# Joseph Malcarne

Energy-Smart Consulting| Residential and Commercial Contractor|  
President at Malcarne Contracting Inc  
Staatsburg, New York, United States

## Summary

Residential and commercial construction has been my passion for over 25 years.

I personally enjoy working on challenging projects, the one that are rejected by others and solving problems that most can't figure out. I have numerous certifications in the construction and energy fields. For a complete listing visit [www.malcarne.com](http://www.malcarne.com)

---

## Experience

### Malcarne Contracting Inc

#### President

April 1996 - Present (28 years 5 months)

Find talented and capable people to lead each of the divisions of the company.

Work with division leaders on a regular basis on accomplishing goals by discovering obstacles, finding solutions and implementing them.

As a leader I make myself available to employees to ensure they are happy and enjoy their working environment. I also make myself available to clients to ensure Malcarne Contracting is providing the services they expect.
