Ladies and Gentlemen:

I have participated in the proceedings of the Inter-American Development Bank (the "Bank") to establish the Australian Medium Term Note Program of the Bank (the "Program"), as it may be amended, restated, or superseded from time to time, and to authorize the issue and sale of medium term notes thereunder (the "Program Notes") pursuant to a Dealer Agreement dated as of July 16, 1999, as amended by a letter dated as of December 18, 2009 and as it may be supplemented further or amended from time to time, between the Bank and Westpac Banking Corporation, as Arranger and Dealer (the "Dealer Agreement"), a Deed Poll dated as of July 16, 1999, as amended and restated by an Amended and Restated Deed Poll dated as of December 18, 2009 by the Bank (the "Amended and Restated Deed Poll") in favor of Program Notes holders; and a Registry Services Agreement, dated as of July 16, 1999, as amended by a letter dated as of December 18, 2009 and as it may be supplemented or amended from time to time, between the Bank and the Reserve Bank of Australia, as Registrar (the "Registry Services Agreement"). In connection with such proceedings, I have examined, among other documents, the following:

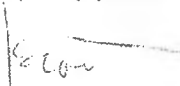

- (a) The Agreement Establishing the Inter-American Development Bank, as amended (the "Bank Agreement"), and the By-Laws of the Bank, as amended;
- (b) Global Borrowing Authorization Resolution DE-13/15, adopted by the Board of Executive Directors of the Bank on March 18, 2015, authorizing the issuance and sale of the Program Notes in such form as shall be determined by an authorized representative of the Bank (as defined therein);

obtained and all declarations and filings with governmental authorities required pursuant to the Bank Agreement have been made;

- (e) To the best of my knowledge, the Bank is not in violation of the Bank Agreement or its By-Laws, or in default under any agreement, indenture or instrument;
- (f) The execution, delivery or performance of the Documents and the issue of the Program Notes (including the Notes), will not conflict with, or result in the creation or imposition of any lien, charge or encumbrance upon any of the assets of the Bank pursuant to the terms of, or constitute a default under, any agreement, indenture, or instrument known to me, or result in a violation of the Bank Agreement or the By-Laws of the Bank or any order, rule or regulation of any governmental agency to whose jurisdiction the Bank would be subject;
- (g) The Documents and the issue of the Notes have been duly authorized, executed and delivered by the Bank and, assuming due execution thereof by the other parties thereto (if any), each such agreement or deed is a valid and legally binding obligation of the Bank, enforceable in accordance with its terms;
- (h) When the details of the Notes required to be inscribed on the register of Notes are so inscribed, the Notes will be legal, valid and binding obligations of the Bank enforceable in accordance with their terms;
- (i) The statements made in the Information Memorandum under the caption "Program Summary" insofar as they purport to summarize the provisions of the Documents, the Program Notes, and any other document or agreements specifically referred therein, fairly present such information; and
- (j) The Bank has the power and authority under the Bank Agreement and the By-Laws of the Bank to execute and deliver the Documents, and to perform its obligations (including the sale and delivery of the Notes and other Program Notes) thereunder.

In rendering the foregoing opinion, I have relied, with respect to matters of New South Wales law, upon the opinion of King & Wood Mallesons delivered on the date of this opinion in connection with the Documents. Also, I have assumed that signatures on all documents examined by me are genuine.

Very truly yours,

Inter-American Development Bank

Australian Dollar Medium Term Note Program Information Memorandum

Inter-American Development Bank ("**Issuer**") has established a program ("**Program**") for the issue of Australian dollar medium term notes ("**MTNs**") on the terms and conditions described in this Information Memorandum ("**Terms and Conditions**") and, in respect of each issue of MTNs, the Pricing Supplement prepared by the Issuer in relation to those MTNs ("**Pricing Supplement**"). The MTNs may be issued within and/or outside Australia. MTNs may be issued from time to time in an unlimited amount. The Issuer may also issue medium term notes under a separate United States Medium Term Note Program, a separate Euro Medium Term Note Program and/or such other program as the Issuer may adopt from time to time.

The Issuer is not a bank or authorised deposit-taking institution ("**ADI**") which is authorised under the Banking Act 1959 of Australia ("**Banking Act**"). The MTNs are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia.

Each offer to purchase or invitation to buy MTNs in Australia (a) will constitute an offer or invitation which does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia ("**Corporations Act**") such that the amount payable by each person who subscribes for or purchases MTNs must be at least A\$500,000 (disregarding moneys lent by the offeror or its associates), and (b) and will comply with Banking (Exemption) Order No. 82 dated 23 September 1996 promulgated by the Assistant Treasurer of Australia under the Banking Act ("**Banking (Exemption) Order No. 82**") as if it applied to the Issuer *mutatis mutandis*. Other restrictions on offering and transfers of MTNs are set out under "Selling Restrictions" on pages 38 to 42 of this Information Memorandum.

