About:

Tessier Winery LLC (DBA Tessier Winery) is the result of founder Kristie Tacey's passion for the art and science of winemaking. As a former published research scientist who studied protein pathways, Kristie moved to the San Francisco Bay Area from her native Michigan to pursue a career in biotechnology. Kristie eventually came to realize that winemaking was her true calling and after working as operations manager and assistant winemaker at an award-winning East Bay winery, she started Tessier Winery in 2009.
