### CHURCHILL DOWNS INCORPORATED REPORTS FIRST QUARTER RESULTS

**LOUISVILLE, Ky. (May 7, 2002)** – Churchill Downs Incorporated (Nasdaq: CHDN) (“CDI”) today

reported a loss for the first quarter ended March 31, 2002, that was better than guidance previously provided by the Company.

Net revenues were \$31.0 million, down two percent compared with \$31.7 million for the same period the year prior. CDI reported a net loss of \$12.0 million, or 92 cents per share, compared with a net loss of \$11.0 million, or 84 cents per share, in the first quarter of 2001.

The increase in net loss year-over-year was a function primarily of higher insurance costs and lobbying efforts in Kentucky and Indiana. CDI historically does not generate a profit for the first quarter because it conducts virtually no live racing at any of its racetracks during the period.

Thomas H. Meeker, CDI's president and chief executive officer, said, "With the exception of two days of Thoroughbred racing at Calder Race Course, we did not conduct any live racing during the first quarter. The lower revenues compared to a year ago were principally due to 19 fewer days of live racing at Hoosier Park. We also have outsourced our food and beverage operation at Hollywood Park, resulting in lower gross revenues. With the absence of significant racing revenues in the first quarter, we continue to focus on 'best practices' efforts in expense management to curtail our loss for the period.

"A highlight of the first quarter was the creation of a new internal operating unit, Churchill Downs Simulcast Network ("CDSN"), to ensure that we are capitalizing fully on our position as the premier provider of live racing-related content," continued Meeker. "The unit will focus exclusively on national and global simulcast and in-home wagering opportunities, as well as oversee the marketing, sales, operations and data support related to Company-owned racing content. CDSN was initially created as a branded product in 1999, designed to increase the off-track distribution of CDI's simulcast signal. The new CDSN operating unit expands on this original goal by targeting new opportunities in emerging domestic and international markets."

Meeker added, "Looking at the remainder of 2002, we are encouraged by the results of the Kentucky Derby weekend that included a 14.5-percent increase in total wagering on the 11-race Derby card on Saturday and a 15.4-percent increase in total wagering on the Kentucky Oaks

10-race card on Friday. Initial results from our other tracks are also positive, but it is early in our racing season to support a definitive forecast, especially considering the uncertainty that still surrounds the general economy.

"As expected, we are incurring substantial increases in insurance costs," continued Meeker. "At present, we anticipate earnings for the second quarter will range from \$1.66 to \$1.71 per diluted share. That would equal or slightly exceed the \$1.66 per diluted share in the year-earlier period and result in a year-to-year gain in earnings at mid-year. Our guidance for earnings for the full year remains at \$1.77 to \$1.87 per diluted share, compared to \$1.67 per share in 2001. However, because of the higher expenses and the limited live racetrack experience to date, we are more comfortable at this time with the lower end of that guidance."

A conference call regarding this release is scheduled for Wednesday, May 8, at 9 a.m. (EDT). Investors and other interested parties may listen to the teleconference by accessing the online, real-time Web cast and broadcast of the call at [www.churchilldownsincorporated.com](http://www.churchilldownsincorporated.com) or [www.companyboardroom.com](http://www.companyboardroom.com), or by calling (913) 981-5510 at least 10 minutes before the appointed time. Churchill Downs Incorporated, headquartered in Louisville, Ky., owns and operates world-renowned horse racing venues throughout the United States. The Company's racetracks in California, Florida, Illinois, Indiana and Kentucky host 112 graded-stakes events and many of North America's most prestigious races, including the Kentucky Derby and Kentucky Oaks, Hollywood Gold Cup and Arlington Million. CDI also owns off-track betting facilities and has interests in various television production, telecommunications and racing services companies that support CDI's network of simulcasting and racing operations.