The MTNs have been rated AAA by Standard & Poor's Ratings Group (a division of McGraw-Hill, Inc.) and Aaa by Moody's Investors Service, Inc.

The Issuer accepts responsibility for it and confirms that the information contained in this Information Memorandum as of the date of this Information Memorandum is, in all material respects, true, complete, accurate and not misleading in the context in which it appears and, subject to the reservations set out in this Information Memorandum, assumes responsibility for such information. The Issuer has made all reasonable inquiries to ensure that the above declaration is correct.

Where the context so permits, references to "**this Information Memorandum**" include a reference to each document incorporated by reference in, and deemed to form part of, this Information Memorandum (see page 7 of this Information Memorandum).

This Information Memorandum replaces the Information Memorandum dated 16 July 1999.

Date and currency of this Information Memorandum

This Information Memorandum has been prepared by the Issuer as at the Preparation Date. "**Preparation Date**" means:

- in relation to this Information Memorandum, the date indicated on its face or, if this Information Memorandum has been amended or supplemented, the date indicated on the face of that amendment or supplement;
- in relation to financial statements incorporated by reference in, and deemed to form part of, this Information Memorandum, the date up to or as at the date on which the financial statements relate; and
- in relation to any other document or item of information incorporated by reference in, and deemed to form part of, this Information Memorandum, or which is to be read in conjunction with this Information Memorandum, the date indicated on its face as being its date of publication or release.

The delivery of this Information Memorandum at any time after the Preparation Date does not imply the information contained in it is accurate, timely and complete at any time subsequent to the Preparation Date. Accordingly, neither the delivery of this Information Memorandum, nor any offer or issue of MTNs, implies or should be relied upon as a representation or warranty that there has been no change (adverse or otherwise) since the Preparation Date in the affairs or financial condition of the Issuer or that the information contained in it is correct at any time after the Preparation Date.

Without limiting this general statement, the Issuer has given an undertaking in the Dealer Agreement dated 16 July 1999 relating to the Program, as amended from time to time ("**Dealer Agreement**") that if at any time during the term of the Program it is aware of any fact, condition, matter or thing which renders anything contained in this Information Memorandum inaccurate, incomplete or misleading in any material respect, the Issuer will prepare a new Information Memorandum (or a supplement or amendment to it) for use in any subsequent offering of MTNs.

Limited responsibility for information

The only role of the Arranger, the Dealer, any Lead Manager, any Additional Dealers and the Registrar (each as defined in "Program Summary") in the preparation of this Information Memorandum has been to confirm to the Issuer that, to the extent applicable, the information under their respective address details in the "Directory" is accurate as at the Preparation Date. Apart from the foregoing, none of the Arranger, the Dealer, any Lead Manager, any Additional Dealer and the Registrar make any representation or warranty, express or implied, as to and assume no responsibility or liability for the authenticity, origin, validity, accuracy or completeness of, or any errors or omissions in, any information, statement, opinion

or forecast contained in this Information Memorandum or in any accompanying, previous or subsequent material or presentation.

No other material authorised

The Issuer has not authorised any person to give any information or make any representations in connection with the offering of the MTNs other than those contained in this Information Memorandum. The Issuer makes no representation or warranty as to and assumes no responsibility for the authenticity, origin, validity, accuracy or completion of, or any errors or omissions in, any accompanying, previous or subsequent material or presentation, except as expressly set out or stated in such material or presentation. Any information or representation not contained in this Information Memorandum or as otherwise authorised in writing by the Issuer, must not be relied upon as having been authorised by or on behalf of the Issuer, the Arranger, the Dealer, any Lead Manager, any Additional Dealers or the Registrar.

Intending purchasers to make independent investment decision and obtain tax advice

This Information Memorandum contains only summary information concerning the MTNs and is not intended to provide the basis of any credit or other valuation. The information contained in this Information Memorandum should not be considered, or relied upon, as a recommendation or statement of opinion (or report of either of those things) by any of the Issuer, the Arranger, the Dealer, any Lead Manager, any Additional Dealer or the Registrar that any recipient of this Information Memorandum should subscribe for, purchase, deal or otherwise acquire MTNs or any rights in respect of MTNs. Intending purchasers should:

- make and rely upon (and shall be taken to have made and relied upon) their own independent investigation of the financial condition and affairs of, and their own appraisal of the creditworthiness of, the Issuer;
- determine for themselves the relevance of the information contained in this Information Memorandum and must base their investment decision solely upon such independent assessment and investigation as they consider necessary;
- consult their legal advisers regarding the legal requirements within Australia and their countries for the purchase or holding of MTNs and any foreign exchange restriction relating to the purchase or holding of MTNs or acceptance of the payments on MTNs in such country; and
- consult their own tax advisers concerning the application of any tax laws applicable to their particular situation.

