New Deposit Accounts Opened

Service Charge Income Growth

In thousands

Growth from 1Q05 to 1Q06 = 54.22%.

Key Investor Messages

- Increased dividend in February 2006.
- Dividend yield of 3.6%.
- Announced new 1 million share repurchase authorization.
 - Repurchased approximately 1.4 million share in 2005.
- Tangible capital after balance sheet reduction supportive of additional share repurchases.
- Added \$900M of assets and 14 offices in strategic markets over last two years.
- Balance sheet restructuring to reduce interest rate sensitivity to higher rates.
- Customer satisfaction and other retail initiatives, including “Free Checking Campaign.”
- Wealth and Trust management growth.
 - Assets under management \$2.9 billion at 3/31/06 compared to \$2.6 billion at 12/31/05.

Key Investor Messages

- Cost control and FTE reduction.
 - Reduction of 193 FTE's in one year.
- Service charge income and alternative fee income growth.
 - New overdraft product.
 - Growth in securities / insurance product lines.
- Focus on credit quality “instead of growth for growth's sake.”
 - Sale or exit of lower profitability / higher risk loans – over \$120 million in the past year.
 - Focus on loan spreads.
 - Focus on commercial loan growth – adding resources and technology.
- Branch optimization – Closure/sale of low growth branches while opening new offices in higher growth areas and consolidating existing locations to improve efficiency.

Forward-looking Disclosure

Forward-looking statements in this presentation relating to WesBanco's plans, strategies, objectives, expectations, intentions and adequacy of resources, are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. The information contained in this presentation should be read in conjunction with WesBanco's 2005 Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC"), which is available at the SEC's website www.sec.gov or at WesBanco's website, www.wesbanco.com. Investors are cautioned that forward-looking statements, which are not historical fact, involve risks and uncertainties, including those detailed in WesBanco's 2005 Annual Report on Form 10-K and 1st quarter 2006 Form 10-Q filed with the SEC under the section "Risk Factors". Such statements are subject to important factors that could cause actual results to differ materially from those contemplated by such statements, including without limitation, the effects of changing regional and national economic conditions; changes in interest rates, spreads on earning assets and interest-bearing liabilities, and associated interest rate sensitivity; sources of liquidity available to WesBanco and its related subsidiary operations; potential future credit losses and the credit risk of commercial, real estate, and consumer loan customers and their borrowing activities; actions of the Federal Reserve Board, Federal Deposit Insurance Corporation, the SEC, the National Association of Securities Dealers and other regulatory bodies; potential legislative and federal and state regulatory actions and reform adverse decisions of federal and state courts; competitive conditions in the financial services industry; rapidly changing technology affecting financial services and/or other external developments materially impacting WesBanco's operational and financial performance. WesBanco does not assume any duty to update forward-looking statements.
