Subject: Wolfpack Exclusive Investment Opportunity Now Open!

Dear Wolfpack Member,

I hope you're enjoying the end to what has been an incredible 2023!

I'm thrilled to share some exciting news. We have just launched our **Wolfpack crowdfunding campaign!**

As a valued member of our Wolfpack community, I extend a special invitation for you to participate in the exclusive "Friends Invest First" round. Seize the opportunity to enjoy **fantastic early-bird campaign benefits** by investing with **as little as \$100**.

These funds will be used to launch our patent-pending **Booster Loans** - a pioneering short-term point-of-sale lending product tailored for stocks and ETFs. With Booster Loans, customers can buy up to 50% of shares using **smart leverage** and repay over a fixed 10-week schedule. It's like **Buy-Now-Pay-Later for stocks**, minus the daunting application forms, late fees, or credit checks.

The official public campaign is set to kick off at 5:00 pm EST on January 1.

To delve into this exciting opportunity, your first step is to explore our campaign page. Click here to visit: <https://wefunder.com/wolfpack.financial.inc>

This is the first time the general public will be able to invest in Wolfpack.

So, don't miss out! Join the pack, become a Wolfpack investor, and help build the best self-directed trading platform for the Millennial Generation!

Kind regards,

George Parthimos