The Arranger, the Dealer, any Lead Manager, any Additional Dealers and the Registrar do not undertake to review the financial condition or affairs of the Issuer at any time or to advise any MTN holder (as defined in the Terms and Conditions) of any information coming to their attention with respect to the Issuer.

Distribution and selling restrictions and arrangements

This Information Memorandum:

- has been prepared on a confidential basis for institutions whose ordinary business includes the buying or selling of securities;
- is not intended for and should not be distributed to any other person;
- may not be reproduced or used in whole or in part for any purpose other than in connection with the issue, purchase, dealing with or other acquisition of the MTNs nor furnished to any other person without the express written permission of the Issuer; and

- does not, and is not intended to, constitute an offer or an invitation by or on behalf of the Issuer, the Arranger, the Dealer, any Lead Manager, any Additional Dealer or the Registrar (or, without limitation, their respective subsidiaries, related bodies corporate, officers or employees) to subscribe for, purchase, or otherwise deal in, any MTNs.

Each offer to purchase or invitation to buy MTNs in Australia (a) will constitute an offer or invitation which does not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act such that the amount payable by each person who subscribes for or purchases MTNs must be at least A\$500,000 (disregarding moneys lent by the offeror or its associates), and (b) and will comply with Banking (Exemption) Order No. 82 as if it applied to the Issuer *mutatis mutandis*. Accordingly, neither this Information Memorandum nor any other document in connection with the Program has been lodged with the Australian Securities and Investments Commission ("ASIC"). This Information Memorandum is not a prospectus or other disclosure document for the purposes of the Corporation Act.

The distribution and use of this Information Memorandum, and the offer or invitation for applications to issue, sell or purchase, and the issue, sale or purchase of MTNs, may be restricted by law in certain jurisdictions and is subject to the selling restrictions set out under "Selling Restrictions" on pages 38 to 42 of this Information Memorandum. Intending purchasers should inform themselves about them and observe any such restrictions.

The Issuer, the Arranger, the Dealer, any Lead Manager, any Additional Dealer and the Registrar do not represent that this document may be lawfully distributed, or that any MTNs may be lawfully offered for issue, sale or purchase, or issued, sold or purchased, or applications invited for the issue, sale or purchase of MTNs, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by any of those parties which would permit a public offering of any MTNs or possession or distribution of this Information Memorandum or any other offering material in any country or jurisdiction where action for that purpose is required. Accordingly, no MTNs may be offered for issue, sale or purchase, or issued, sold or purchased or applications invited for the issue, sale or purchase, directly or indirectly, and neither this Information Memorandum nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations and the Dealers have represented that the Dealers will comply with the laws of all applicable jurisdictions. Persons into whose possession this Information Memorandum or any MTNs come must inform themselves about, and observe, any such restrictions. In particular, a person may not (directly or indirectly) offer for issue, sale or purchase or invite applications for the issue, sale or purchase of MTNs, nor distribute this Information Memorandum except if the issue, sale or purchase complies with all applicable laws and regulations.

The Issuer has agreed to pay the Registrar fees for undertaking its duties and reimburse the Registrar for certain of its expenses incurred in connection with the Program. The Issuer may also agree to pay the relevant Dealer(s) and/or Lead Manager(s) a commission in respect of the issue of MTNs, to reimburse the Dealer(s) or Lead Manager(s) for certain of their expenses incurred in connection with the Program and to indemnify the Dealer(s) or Lead Manager(s) against certain liabilities described in the Dealer Agreement.

References to ratings

There are references in this Information Memorandum to the credit rating of the MTNs. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant rating agency. Each credit rating should be evaluated independently of any other credit rating.

Any stamp duty incurred on a transfer of MTNs will be for the account of the relevant investors.</p> <p>As at the date of this Information Memorandum, no Australian stamp duty is payable on the issue of the MTNs, or the transfer of the MTNs, where that transfer occurs for full market value through the system operated by Austraclear Limited (ABN 94 002 060 773) ("Austraclear") for holding securities and the electronic recording and settling of transactions in those securities between members of that system ("Austraclear System").</p>

Investors are advised to seek independent legal and tax advice regarding any stamp duty or other taxes imposed by another jurisdiction upon the transfer of MTNs, or interests in MTNs, in any jurisdiction outside of Australia

Withholding Tax:

The MTNs and the interest thereon will not be exempt from taxation generally. Under the "Agreement Establishing the Inter-American Development Bank":

- the Issuer is not under any obligation to withhold or pay any tax imposed by any member on the interest on the MTNs; and
- the MTNs and the interest thereon are not subject to any tax by a member country.

