To the Dealers appointed
from time to time pursuant to a
Terms Agreement or Appointment Agreement
under the Global Debt Program of the
Inter-American Development Bank

Ladies and Gentlemen:

I have participated in the proceedings of the Inter-American Development Bank (the "Bank") to establish the Global Debt Program of the Bank, as it may be amended, restated, or superseded from time to time (the "Program"), and to authorize the issue and sale of Notes thereunder (the "Notes") with reference to a Prospectus dated January 8, 2001 (as supplemented and amended from time to time, the "Prospectus"). In connection with such proceedings, I have examined, among other documents, the following:

- 1) The Agreement Establishing the Inter-American Development Bank (the "Bank Agreement") and the By-Laws of the Bank;
- 2) The Global Borrowing Authorization, Resolution DE-5/16, authorizing the issuance and sale of the Notes;
- 3) The Prospectus;
- 4) The Standard Provisions, dated as of January 8, 2001 (the "Standard Provisions");
- 5) The Global Agency Agreement, dated January 8, 2001, as amended, among the Bank, Kredietbank S.A. Luxembourgeoise, and Citibank, N.A. (the "Global Agency Agreement"); and
- 6) The Uniform Fiscal Agency Agreement, dated as of July 20, 2006, as amended, between the Bank and the Federal Reserve Bank of New York (the "FRBNY Fiscal Agency Agreement").

Pursuant to Section 5(e)(ii) of the Standard Provisions, I am of the opinion that:

- a) The Bank is an international organization duly established and existing under the Bank Agreement;

- b) The Bank has obtained all governmental approvals required pursuant to the Bank Agreement in connection with the offering, issue and sale of the Notes;
- c) The creation, issue, sale and delivery of the Notes, and the execution of any Notes in definitive form, have been duly authorized, and when duly issued and delivered, and in the case of Notes in definitive form, duly executed, authenticated, issued and delivered, the Notes will constitute valid and legally binding obligations of the Bank in accordance with their terms;
- d) Any applicable Terms Agreement or Appointment Agreement, as the case may be, as of its date, will be duly authorized, executed and delivered by the Bank;
- e) Each of the Global Agency Agreement, and the FRBNY Fiscal Agency Agreement has been duly authorized, executed and delivered by the Bank and constitutes a valid and legally binding obligation of the Bank;
- f) Under existing law, it is not necessary in connection with the public offering and sale of the Notes to register the Notes under the U.S. Securities Act of 1933, as amended, or to qualify an indenture with respect thereto under the U.S. Trust Indenture Act of 1939, as amended.

While I assume no responsibility with respect to the statements in the Prospectus, nothing has come to my attention which has caused me to believe that the Prospectus, as of its date and as of the date hereof, and excluding the financial statements or other financial data, contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

This letter does not relate to the financial statements or other financial data contained in the Prospectus.

In rendering the foregoing opinion, I have relied, with respect to matters of New York law, upon the opinion of Sullivan & Cromwell LLP and, with respect to matters of English law, upon the opinion of Linklaters LLP, each delivered on this date in accordance with the Standard Provisions. Also, I have assumed that signatures on all documents examined by me are genuine.

This letter is furnished by me as Chief Counsel (Corporate Legal Affairs Division) of the Bank to Dealers appointed from time to time under the Program and is solely for their benefit.

Very truly yours,

Alessandro Macri
Chief Counsel
Corporate Legal Affairs Division

“3-Month USD-LIBOR-BBA” means the rate for deposits in USD for a period of 3 months which appears on Reuters Screen LIBOR01 (or such other page that may replace that page on that service or a successor service) as of the Relevant Time on the Interest Determination Date;

“Relevant Time” means 11:00 a.m., London time;

“Interest Determination Date” means the second London Banking Day prior to the first day of the relevant Interest Period; and

“London Banking Day” means a day on which commercial banks are open for general business, including dealings in foreign exchange and foreign currency deposits, in London.

If such rate does not appear on Reuters Screen LIBOR01 (or such other page that may replace that page on that service or a successor service) at the Relevant Time on the Interest Determination Date, then the rate for 3-Month USD-LIBOR-BBA shall be determined on the basis of the rates at which deposits in USD are offered at the Relevant Time on the Interest Determination Date by five major banks in the London interbank market (the “Reference Banks”) as selected by the Calculation Agent, to prime banks in the London interbank market for a period of 3 months commencing on the first day of the relevant Interest Period and in an amount that is representative for a single transaction in the London interbank market at the Relevant Time. The Calculation Agent will request the principal London office of each of the Reference Banks to provide a quotation of its rate.

