# Christina Bui

Retained Search Executive, Board Director, Advisor, Investor  
San Francisco, California, United States

## Summary

Christina Bui is Managing Director of Robert Half's (NYSE: RHI) Retained Executive Search practice group, which has the resources and benefits of a \$6 Billion parent company with operations in more than 400 locations worldwide, yet the personalized attention of a boutique firm. The Executive Search team specializes in finding talented leaders in the areas of Finance & Accounting, Information Technology, Human Resources, Sales & Marketing, Legal, and Operations across all industries. For the 8th year in a row, Robert Half Executive Search was listed as a top-ranked Executive Search firm on the Forbes® list of "America's Best Executive Search Firms."

Based in the San Francisco Bay Area, Christina is a strategic advisor and business development executive with more than 30 years of experience in a variety of industries, including technology, healthcare, engineering, construction, management consulting, private equity and venture capital. She serves on the Board of Son Foods, and Advisor to Onsky Health, Enterprise Purchasing Group, Ryvid, Wynn's Kitchen, and Fleurissant Skincare.

In 2023, Christina returned to Robert Half after holding a variety of roles at the company between 2010 and 2017, including Director, CFO Services and Vice President of Client Solutions. Most recently she served as Co-Founder and Managing Partner of Cailan Ventures, a premier venture studio based in the San Francisco Bay Area and Chief Revenue Officer at Kranz Consulting, which serves venture capital funds and their portfolio companies.

A refugee of Vietnam's Fall of Saigon, Christina believes in giving back to the community. She serves on the Johns Hopkins Carey Business School Advisory Board, Fulbright University Vietnam Global Advisory Board, Executive Board of How Women Lead, Advisor of How Women Invest Fund, Board Member of the Association for Corporate Growth, Founder of Vietnamese Leaders

Forum, and Advisory Council Member of Asian Pacific Fund and CFO Leadership Council.

Christina holds a bachelor's degree in international relations and French from University of Virginia and a master's degree in corporate finance from Johns Hopkins University. She was awarded "Most Influential Women in Business" in 2016 and 2017 by the San Francisco Business Times. Christina has Co-Chaired the Association for Corporate Growth's M&A West Coast Conference twelve years in a row from 2012-2024.

The company's SkyPad and DreamBe solutions combine the proprietary and patent-pending Contactless Health Sensor Technology with advanced AI and Machine Learning that can sense heart rate, breathing, sleep cycles, body temperature and more without skin contact. Our mission is to assist caregivers and healthcare providers to deliver optimized and informed care virtually anytime and anywhere.

## How Women Invest

### Limited Partner and Operating Advisor

April 2020 - Present (4 years 7 months)

San Francisco Bay Area

How Women Invest is an early-stage venture firm seeking to realize untapped economic potential by focusing on the intersection of female founders and female investors. Only 2% of companies founded by women get venture backing, though 40% of companies were founded by women, and they generate 26% greater return than those founded by men. Together, with sister organization How Women Lead, a professional network of 14,000 women, we see female founders as a force to be reckoned with and work to create ecosystem change by investing in and amplifying female-led and female-majority owned companies with venture capital and mentoring resources. To learn more about the firm: [www.howwomeninvest.com](http://www.howwomeninvest.com) and [info@howwomeninvest.com](mailto:info@howwomeninvest.com).

## Ryvid Inc.

### Advisor
