#### (D) The Company's Business and Business Plan

##### The Team

##### Ellie Dummett, Founder/CEO/Cultivator

For as long as I can remember, I have been pursuing my passion for entrepreneurship and innovation with an emphasis on solving problems and with a community focus. As the founder and CEO of Naked Nature, LLC, we intend to positively impact the cannabis industry by cultivating and manufacturing high-quality craft cannabis for the state of Massachusetts.

Naked Nature, LLC is a provisionally licensed microbusiness that aims to meet the needs of consumers who support "mom & pop" small-batch craft growers who want to bring their quality to the industry and those who appreciate the art and science of cannabis cultivation. We strive to produce the best in the state by applying our expertise, creativity, and sustainability principles to every aspect of our operation. Our mission is to create lasting relationships with our customers, partners, and community based on trust, transparency, excellence, and accountability.

##### Irie Lion, Director of Cultivation

Irie has 20 plus years of cultivation experience both legacy and commercial. His passion for the plant has a following.

##### Chante Dawston, Chief Financial Officer

Chante brings accounting, auditing, a focus on the details, and concise communication. Responsible for tracking cash flow and financial planning, analyzing the company's financial strengths and weaknesses, and proposing strategic directions.

Welcome to Naked Nature, where the love for cannabis meets a commitment to quality and community. We are more than just a cannabis company; we're a "self-proclaimed" movement driven by the passion of home growers turned entrepreneurs. Our mission is simple yet profound: to make a difference in the cannabis community by championing craft, small batch cultivation, manufacturing, sustainability, and, most of all...tangible community engagement and results.

At Naked Nature, we fully understand the struggles faced by "mom & pops" trying to get into the industry. As a craft/small-batch cannabis microbusiness, we prioritize quality over quantity, ensuring that each plant receives the care and attention it deserves. Our commitment to excellence extends beyond the product itself; it's about fostering a sense of belonging and connection within our community.

Our top funding priority is 160k to cover operational costs essential for navigating our crucial first harvest and 150k in crowdfunding funds to expand our production capacity. With your support, we aim to double our production by adding an additional 1100 sq ft grow room. This will allow us to meet growing demand while taking advantage of the economies of scale within our facility. Our goal is to be as efficient as possible to maintain our commitment to small-scale cultivation.

Quality and community are at the heart of everything we do. We believe in transparency, integrity, and accountability. We are committed to keeping our supporters informed every step of the way. This will ensure that we stay true to our values while achieving our business goals. Your investment will be vital and used judiciously to cover expenses such as purchasing manufacturing equipment, funding operational costs, and helping with compliance-related costs and fees.

Naked Nature is more than just a business; we are good people doing good things. By investing in us, you're not just supporting a cannabis company; you're joining a movement dedicated to positively impacting the industry and our communities. Together, we can grow something genuinely remarkable and authentic. Thank you for considering investing in Naked Nature.

##### Other Information on the Investment Process

- Investors may cancel an investment commitment until 48 hours prior to the Offering Deadline.
- MainVest will notify investors when and if the Target Offering Amount has been raised.
- If the Company reaches the Target Offering Amount before the Offering Deadline, it may close the offering early if it provides notice about the new Offering Deadline at least five business days before such new Offering Deadline, absent a material change that would require an extension of the offering and reconfirmation of the investment commitment.

- If an investor does not cancel an investment commitment before the 48-hour period before the Offering Deadline, the funds will be released to the Company upon closing of the offering and the investor will receive securities in exchange for his or her investment.

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. IF AN INVESTOR DOES NOT RECONFIRM HIS OR HER INVESTMENT COMMITMENT WITHIN FIVE (5) DAYS OF THE NOTICE OF MATERIAL CHANGE BEING SENT, THE INVESTOR'S INVESTMENT COMMITMENT WILL BE CANCELLED, THE COMMITTED FUNDS WILL BE RETURNED, AND THE INVESTOR WILL NOT BE ISSUED ANY OF THE SECURITIES REFERENCED IN THIS OFFERING.

#### Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

#### (L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

## (M) Terms of the Securities

### Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

### Summary of Terms

|   |   |
|---|---|
| Revenue Percentage <sup>1</sup>   | 5.0 - 12.4% <sup>2</sup>  |
| Payment Deadline  | 2031-06-30  |
| Maximum Payment Multiple <sup>3</sup><br>- Early Investors<br>- All Other Investors | 2.0 x<br>1.6 x  |
| Sharing Start Date  | The first day after disbursement that the company has revenues greater than one (\$1) dollar  |
| First Payment Date  | The last day of the calendar month ending not more than thirty days after the end of the first calendar year after the Sharing Start Date |
| Seniority   | Subordinated  |
| Securitization  | Unsecured   |
| Accrual Rate  | 4.12%   |

<sup>1</sup> as defined in the note agreement included in Appendix A

<sup>2</sup> The rate of revenue sharing is calculated on a linear scale with a minimum rate of 5.0% and a maximum rate of 12.4% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

| Amount Raised | Revenue Sharing Percentage |
|---------------|----------------------------|
| \$50,000      | 5.0%                       |
| \$68,500      | 6.8%                       |
| \$87,000      | 8.7%                       |
| \$105,500     | 10.6%                      |
| \$124,000     | 12.4%                      |

<sup>3</sup> To reward early participation, the investors who contribute the first \$50,000.0 raised in the offering will receive a 2.0x cap. Investors who contribute after \$50,000.0 has been raised in the offering will receive a 1.6x cap.

### Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

#### Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

#### No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

#### Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

#### Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

#### Other Classes of Securities

|  |   |
|--|---|
| Name of Security   | Limited Liability Company Interests   |
| Number of Shares Outstanding   | N/A   |
| Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights | N/A   |
| How these securities differ from the revenue sharing notes being offered to investors  | Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company. |

### Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

### The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

| Name of Holder     | % of Voting Power (Prior to Offering) |
|--------------------|---------------------------------------|
| Eleazer Dummett II | 100%                                  |

### How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

### How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

### (N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

### (O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 4.5% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.

### (P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through regulation crowdfunding on MainVest.

**(Q) Other Offerings of Securities within the Last Three Years**

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.

This other sources may subject repayments to additional fees or risks, and will be subject to any applicable terms and conditions

The Issuer may offer “Perks” as a means of showing appreciation to investors for supporting small community businesses. The offering of “Perks” by issuers is done purely on a voluntary basis and have no influence upon the terms of the Offering. As such, Investor “Perks” are not contractual conditions governed by “the Note” and are not enforceable under “the Note”.
