stacysnyderla 🥳 We pulled off an amazing launch party for our next horror feature, [Regression](#). [@melissa\\_makes\\_movies](#) is our inspired writer/director, I'm acting in it and producing it alongside [@bryanricke](#). Thank you to those who came out to our launch party, the genuine enthusiasm for what we have created has fueled us even more. We dropped a sneak peek of our teaser, raffled a Past Life Regression Hypnotherapy session, and launched our "testing the waters" phase of our investment campaign. Learn more about our campaign- link in bio! [#horrorfilm](#) [#filminvestors](#) [#womeninfilmm](#) [#womeninhorror](#)

We are 'testing the waters' to gauge investor
