The Team

Adam Rosenblum, Chef/Owner

A native of Maryland, Chef Adam Rosenblum began in the restaurant industry during his high school years as a dishwasher. Furthering his culinary knowledge, Adam attended the Culinary Institute of America in New York.

Adam moved to New Orleans to work alongside renowned Chef Donald Link of Herbsaint, where he cultivated a passion for whole animal butchery and working with small farms. Displaced by Hurricane Katrina, Adam opened his first farm-to-table restaurant, Imagine, in Little Rock, Arkansas; taught budding culinary students at Winthrop Rockefeller Institute; and consulted with an array of restaurants in New Jersey.

Accepting a position as Sous Chef of Flour + Water, Adam moved to San Francisco in 2013, where he was immersed in the rustic Italian cuisine of the restaurant and the bounty of local produce. Adam opened Causwells in 2014 and is the Chef Consultant of Red Window, a spanish dinner & brunch spot in San Francisco's North Beach neighborhood.

Elmer Mejicanos, Beverage Director/Owner

Elmer began in the Hospitality Industry as a bar back and brew master apprentice in 2003 at Beach Chalet. He found his passion in service and quickly moved behind the bar, where that passion, combined with his unique take on craft cocktail creation was able to flourish. He took the role as Beverage Director for Tony Gemignani's Tony's Pizza in 2009 until 2020, and helped

that group open multiple locations throughout the West Coast, including Capo's, Pizza Rock and others.

Elmer was the driving force behind 25 Lusk's cocktail program, both within their roof deck & restaurant spaces, and with their popular Pop Up Series in their lounge area. As the Beverage Director for Red Window, Elmer brought the first craft driven low proof cocktail program to the Bay Area.

He assumed the same role, along with ownership, of Causwells in 2022, where his cocktail program has helped Causwells evolve into the Neighborhood spot that proves to be one of the Marina District's favorites. Elmer's cocktail programs have been featured in the New York Times, The San Francisco Chronicle, Esquire Magazine's Best Bars in America, Food and Wine Magazine, and he was the creative force behind CUESA's Summer Cocktail Series at the Ferry Building Farmer's Market.

Nathan Sheeran, Director of Operations

Nathan began in the Hospitality Industry at the age of 14 in Cleveland, Ohio, bussing tables, washing dishes, and cooking throughout High School. While obtaining his degree in Journalism, Nathan waited tables and bartended to make ends meet. After a short stint covering sports for the AP and ESPN, the pull of fine foods, wine, cocktails, and hospitality drove him back to the restaurant business full time in 2004.

After beginning his career in Management in Cleveland, a desire to test his skills in a larger, more vibrant restaurant market brought him to San Francisco in 2009. Nathan has been the General Manager at multiple highly regarded restaurants, Prospect and 25 Lusk, before he took the step into multi unit operations. Most notably as the Director of Operations of Fine Dining for the Omakase Group, where he helped Omakase Restaurant maintain its Michelin Star for two consecutive years in 2021 and 2022, and helped guide Niku Steakhouse to its first Michelin Star in 2021, while maintaining that Star throughout his tenure.

With extensive experience in openings, profit analysis, team building, and a commitment to The Guest Experience, Nathan brings his skills to Mensch and Mejicanos, with the goal of successfully opening multiple profitable restaurants with the group.

Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	0.6 - 1.1% ²
Payment Deadline	2031-12-31
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.5 x 1.4 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	4.07%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 0.6% and a maximum rate of 1.1% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$40,000	0.6%
\$47,500	0.7%
\$55,000	0.9%
\$62,500	1.0%
\$70,000	1.1%

³ To reward early participation, the investors who contribute the first \$50,000.0 raised in the offering will receive a 1.5x cap. Investors who contribute after \$50,000.0 has been raised in the offering will receive a 1.4x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Adam Rosenblum	47.5%
Elmer Mejicanos	47.5%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 4.5% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.