So long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, payments of principal and interest made under the MTNs will not be subject to Australian interest withholding tax. See "Australian Taxation" on page 33 of this Information Memorandum.

Taxes:

Investors should obtain their own taxation advice regarding the taxation status of investing in MTNs. See also "Taxation" on pages 33 to 37 of this Information Memorandum.

Rating:

MTNs issued under the Program will not be separately rated, but will assume the credit rating of the Issuer: AAA by Standard & Poor's Ratings Group (a division of McGraw-Hill, Inc.) and Aaa by Moody's Investors Service, Inc.

A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision, suspension or withdrawal at any time by the relevant rating agency. Each credit rating should be evaluated independently of any other credit rating.

Form:

MTNs will be issued in inscribed form. They will be constituted by a Deed Poll made by the Issuer and dated 16 July 1999 as amended and restated on 18 December 2009 (together, the "**Deed Poll**") and will take the form of entries on a register ("**Register**") maintained by the Registrar.

- the issue date and the amount of the first payment of interest may be different in respect of different Tranches of a Series; and
- a Series may comprise MTNs in more than one denomination.

Title:

Entry of the name of a person in the Register in respect of an MTN constitutes the obtaining or passing of title to the MTN and is conclusive evidence that the person so entered is the owner of the MTN.

Clearing Systems:

The Issuer, or a Lead Manager or Dealer on behalf of the Issuer, will apply to Austraclear for approval of the MTNs of each Series to be traded through the Austraclear System. Such approval of MTNs by Austraclear is not a recommendation or endorsement by Austraclear of the MTNs.

If accepted for admission to the respective system, an interest in an MTN may be held through Euroclear Bank, S.A./N.V., as operator of the Euroclear System ("Euroclear") or through Clearstream Banking, société anonyme ("Clearstream, Luxembourg"). In these circumstances, entitlements in respect of holdings of interests in MTNs in Euroclear would be held in the Austraclear System by a nominee of Euroclear (currently HSBC Custody Nominees (Australia) Limited) while entitlements in respect of holdings of interests in MTNs in Clearstream, Luxembourg would be held in the Austraclear System by a nominee of Clearstream, Luxembourg (currently ANZ Nominees Limited).

The rights of a holder of interests in an MTN held through Euroclear or Clearstream, Luxembourg are subject to the respective rules and regulations for accountholders of Euroclear and Clearstream, Luxembourg, the terms and conditions of agreements between Euroclear and Clearstream, Luxembourg and their respective nominee and the rules and regulations of the Austraclear System. 2 Form, denomination and title

Constitution under Deed Poll

Independent obligations

- 2.2 The obligations of the Issuer in respect of each MTN constitute separate and independent obligations which the MTN Holder to whom those obligations are owed is entitled to enforce without having to join any other MTN Holder or any predecessor in title of an MTN Holder.

Denomination

- 2.3 Unless otherwise specified in the Pricing Supplement:

- (a) MTNs are issued in:
- (i) the denomination specified in the relevant Pricing Supplement, provided that the consideration payable to the Issuer by the relevant MTN Holder is a minimum of A\$500,000; and

MTNs will be registered by name only without reference to any trusteeship. The person registered in the Register as an MTN Holder will be treated by the Issuer and the Registrar as absolute owner of that MTN and neither the Issuer nor the Registrar is, except as ordered by a court or required by statute, obliged to take notice of any other claim to an MTN.

Each form must be accompanied by such evidence (if any) as the Registrar may require to prove the title of the transferor or the transferor's right to transfer the MTN and be signed by both the transferor and the transferee.

- 6.1 MTNs may be interest bearing or non-interest bearing, as specified in the Pricing Supplement.

Interest-bearing MTNs

- 6.2 MTNs which are specified in the Pricing Supplement as being interest bearing bear interest from their Interest Commencement Date at the Interest Rate and such interest is payable in arrears on each Interest Payment Date.

Interest accrues from the Interest Commencement Date on the Outstanding Principal Amount. Interest will cease to accrue on the date of final maturity of an MTN unless payment of any principal amount is improperly withheld or refused or if default is otherwise made in respect of payment thereof in which case interest continues to accrue on such principal amount (as well after as before any demand or judgment) at the Interest Rate then applicable up to (but excluding) the date on which the relevant payment is made.

Non-interest bearing MTNs

- 6.3 If any Maturity Redemption Amount in respect of any MTN which is non-interest bearing is not paid when due, interest shall accrue on the overdue amount at a rate per annum (expressed as a percentage per annum) equal to the Amortisation Yield specified in, or determined in accordance with the provisions of, the Pricing Supplement.

