Recognition:

S.O.S.A.B. LLC (DBA Precision Wellness) provides quality medical testing and concierge lab services. With numerous laboratory service agreements and national partnership accounts, they can subsidize basic preventative health screenings for lifestyle diseases like diabetes, cancer, stroke, and heart disease. They also support care navigation for hereditary conditions (genomics). Their software solutions utilize clinical decision support with community health coaches. They can guide quality documentation, proper utilization, and health care delivery for managed care groups.

About:

S.O.S.A.B. LLC (DBA Precision Wellness) was founded by Shenita-Ann Grymes, a certified holistic health coach passionate about serving the minority and medically underserved community.
