Dear Ms. Stevenson:

We have reviewed your filing and have the following comments. We have limited our review to Item 4.01 of the above-referenced filing. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filings. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to contact us at the telephone numbers listed at the end of this letter.

3. Please disclose the date that you actually engaged Seale and Beers, CPAs as opposed to the effective date that you determined to engage the firm. Refer to paragraph (a)(2) of Item 304 of Regulation S-K.
4. Please revise the third paragraph to state whether the reports of Moore & Associates, Chartered on the financial statements for either of the past two years contained an adverse opinion or a disclaimer of opinion, or were qualified or modified as to uncertainty, audit scope or accounting principles; and also describe the nature of each such adverse opinion, disclaimer of opinion, modification, or qualification. This would include the reports issued for the years ended December 31, 2008 and December 31, 2007. Refer to paragraph (a)(1)(ii) of Item 304 of Regulation S-K.
5. Please note that you are required to file a letter from the former accountant stating whether the firm agrees with the statements made in an amendment to the filing in response to our comments and, if not, stating the respects in which the firm does not agree. Refer to Items 304(a)(3) and 601(b)(16) of Regulation S-K. If you are unable to obtain a letter from Moore and Associates regarding the amendment, please disclose this fact in your amendment.
6. Please revise your disclosure regarding the period during which there was no consultation with Seale and Beers. This period should include the two most recent years and the subsequent interim period through the date of engagement. Refer to paragraph (a)(2) of Item 304 of Regulation S-K.

As appropriate, please amend your filing and respond to these comments within five business days or tell us when you will respond. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information as an EDGAR correspondence file. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings to be certain that the filings include all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

- the company is responsible for the adequacy and accuracy of the disclosures in the filing;

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.