Calculations and adjustments

- 6.4 The amount of interest payable in respect of any MTN for any period is calculated by multiplying the product of the Interest Rate and the Outstanding Principal Amount by the Day Count Fraction, save that if the Pricing Supplement specifies an amount in respect of such period, the amount of interest payable in respect of such MTN for such period is equal to such specified amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period is the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

If any Maximum Interest Rate or Minimum Interest Rate is specified in the relevant Pricing Supplement, then the Interest Rate will not in any event exceed the maximum or be less than the minimum so specified.

For the purposes of any calculations referred to in these terms and conditions and unless otherwise specified in these terms and conditions or the Pricing Supplement:

- (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundredth of a percentage point (with 0.005 per cent. being rounded up to 0.01 per cent.);
- (b) all Australian dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up).

Calculation Agent

- 6.5 As soon as practicable after the relevant time on such date as these Terms and Conditions or the relevant Pricing Supplement may require:

- (a) any Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or any other amount to be calculated; or
- (b) any quote to be obtained or any determination or calculation to be made by the Calculation Agent,

if required by the relevant Pricing Supplement, the Calculation Agent will:

- (c) determine the Interest Rate in respect of each denomination of the MTNs for the relevant Interest Accrual Period, Interest Period or Interest Payment Date;
- (d) calculate the Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or other amount; or
- (e) obtain such quote or make such determination or calculation,

and cause the Interest Rate for each Interest Accrual Period, Interest Period or Interest Payment Date and, if required to be calculated, any Amortised Face Amount, Early Termination Amount, Maturity Redemption Amount or other amount, to be notified to the Registrar, the Issuer and (if the MTNs are listed on any stock exchange) any relevant stock exchange as soon as possible after their determination but in no event later than 5.00pm Australian Eastern Standard Time (or, if applicable, Australian Eastern Summer Time) on the Business Day on which such calculation is made.

The Calculation Agent must obtain relevant quotes from appropriate banks or reference agents or obtain information from such other sources as are specified in these Terms and Conditions or the Pricing Supplement or, failing which, as the Calculation Agent deems appropriate.

The calculations and determinations made by the Calculation Agent shall, in the absence of manifest error, be final and binding on the parties.

7 Redemption and purchase

Redemption on maturity

- 7.1 Unless previously redeemed, or purchased and cancelled (or unless such MTN is stated in the Pricing Supplement as having no fixed maturity date), each MTN shall be redeemed on maturity at its Maturity Redemption Amount.

Purchase of MTNs

- 7.2 The Issuer may at any time purchase MTNs in the open market or otherwise and at any price. All unmatured MTNs purchased in accordance with this condition may be held, resold, re-issued or cancelled at the discretion of the Issuer subject to compliance with all legal and regulatory requirements.

8 Events of Default

If the Issuer shall default in the payment of the principal of, premium (if any) or interest on, or in the performance of any covenant in respect of a purchase fund or sinking fund in, any bonds or notes (including the MTNs) or similar present or future obligations which have been issued, assumed or guaranteed by the Issuer and such default shall continue for a period of (and in such case become an Event of Default):

- (a) 30 days in the case of a default in the payment of the principal of, premium (if any) or interest on the MTNs; or
- (b) 90 days in the case of a default in respect of any such other obligation referred to above,

then at any time after the occurrence of, and during the continuance of, an Event of Default, any MTN Holder may deliver or cause to be delivered to the Issuer at its Head Office in the City of Washington, District of Columbia, United States of America written notice that such MTN Holder elects to declare the Early Termination Amount (together with all accrued interest (if any)) applicable to each MTN held by the MTN Holder to be due and payable.

On the thirtieth day after the delivery of such notice to the Issuer such Early Termination Amount and such interest shall become due and payable, unless prior to that time all Events of Default shall have been remedied.

9 Payments

Record Date

- 9.1 Payments to MTN Holders will be made according to the particulars recorded in the Register at 5.00pm on the relevant Record Date.

Joint MTN Holders

- 9.2 When an MTN is held jointly, payment will be made to the MTN Holders in their joint names unless requested otherwise.

Payments to accounts

- 9.3 Payments in respect of each MTN will be made by crediting on the relevant Interest Payment Date, in the case of payments of interest, or on the due date for redemption or repayment, in the case of payments of principal, the amount then due to an account in Australia previously notified by the registered owner of the MTN to the Registrar.

If the registered owner of the MTN has not notified the Registrar of such an account by close of business on the relevant Record Date, payments in respect of the relevant MTN will be made by cheque drawn on a bank in Australia, mailed on the relevant Interest Payment Date, in the case of payments of interest, or on the due date for redemption or repayment, in the case of payments of principal, at the MTN Holder's risk to the registered owner (or to the first named of joint registered owners) of such MTN at the address appearing in the Register as at the Record Date.

