

Hi xxx,

I'm xxx, one of the producers of the feature film *Her Song*. I'm contacting you because I saw that you invested in movies on the WeFunder platform (**or personal note**) and I think you might be interested in our project. The film is a comedy-drama set in the south of France. We're opening a funding round and would love to have you join it as an early investor before we launch the page publicly!

We're very lucky to have on our team:

- Oscar-winner James Ivory as our Executive Producer
- Bollywood Star Kalki Koechlin in one of our lead roles
- Eric Gruendemann, producer of the groundbreaking TV series *Xena, Warrior Princess* as our second Executive Producer
- Acclaimed American actor Zach Grenier (*Fight Club*, *The Good Wife*, *She Said...*) in one of our supporting roles

Let me tell you a little bit about the film. *Her Song* is a comedy-drama set in the south of France. Olivia, a Franco-American author returns to her ancestral village in the south of France to write the story of her grandmother. There, she becomes enchanted by a local French woman, Madeline, who soon becomes the face of her new novel.

You can learn more about *Her Song* on our Wefunder page: <https://wefunder.com/hersongfeaturefilm>

The Times of India also just published an article about us: [Kalki Koechlin to play American writer in John Keller's 'Her Song'](#)

Here are the investment terms:

Investors will be "Made Whole + 20%" from first monies back ("Adjusted Gross Proceeds") to LLC. If the investment is equal or superior to \$75,000, Investors will be "Made Whole + 25%". Thereafter, all Investors will receive their share of 30% of "Net Profits."

Let me know if you have any questions or if you want to chat, it would be a pleasure!

Best,

Eléa Clair.
