Hey Mr. [REDACTED]

Happy Monday! I hope your week is off to a good start!

I'm a filmmaker working on "We Could Be Heroes," a fast-paced crime comedy about a young, diverse gamer girl whose console is mysteriously stolen, and speaks to the concepts of family and sticking together while we follow her journey.

This film is a commercial gamer-centric story made with a lean budget to maximize the potential return, and we've recently secured a star name actor and are bringing on support via the equity crowdfunding platform [WeFunder](#). (We have a lot of great perks and support levels, and entertainment projects can be a tax write off)

A little bit about me:

- 20+ years of experience in the industry, including a main cast member in two seasons of the FOX hit show 9-1-1 Lone Star.
- Shared the screen with Lisa Kudrow, Timothy Olphant, Walton Goggins, Angela Bassett, Rob Lowe, Liv Tyler, Octavia Spencer.
- My first two films were made with crowdfunding donations ([Golden Boy](#), three film festival awards, and [Boy Makes Girl](#), seven film festival awards) and this is a more ambitious story with a larger scope.
- My following project with some financing already attached tackles mental health in a unique and enlightening way.

If you have any questions I'm happy to jump on a zoom!

Sincerely,

Mark Elias