Cheques to be despatched to the nominated address of an MTN Holder will in such cases be deemed to have been received by the MTN Holder on the relevant Interest Payment Date, in the case of payments of interest, or on the due date for redemption or repayment, in the case of payments of principal, and no further amount will be payable by the Issuer in respect of the relevant MTN as a result of payment not being received by the MTN Holder on the due date.

If a payment in respect of the relevant MTN is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

Payments to the Registrar

- 9.4 Unless otherwise agreed between the Issuer and the Registrar, the Issuer must pay amounts due under each MTN to a bank account in Sydney in the name of the Issuer operated by the Registrar.

Payment constitutes release

- 9.5 Any payment made by or on behalf of the Issuer to the Registrar for the account of a person whose name is, at the time such payment is made, inscribed in the Register as the MTN Holder constitutes for all purposes an absolute and unconditional release and discharge of the Issuer, to the extent of such payment, of all obligations and indebtedness in respect of the MTN in relation to which the payment was made.

Business Days

- 9.6 If a payment is due under an MTN on a day which is not a Business Day the MTN Holder is entitled to payment of such amount in accordance with the Applicable Business Day Convention and is not entitled to any interest or other payment in respect of any such delay.

Taxation

- 9.7 The MTNs and the interest thereon will not be exempt from taxation generally. Under the "Agreement Establishing the Inter-American Development Bank", the Issuer is not under any obligation to withhold or pay any tax imposed by any member on the interest on the MTNs. Under the "Agreement Establishing the Inter-American Development Bank", the MTNs and the interest thereon are not subject to any tax by a member country.

The relevant Pricing Supplement may set forth additional tax consequences to MTN Holders of MTNs of a particular series.

10 Further issues

The Issuer may from time to time, without the consent of any MTN Holder, issue further MTNs having the same terms and conditions as the MTNs of any Series in all respects (or in all respects except for the first payment of interest, if any, on them and/or their denomination) so that such further issue shall be consolidated and so form a single Series with the MTNs of that Series.

11 Time limit for claims

A claim against the Issuer for a payment under an MTN is void unless such claim is made within:

- (a) 5 years of the relevant Interest Payment Date in the case of a claim in respect of the payment of interest provided that if the Issuer has not made provision for full payment of such interest to be made on the relevant Interest Payment Date, such claim must be made within 5 years of such later date on which provision for full payment has been made by the Issuer; or
- (b) 10 years of the relevant Maturity Date in the case of a claim in respect of the payment of principal provided that if the Issuer has not made provision for full payment of such principal to be made on the relevant Maturity Date, such claim must be made within 10 years of such later date on which provision for full payment has been made by the Issuer.

12 Notices

- 12.1 A notice or other communication in connection with an MTN to the Issuer or the Registrar must be in writing and may be given by prepaid post or delivery to the initial address of the addressee as specified below:

- (a) an advertisement published in The Australian Financial Review or any other newspaper or newspapers circulating in Australia generally; or
- (b) prepaid post or delivery to the address of each MTN Holder or any relevant MTN Holder as shown in the Register at the close of business in Sydney 3 Business Days prior to the despatch of the relevant notice or communication.

Effective on receipt

12.3 Unless a later time is specified in it a notice, approval, consent or other communication takes effect from the time it is received, except that if it is received after 5.00pm in the place of receipt or on a non-business day in that place, it is to be taken to be received at 9.00am on the next succeeding Business Day in that place.

Proof of receipt

12.4 Subject to Condition 12.3, proof of posting of a letter, publication of a communication or delivery of a communication is proof of receipt:

- (a) in the case of a letter, on the third (seventh, if outside Australia) day after posting; and
- (b) in the case of a publication, on the date of such publication; and
- (c) in the case of a delivery, at the time of delivery to the relevant address.

13 Meetings of MTN Holders

Meetings of MTN Holders may be convened in accordance with the Meeting Provisions. Any such meeting may consider any matters affecting the interests of MTN Holders, including, without limitation, the variation of the terms of the MTNs by the Issuer and the granting of approvals, consents and waivers.

14 Amendments

The Terms and Conditions and the form of the Pricing Supplement may be amended by the Issuer, and the Registry Services Agreement may be amended by the parties thereto, in each case without the consent of any MTN Holder:

- (a) for the purposes of curing any ambiguity, or correcting or supplementing any defective or inconsistent provisions therein; or

- (b) in the case of the Terms and Conditions and the form of the Pricing Supplement, in any manner which the Issuer deems, or in the case of the Registry Services Agreement, in any other manner which the Issuer and the Registrar deem, necessary or desirable and which does not adversely affect the interests of the MTN Holders.