If at least two such quotations are provided, the rate for 3-Month USD-LIBOR-BBA shall be the arithmetic mean of such quotations. If fewer than two quotations are provided as requested, the rate for 3-Month USD-LIBOR-BBA shall be the

arithmetic mean of the rates quoted by major banks in New York City, selected by the Calculation Agent, at approximately 11:00 a.m., New York City time, on the first day of the relevant Interest Period for loans in USD to leading European banks for a period of 3 months commencing on the first day of the relevant Interest Period and in an amount that is representative for a single transaction in the London interbank market at such time.

If no quotation is available or if the Calculation Agent determines in its sole discretion that there is no suitable bank that is prepared to provide the quotes, the Calculation Agent will determine the rate for 3-Month USD-LIBOR-BBA for the Interest Determination Date in question in a manner that it deems commercially reasonable by reference to such additional resources as it deems appropriate.

General Information

Additional Information Regarding the Notes

1. Matters relating to MiFID II

The Bank does not fall under the scope of application of the MiFID II regime. Consequently, the Bank does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II.

MiFID II product governance / Retail investors, professional investors and ECPs target market – Solely for the purposes of the manufacturers’ product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression MiFID II means Directive 2014/65/EU, as amended.

2. United States Federal Income Tax Matters

The following supplements the discussion under the “Tax Matters” section of the Prospectus regarding the U.S. federal income tax treatment of the Notes, and is subject to the limitations and exceptions set forth therein. Any tax disclosure in the Prospectus or this pricing supplement is of a general nature only, is not exhaustive of all possible tax considerations and is not intended to be, and should not be construed to be, legal, business or tax advice to any particular prospective investor. Each prospective investor should consult its own tax advisor as to the particular tax consequences to it of the acquisition, ownership, and disposition of the Notes, including the effects of applicable U.S. federal, state, and local tax laws and non-U.S. tax laws and possible changes in tax laws.

Due to a change in law since the date of the Prospectus, the second paragraph of “— Payments of Interest” under the “United States Holders” section should be updated to read as follows: “Interest paid by the Bank on the Notes constitutes income from sources outside the United States and will generally be “passive” income for purposes of computing the foreign tax credit.”

The Notes should be treated as variable rate debt instruments that are issued without original issue discount. A United States holder will generally be taxed on interest on the Notes as ordinary income at the time such holder receives the interest or when it accrues, depending on the holder’s method of accounting for tax purposes. Upon the sale or maturity of the Notes, a United States holder should generally recognize gain or loss equal to the difference between the amount realized by such holder, excluding any amounts attributable to accrued but unpaid interest (which will be treated as interest payments), and such holder’s tax basis in the Notes. Such gain or loss generally should be capital gain or loss and should be treated as long-term capital gain or loss to the extent the United States holder has held the Notes for more than one year. Long-term capital gain of individual taxpayers may be eligible for reduced rates of taxation. The deductibility of capital loss is subject to significant limitations.

Information with Respect to Foreign Financial Assets. Owners of “specified foreign financial assets” with an aggregate value in excess of U.S.\$50,000 (and in some circumstances, a higher threshold) may be required to file an information report with respect to such assets with their tax returns. “Specified foreign financial assets” may include financial accounts maintained by foreign financial institutions, as well as the following, but only if they are held for investment and not held in accounts maintained by financial institutions: (i) stocks and securities issued by non-United States persons, (ii) financial instruments and contracts that have non-United States issuers or counterparties, and (iii) interests in foreign entities. Holders are urged to consult their tax advisors regarding the application of this reporting requirement to their ownership of the Notes.

Medicare Tax. A United States holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, is subject to a 3.8% tax (the “Medicare tax”) on the lesser of (1) the United States holder’s “net investment income” (or “undistributed net investment income” in the case of an estate or trust) for the relevant taxable year and (2) the excess of the United States holder’s modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between U.S.\$125,000 and U.S.\$250,000, depending on the individual’s circumstances). A holder’s net investment income will generally include its interest income and its net gains from the disposition of Notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). United States holders that are individuals, estates or trusts are urged to consult their tax advisors regarding the applicability of the Medicare tax to their income and gains in respect of their investment in the Notes.

