CaroTrans
33 years
President & CEO (2004–2017)
2004 - 2017 (13 years)
Clark, NJ

With more than three decades of experience in national and global expansion, developed an industry reputation as a growth leader. Balanced CaroTrans' influence across the globe serving the shipping community in North & South America, Australia & New Zealand, Europe, the Middle East & Africa, and Asia.

About:

CaroTrans is a global NVOCC and ocean freight consolidator. Import and export ocean transportation services including LCL, FCL, breakbulk, out-of-gauge and project cargo. These services cover port-to-port and door-to-door delivery. In the U.S., offers an extensive network of CFS receiving stations located throughout the country. Customers benefit from overall reductions in transportation costs, improved transit times, and the immediate availability of local, professional staff.
