Risks Relating to our Management Team, page 74

1. We note your disclosure on page 12 and elsewhere that in order to facilitate the initial business combination or for any other reason determined by your sponsor in its sole discretion, your sponsor may surrender or forfeit, transfer, or exchange founder shares, private placement warrants or any of its other securities, including for no consideration, as well as subject any such securities to earn-outs or other restrictions, or otherwise amend the terms of any such securities or enter into any other arrangements with respect to any such securities. Please add risk factor disclosure about risks that may arise from the sponsor having the ability to remove itself as your sponsor before identifying a business combination, including through the unconditional ability to transfer the founder shares or otherwise.

2. We note your response to prior comment 3 and your revised disclosure on pages 84 and 165. Please confirm that you will make investors aware that the exclusive forum provision in the warrant agreement filed as Exhibit 4.4 applies to Securities Act but not Exchange Act claims in future filings.

3. We acknowledge your revision in response to prior comment 4. Please elaborate on why based on the existing relationships of your sponsor, directors and officers, their level of financial investment in you and the potential loss of such investment if no business combination is consummated, you do not believe the fiduciary duties or contractual obligations of your sponsor, officers, or directors will materially affect your ability to complete an initial business combination.