To the Dealers appointed
from time to time pursuant to a
Terms Agreement or Appointment Agreement
under the Global Debt Program of the
Inter-American Development Bank

Ladies and Gentlemen:

I have participated in the proceedings of the Inter-American Development Bank (the "Bank") to establish the Global Debt Program of the Bank, as it may be amended, restated, or superseded from time to time (the "Program"), and to authorize the issue and sale of Notes thereunder (the "Notes") with reference to a Prospectus dated January 8, 2001 (as supplemented and amended from time to time, the "Prospectus"). In connection with such proceedings, I have examined, among other documents, the following:

- 1) The Agreement Establishing the Inter-American Development Bank (the "Bank Agreement") and the By-Laws of the Bank;
- 2) The Global Borrowing Authorization, Resolution DE-5/16, authorizing the issuance and sale of the Notes;
- 3) The Prospectus;
- 4) The Standard Provisions, dated as of January 8, 2001 (the "Standard Provisions");
- 5) The Global Agency Agreement, dated January 8, 2001, as amended, among the Bank, Kredietbank S.A. Luxembourgeoise, and Citibank, N.A. (the "Global Agency Agreement"); and
- 6) The Uniform Fiscal Agency Agreement, dated as of July 20, 2006, as amended, between the Bank and the Federal Reserve Bank of New York (the "FRBNY Fiscal Agency Agreement").

Pursuant to Section 5(e)(ii) of the Standard Provisions, I am of the opinion that:

- a) The Bank is an international organization duly established and existing under the Bank Agreement;

- b) The Bank has obtained all governmental approvals required pursuant to the Bank Agreement in connection with the offering, issue and sale of the Notes;
- c) The creation, issue, sale and delivery of the Notes, and the execution of any Notes in definitive form, have been duly authorized, and when duly issued and delivered, and in the case of Notes in definitive form, duly executed, authenticated, issued and delivered, the Notes will constitute valid and legally binding obligations of the Bank in accordance with their terms;
- d) Any applicable Terms Agreement or Appointment Agreement, as the case may be, as of its date, will be duly authorized, executed and delivered by the Bank;
- e) Each of the Global Agency Agreement, and the FRBNY Fiscal Agency Agreement has been duly authorized, executed and delivered by the Bank and constitutes a valid and legally binding obligation of the Bank;
- f) Under existing law, it is not necessary in connection with the public offering and sale of the Notes to register the Notes under the U.S. Securities Act of 1933, as amended, or to qualify an indenture with respect thereto under the U.S. Trust Indenture Act of 1939, as amended.

While I assume no responsibility with respect to the statements in the Prospectus, nothing has come to my attention which has caused me to believe that the Prospectus, as of its date and as of the date hereof, and excluding the financial statements or other financial data, contains any untrue statement of a material fact or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

This letter does not relate to the financial statements or other financial data contained in the Prospectus.

In rendering the foregoing opinion, I have relied, with respect to matters of New York law, upon the opinion of Sullivan & Cromwell LLP and, with respect to matters of English law, upon the opinion of Linklaters LLP, each delivered on this date in accordance with the Standard Provisions. Also, I have assumed that signatures on all documents examined by me are genuine.

This letter is furnished by me as Chief Counsel (Corporate Legal Affairs Division) of the Bank to Dealers appointed from time to time under the Program and is solely for their benefit.

Very truly yours,

If no quotation is available or if the Calculation Agent determines in its sole discretion that there is no suitable bank that is prepared to provide the quotes, the Calculation Agent will determine the rate for 3-Month USD-LIBOR-BBA for the Interest Determination Date in question in a manner that it deems commercially reasonable by reference to such additional resources as it deems appropriate.

General Information

Additional Information Regarding the Notes

1. Matters relating to MiFID II

The Bank does not fall under the scope of application of the MiFID II regime. Consequently, the Bank does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II.

MiFID II product governance / Retail investors, professional investors and ECPs target market – Solely for the purposes of the manufacturers’ product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression MiFID II means Directive 2014/65/EU, as amended.

2. United States Federal Income Tax Matters

The following supplements the discussion under the “Tax Matters” section of the Prospectus regarding the U.S. federal income tax treatment of the Notes, and is subject to the limitations and exceptions set forth therein. Any tax disclosure in the Prospectus or this pricing supplement is of a general nature only, is not exhaustive of all possible tax considerations and is not intended to be, and should not be construed to be, legal, business or tax advice to any particular prospective investor. Each prospective investor should consult its own tax advisor as to the particular tax consequences to it of the acquisition, ownership, and disposition of the Notes, including the effects of applicable U.S. federal, state, and local tax laws and non-U.S. tax laws and possible changes in tax laws.

Due to a change in law since the date of the Prospectus, the second paragraph of “— Payments of Interest” under the “United States Holders” section should be updated to read as follows: “Interest paid by the Bank on the Notes constitutes income from sources outside the United States and will generally be “passive” income for purposes of computing the foreign tax credit.”

