"I'm investing because it's one of the best faith-based movies to come out in years since 'Passion of the Christ' in 2004 and maybe 'Sound of Freedom' in 2023.

I'm also a big fan of the co-producer Epoch Times that champions freedom of speech and freedom of religion.

The story is based on the true story of Christians who faced execution by firing squad and how their joy in Christ changed everyone they met in the prison camp. It's stunning.

The audience reactions at screening are unbelievable with many accepting Christ. My prayer is the film will go out to the nations. "

AUGUST 2024

QUICK SYNOPSIS

Based on the incredible true story of Christian prisoners who faced execution by firing squad in a third world country.

SHORT SYNOPSIS

Inspired by the true story of two drug dealers who came to Christ in a third world prison. They face execution by firing squad and are victorious in the end.

The film shows anyone on earth can be redeemed by Jesus and face death in a courageous way.

Their redemption leads the entire prison camp to Christ.

STORY

“WHAT DOES IS PROFIT A MAN IF HE SHALL GAIN
THE WHOLE WORLD AND LOSE HIS OWN SOUL?”

Matthew 16:26

INSPIRED BY TRUE EVENTS

STORY

We open on the prison cell of Peter Low.

“My name is Peter Low. And I will be executed in two hours.”

We flashback to his extraordinary life as a drug runner into China through Indonesia. He and his friends flew in private jets and gambled in Monte Carlo.

STORY

But it would all come crashing down with his arrest in Indonesia.

STORY

Once at the prison camp, he meets Captain Tanu - the hard-bitten warden.

STORY

In prison, Pastor Lynbrook (played by Kevin Sorbo) shares the Gospel with Peter. Peter refuses to listen and walks away.

He then hatches an escape plan with another prisoner named Samuel (Cuba Gooding, Jr) and Liu Fat. They pose as the media to escape.

STORY

Peter and his friend Morgan attempt to escape via the subway in Jakarta, but is caught and brought back to the prison camp to face the ruthless Captain Tanu.

STORY

STORY

STORY

Thrown into solitary confinement with 4 days of no food or water, the only thing that saves him is the Bible.

STORY

Peter accepts Christ in a chapel headed by Pastor Lynbrook.

STORY

Soon after becoming born-again, Peter meets a missionary named Miriam. He falls in love with her.

Meanwhile Pastor Lynbrook and Liu Fat head to the firing squad to be executed.

STORY

Peter struggles with being the next to be executed.

STORY

As his day draws near, Peter marries Miriam in an emotional ceremony.

STORY

As they are led out to be executed, Peter and Samuel sing 'Amazing Grace' with the entire prisoners joining in.

Captain Tanu is stunned.

STORY

As Tanu shouts 'FIRE', none of the guards fire.

As Eddie asks the prisoners if anyone wants to accept Jesus Christ, no one goes forward. Feeling like a failure, Eddie closes the service until.....

STORY

....he sees Captain Tanu coming forward to accept Jesus.

STORY

He stares stunned as Tanu falls to his knees. Miriam cries.

THE END

We dedicate this film to the Christians who were
executed by firing squad in Indonesia on April 29, 2015.

SUCCESS OF OUR LAST FAITH-BASED FILM 'SLAMMA JAMMA'

'Slamma Jamma' was released in 502 theaters last March 24, 2017. It's about a basketball player who finds God in prison and wins the national slam dunk competition. Based on a true story.

Our 22 year relationship with all the major theaters allowed us to get into 502 theaters in all the major cities (LA, NYC, Chicago, Miami, San Francisco, Dallas, Atlanta, etc) without any help from the studios:

By not going with a studio right away, we were able to keep 100% of the box office take as opposed to going with a typical studio deal and getting a minimal percentage.

It is a lot of work. You have to replicate the studio advertising which we did with only \$1.3 million in P&A to work with. Yet we pulled it off successfully - all thanks to God.