The Terms and Conditions, Pricing Supplement and Registry Services Agreement may otherwise be varied by the Issuer with the approval of the MTN Holders by Extraordinary Resolution and, in the case of the Registry Service Agreement, in accordance with that agreement. No other variation to the Terms and Conditions has effect in relation to the MTN Holders who hold MTNs at the date of any amending deed, unless they otherwise agree in writing. A variation will take effect in relation to all subsequent MTN Holders. A variation which effects only a particular Series or Tranche of MTNs may be approved solely by the MTN Holders of such Series or Tranche.

15 Registrar

Role of the Registrar

- 15.1 In acting under the Registry Services Agreement in connection with the MTNs, the Registrar acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any of the MTN Holders save insofar as that any funds received by the Registrar in accordance with the Registry Services Agreement shall, pending their application in accordance with the Registry Services Agreement, be held by it in a segregated account which shall be held for the benefit of the persons entitled to those funds.

Change of Registrar

- 15.2 The Issuer reserves the right at any time to terminate the appointment of the Registrar in accordance with the Registry Services Agreement and to appoint successor or additional registrars, provided, however, that the Issuer must at all times maintain the appointment of a registrar in respect of each Series with its specified office in Australia. Notice of any such termination of appointment will be given to the MTN Holders in accordance with Condition 12.

16 Governing law and jurisdiction

Governing law

- 16.1 The MTNs are governed by the law in force in New South Wales.

Jurisdiction

- 16.2 The Issuer irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of New South Wales and courts of appeal from them. The Issuer waives any right it has to object to an action being brought in those courts, to claim that the action has been brought in an inconvenient forum, or to claim that those courts do not have jurisdiction.
- 16.3 Without preventing any other mode of service, any document in an action (including, without limitation, any writ of summons or other originating process or any third or other party notice) may be served on the Issuer by being delivered to or left for the Issuer with its process agent referred to in Condition 16.4.

Agent for service of process

- 16.4 The Issuer appoints Dabserv Corporate Services Pty Limited of Governor Phillip Tower, 1 Farrer Place, Sydney, NSW, 2000, Australia to receive any document referred to in

Condition 16.3. If for any reason that person ceases to be able to act as such, the Issuer must immediately appoint another person with an office located within Australia to receive any such document.

Taxation

Australian Taxation

The following is a summary of the Australian taxation treatment, as at the date of this Information Memorandum, of payments on the MTNs and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of MTNs who are in any doubt as to their tax position should consult their professional advisers on the tax implications of an investment in the MTNs for their particular circumstances.

1. Interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the MTNs issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under MTNs issued by it should not be subject to Australian interest withholding tax.

2. Other tax matters

Under Australian laws as in effect as at the date of this Information Memorandum:

- (a) *death duties* - no MTNs will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (b) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in Australia on the issue or transfer of any MTNs;
- (c) *other withholding taxes on payments in respect of MTNs* - so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Australian Income Tax Assessment Act of 1936 and section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia ("**Taxation Administration Act**") should not apply in connection with MTNs issued by the Issuer;
- (d) *supply withholding tax* - payments in respect of the MTNs can be made free and clear of the "supply withholding tax" imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (e) *goods and services tax (GST)* - neither the issue nor receipt of the MTNs will give rise to a liability for GST in Australia on the basis that the supply of MTNs will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a GST-free supply. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the MTNs, would give rise to any GST liability in Australia.

United States Taxation

United States Internal Revenue Service Circular 230 Notice: To ensure compliance with Internal Revenue Service Circular 230, you are hereby notified that (a) any discussion of United States federal tax issues contained or referred to in this Information Memorandum or any document referred to herein is not intended or written to be used, and cannot be used, by you for the purpose of avoiding penalties that may be imposed on you under the United States Internal Revenue Code, (b) such discussion is written for use in connection with the promotion or marketing of the transactions or matters addressed herein, and (c) you should seek advice based on your particular circumstances from an independent tax advisor.

This section describes certain United States federal income tax consequences of owning the MTNs and certain provisions of the Bank Agreement concerning the taxation of the MTNs. It applies only to MTN Holders acquiring MTNs in the offering who hold such MTNs as capital assets for tax purposes. This section does not apply to an MTN Holder that is a member of a class of holders subject to special rules, such as:

- a dealer in securities or currencies;
- a trader in securities that elects to use a mark-to-market method of accounting for its securities holdings;
- a bank;
- a life insurance company;
- a tax-exempt organization;
- a person that owns MTNs that are a hedge or that are hedged against interest rate or currency risks;
- a person that owns MTNs as part of a straddle or conversion transaction for tax purposes; or
- a United States holder, as defined below, whose functional currency for tax purposes is not the United States Dollar.