The Notes should be treated as variable rate debt instruments that are issued without original issue discount. A United States holder will generally be taxed on interest on the Notes as ordinary income at the time such holder receives the interest or when it accrues, depending on the holder’s method of accounting for tax purposes. Upon the sale or maturity of the Notes, a United States holder should generally recognize gain or loss equal to the difference between the amount realized by such holder, excluding any amounts attributable to accrued but unpaid interest (which will be treated as interest payments), and such holder’s tax basis in the Notes. Such gain or loss generally should be capital gain or loss and should be treated as long-term capital gain or loss to the extent the United States holder has held the Notes for more than one year. Long-term capital gain of individual taxpayers may be eligible for reduced rates of taxation. The deductibility of capital loss is subject to significant limitations.

Information with Respect to Foreign Financial Assets. Owners of “specified foreign financial assets” with an aggregate value in excess of U.S.\$50,000 (and in some circumstances, a higher threshold) may be required to file an information report with respect to such assets with their tax returns. “Specified foreign financial assets” may include financial accounts maintained by foreign financial institutions, as well as the following, but only if they are held for investment and not held in accounts maintained by financial institutions: (i) stocks and securities issued by non-United States persons, (ii) financial instruments and contracts that have non-United States issuers or counterparties, and (iii) interests in foreign entities. Holders are urged to consult their tax advisors regarding the application of this reporting requirement to their ownership of the Notes.

Medicare Tax. A United States holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, is subject to a 3.8% tax (the “Medicare tax”) on the lesser of (1) the United States holder’s “net investment income” (or “undistributed net investment income” in the case of an estate or trust) for the relevant taxable year and (2) the excess of the United States holder’s modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between U.S.\$125,000 and U.S.\$250,000, depending on the individual’s circumstances). A holder’s net investment income will generally include its interest income and its net gains from the disposition of Notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). United States holders that are individuals, estates or trusts are urged to consult their tax advisors regarding the applicability of the Medicare tax to their income and gains in respect of their investment in the Notes.

In so purchasing the Notes, each of the undersigned understands and agrees that it is not acting as an agent of the Bank in the sale of the Notes.

When used herein and in the Standard Provisions as so incorporated, the term "Notes" refers to the Notes as defined herein. All other terms defined in the Prospectus, the Pricing Supplement relating to the Notes and the Standard Provisions shall have the same meaning when used herein.

The Bank represents and warrants to us that the representations, warranties and agreements of the Bank set forth in Section 2 of the Standard Provisions (with the "Prospectus" revised to read the "Prospectus as amended and supplemented with respect to Notes at the date hereof") are true and correct on the date hereof.

The obligation of each of the undersigned to purchase Notes hereunder is subject to the continued accuracy, on each date from the date hereof to and including the Settlement Date, of the Bank's representations and warranties contained in the Standard Provisions and to the Bank's performance and observance of all applicable covenants and agreements contained therein. The obligation of each of the undersigned to purchase Notes hereunder is further subject to the receipt by each of the undersigned of the documents referred to in Section 6(b) of the Standard Provisions.

financial position, and net income of the Bank, and nothing has happened or is expected to happen which would require the Prospectus to be supplemented or updated.

The Bank agrees that it will issue the Notes and the Managers named below severally and not jointly, agree to purchase the Notes at the aggregate purchase price specified above, calculated as follows: the issue price of 100.00 percent of the aggregate principal amount (USD500,000,000) less a combined management and underwriting commission and selling concession of 0.05 percent of the aggregate principal amount (USD250,000). For the avoidance of doubt, the Managers' aggregate purchase price after the above adjustment is USD499,750,000.

The respective principal amounts of the Notes that each of the Managers commits to underwrite are set forth opposite their names below:

5. Each of the undersigned acknowledges that such appointment is limited to this particular issue of Notes and is not for any other issue of Notes of the Bank pursuant to the Standard Provisions and that such appointment will terminate upon issue of the relevant Notes, but without prejudice to any rights (including, without limitation, any indemnification rights), duties or obligations of the undersigned which have arisen prior to such termination.

If a default occurs with respect to one or more of the several underwriting commitments to purchase any Notes under this Terms Agreement, Managers who have not defaulted with respect to their respective several underwriting commitments will take up and pay for, as nearly as practicable in proportion to their respective several underwriting commitments, Notes as to which such default occurred, up to but not exceeding in the aggregate 20% of the principal amount of the Notes for which the non-defaulting Managers were originally committed; provided, however, that if the aggregate principal amount of Notes as to which such default occurred exceeds 16.667% of the principal amount of the Notes, the non-defaulting Managers shall be entitled to terminate this Terms Agreement without any liability on the part of any non-defaulting Managers.
