Taffeta White

COO | Founder, Melanin Haircare & Owner Operator, TW Consulting
Brookline, Massachusetts, United States

Summary

Primary duties as Chief Operating Officer of Melanin Haircare include ensuring compliance with industry regulations, determining and delegating action plans to facilitate the completion of operational tasks, and metrics/analytics analysis and adjustments.

Additionally, as Owner Operator of TW Consulting, I specialize in helping E-commerce and similarly situated small businesses and sole practitioners analyze the various issues that impact profitability, work through business negotiations, and plot growth trajectories.
