Form 10-K for Fiscal Year Ended December 31, 2023

Segment Results, page 33

1. We note your disclosure of “underlying loss ratio” and “underlying combined ratio” on page 33, which are presented as “loss ratio excluding catastrophes and development” and “combined ratio excluding catastrophes and development,” respectively, in the tables on pages 36, 38, and 40. Please tell us how you determined that these ratios do not constitute non-GAAP financial measures considering these measures exclude the impact of catastrophe losses and development-related items. Refer to Rule 101(a) of Regulation G and Question 100.05 of the Division of Corporation Finance's C&DI on Non-GAAP Financial Measures. Please revise future filings as applicable, also ensuring consistent use of terminology.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
