

Hi << Test First Name >>!

I wanted to reach out to you as we recognize that our community members, like you, have been the cornerstone of our success at SweatPals. You've played a critical role in bringing us to where we are today and I'm excited to share with you an opportunity that goes into the realm of shared ownership and success.

As the Founder and CEO of SweatPals, I've always believed in the power of community. SweatPals is at a very exciting time in our growth. In only one year, we have:

- Grown to over 30,000 platform members in three major cities.
- Won the largest global startup competition in the world for half a million dollars judged by 5 top financial institutions ([link](#)).
- Have seen over 8,000 events and 500 communities.

While many companies at our stage turn to Venture Capital funds for investment, we're considering a different approach. We're exploring the idea of offering YOU the opportunity to become more than a user of SweatPals - to become a shareholder and investor of SweatPals. This opens the door for our community to share in the future upside and profits of SweatPals, a company you've helped to build and grow over the past year.

We would greatly appreciate it if you [took this 30-second survey](#) on your interest in investing if we started a community round. Amounts can be as small as \$100, which through a new program called '[WeFunder](#)' we can enable.

By filling out the form, you'll be the first to know if we decide to pull the trigger. This is a non-binding answer and helps us validate our community interest.

Thank you for being on this journey with us!

Founder, CEO
