

Breybourne, Inc. (the “Company”) an Illinois Corporation

Statement of Financial Position (Audited) and
Independent Auditor’s Report

As of inception – May 30, 2024

INDEPENDENT AUDITOR'S REPORT

To Management
Breybourne, Inc.

We have audited the accompanying statement of financial position of Breybourne, Inc. as of its inception on May 30, 2024. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that our audits provide a reasonable basis for our opinion. In our opinion, the financial statements referred to above, present fairly, in all material respects, the financial position of Breybourne, Inc. as of its inception on May 30, 2024 in conformity with accounting principles generally accepted in the United States of America.

Emphasis of Matter Regarding Going Concern

As discussed in Note 7, certain conditions indicate substantial doubt that the Company will be able to continue as a going concern. The accompanying financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern. Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs. Our opinion is not modified with respect to this matter.

NOTE 1 – ORGANIZATION AND NATURE OF ACTIVITIES

Breybourne, LLC. ("the Company" or "Our" or "We") was formed in Illinois on May 15, 2024, and converted to Breybourne, Inc. May 30, 2024. The company plans to acquire Sports and Entertainment properties and rights. The company headquarters is in Oswego, IL. The company's customers will be initially located in the United States.

The Company will conduct a crowdfunding campaign under regulation CF in 2024 to raise capital for acquisition of companies, assets, construction and other business activities.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Our financial statements are prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). Our fiscal year ends on December 31. The Company has no interest in variable interest entities and no predecessor entities.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Fair Value of Financial Instruments

ASC 820 "*Fair Value Measurements and Disclosures*" establishes a three-tier fair value hierarchy, which prioritizes the inputs in measuring fair value. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

These tiers include:

Level 1: defined as observable inputs such as quoted prices in active markets;

Level 2: defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and

Level 3: defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Concentrations of Credit Risks

The Company's financial instruments that are exposed to concentrations of credit risk primarily consist of its cash and cash equivalents. The Company places its cash and cash equivalents with financial institutions of high credit worthiness. The Company's management plans to assess the financial strength and credit worthiness of any parties to which it extends funds, and as such, it believes that any associated credit risk exposures are limited.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

The Company recognizes revenue from the sale of products and services in accordance with ASC 606, “Revenue Recognition” following the five steps procedure:

- Step 1: Identify the contract(s) with customers
- Step 2: Identify the performance obligations in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to performance obligations
- Step 5: Recognize Revenue When or As Performance Obligations Are Satisfied

The Company will identify and analyze its performance obligations with respect to customer contracts once the first contract is signed.

Income Taxes

The Company is subject to Corporate income and state income taxes in the state it does business. At inception, the Company did not have any financial transactions or tax burden.

Recent accounting pronouncements

The FASB issues ASUs to amend the authoritative literature in ASC. There have been a number of ASUs to date that amend the original text of ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us or (iv) are not expected to have a significant impact on our financial statements.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company follows ASC 850, “Related Party Disclosures,” for the identification of related parties and disclosure of related party transactions. No transactions require disclosure.

NOTE 4 – COMMITMENTS AND CONTINGENCIES

We are currently not involved with or know of any pending or threatening litigation against the Company or any of its officers. Further, the Company is currently complying with all relevant laws and regulations.

NOTE 5 – EQUITY

The Company has authorized 1,000 of common shares with a par value of \$1 per share. 1,000 shares were issued and outstanding as of May 30th, 2024.

Common stockholders are entitled to one vote and can receive dividends at the discretion of the boards of directors.

NOTE 6 – SUBSEQUENT EVENTS

The Company has evaluated events subsequent to May 30th, 2024 to assess the need for potential recognition or disclosure in this report. Such events were evaluated through July 12, 2024, the date these financial statements were available to be issued.

The Company is in the process of acquiring control of Chakra360, LLC.

NOTE 7 – GOING CONCERN

The accompanying balance sheet has been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The entity has not commenced principal operations and will likely realize losses prior to generating positive working capital for an unknown period of time. The Company's ability to continue as a going concern in the next twelve months following the date the financial statements were available to be issued is dependent upon its ability to produce revenues and/or obtain financing sufficient to meet current and future obligations and deploy such to produce profitable operating results. Management has evaluated these conditions and plans to generate revenues and raise capital as needed to satisfy its capital needs. No assurance can be given that the Company will be successful in these efforts. These factors, among others, raise substantial doubt about the ability of the Company to continue as a going concern for a reasonable period of time.
