John Visciano

Founder at THE JADE HOUSE PROJECT | Addiction Counseling, Substance Use Disorders

Palm Beach Gardens, Florida, United States

Summary

With over four years of experience in addiction counseling, most recently as Founder of Jade House Recovery, this professional has contributed to creating innovative recovery solutions tailored for individuals facing substance use challenges. Their prior role as Primary Therapist at Ebb Tide Treatment Center further honed their skills in counseling and substance use disorder management. Excelling in start-up ventures and deeply motivated by the mission of supporting healthier lives, they bring a collaborative approach to fostering impactful recovery programs. Focused on empowering individuals and teams, they aim to advance inclusive and effective mental health strategies.
