Bryan Ricke

Filmmaker, Cinematographer, Editor, and Sound Editor working in
Narrative and Commercial Production
Burbank, California, United States

Summary

Looking Glass Media is owned and operated by Bryan Ricke. Bryan has over 15 years of experience in production from branded content, to news production, to feature films. Bryan received a Masters degree in Communication from Clemson and a Bachelors degree in Marketing from University of Florida. He is an award-winning cinematographer, director, and writer.

Through his years in Los Angeles, Bryan has cultivated a hand-selected team of talented people to create commercials, shorts, and feature films. Looking Glass Media brings this network, experience, and expertise to each and every project. We are excited to turn your ideas into reality.

Looking Glass Media

Founder

January 2010 - Present (14 years 5 months)

Looking Glass Media develops affordable and professional commercials, social media content and/or corporate videos for small or medium businesses. We offer a wide range of video production services to show off your brand.

Take the guess work out of content and social media, and allow us to support your company growth!

California State University, Los Angeles

WorkAbility Program Coordinator, Office of Students with Disabilities

May 2011 - May 2021 (10 years 1 month)

Greater Los Angeles Area

I managed the WorkAbility program with day-to-day functions and specialize as the point-of-contact for incoming participants. We have increased the number of qualified, interested applicants to the program through traditional marketing and through the cultivation of a network of academic professionals to refer students to the program. The WorkAbility program helps CSULA graduates with disabilities make the successful transition from academics to employment.
