investments in startups are highly illiquid and those investors who cannot hold an investment for the long term (at least 5-7 years) should not invest. Dalmore Group does not provide custody services in connection any investments made through the platform.