This section is based on the Internal Revenue Code of 1986, as amended ("Code"), its legislative history, existing and proposed regulations under the Code, published rulings and court decisions, all as currently in effect. These laws are subject to change, possibly on a retroactive basis. *Notwithstanding any of the tax information provided in this Information Memorandum, which does not purport to be complete, all persons considering the purchase of the MTNs should consult their own tax advisor concerning the consequences of owning these MTNs in their particular circumstances under the Code and the laws of any other taxing jurisdiction.*

1. Tax Status – General

The MTNs and the interest thereon generally will be subject to taxation.

The Bank Agreement provides that the MTNs and the interest thereon are not subject to any tax by a member of the Issuer (a) which tax discriminates against the MTNs solely because they are issued by the Issuer, or (b) if the sole jurisdictional basis for the tax is the place or currency in which the MTNs are issued, made payable or paid, or the location of any office or place of business maintained by the Issuer. Also, under the Bank Agreement, the Issuer is not under any obligation to withhold or pay any tax on the MTNs. Accordingly, payments on the MTNs will be made to the Registrar without deduction in respect of any such tax.

The imposition of United States federal income tax in the manner described herein is not inconsistent with the provisions of the Bank Agreement.

2. Tax Status – United States

The United States Treasury Department has issued to the Issuer rulings dated May 4, 1988 and May 5, 1989 ("**Rulings**") regarding certain United States tax consequences under the Code of the receipt of interest on securities issued by the Issuer. The Rulings provide that interest paid by the Issuer on such securities, including payments attributable to accrued original issue discount, constitutes income from sources outside the United States. The Rulings further determine that neither the Issuer nor an agent appointed by it as principal for the purpose of paying interest on securities issued by the Issuer is required to withhold tax on interest paid by the Issuer.

Under the Rulings, interest paid by the Issuer ordinarily would not be subject to United States federal income tax, including withholding tax, if paid to a non-resident alien individual (or foreign partnership, estate or trust) or to a foreign corporation, whether or not such person is engaged in trade or business in the United States. However, absent any special statutory or treaty exception, such interest would be subject to United States federal income tax in the following cases: (i) such interest is derived by such person in the active conduct of a banking, financing or

similar business within the United States and such interest is attributable to an office or other fixed place of business of such person within the United States, or (ii) such person is a foreign corporation taxable as an insurance company carrying on a United States insurance business and such interest is attributable to its United States business.

3. United States MTN Holders

This subsection describes the tax consequences to a United States MTN Holder. An MTN Holder is a United States holder if it is a beneficial owner of an MTN and is:

- a citizen or resident of the United States;
- a domestic corporation;
- an estate whose income is subject to United States federal income tax regardless of its source; or
- a trust if a United States court can exercise primary supervision over the trust's administration and one or more United States persons are authorized to control all substantial decisions of the trust.

This section does not apply to MTN Holders who are not United States holders.

4. Payments of Interest

MTN Holders will be taxed on any interest on their MTNs as ordinary income at the time such holder receives the interest or when it accrues, depending on such holder's method of accounting for tax purposes.

Cash Basis Taxpayers. If an MTN Holder is a taxpayer that uses the cash receipts and disbursements method of accounting for tax purposes, such MTN Holder must recognize income equal to the United States Dollar value of each Australian dollar interest payment received, based on the exchange rate in effect on the date of receipt, regardless of whether such MTN Holder actually converts such payment into United States Dollars.

Accrual Basis Taxpayers. If an MTN Holder is a taxpayer that uses an accrual method of accounting for tax purposes, such MTN Holder may determine the amount of income that such holder recognizes with respect to each Australian dollar interest payment using one of two methods. Under the first method, such MTN Holder will determine the amount of income accrued based on the average exchange rate in effect during the interest accrual period or, with respect to an accrual period that spans two taxable years, that part of the period within the taxable year.

If such MTN Holder elects the second method, such MTN Holder would determine the amount of income accrued on the basis of the exchange rate in effect on the last day of the accrual period, or, in the case of an accrual period that spans two taxable years, the exchange rate in effect on the last day of the part of the period within the taxable year. Additionally, under this second method, if such MTN Holder receives a payment of interest within five business days of the last day of such MTN Holder's accrual period or taxable year, such MTN Holder may instead translate the interest accrued into United States Dollars at the exchange rate in effect on the day that such MTN Holder actually receives the interest payment. If such MTN Holder elects the second method it will apply to all debt instruments that such MTN Holder holds at the beginning of the first taxable year to which the election applies and to all debt instruments that such MTN Holder subsequently acquires. Such MTN Holders may not revoke this election without the consent of the Internal Revenue Service.

When such MTN Holders actually receive an interest payment, including a payment attributable to accrued but unpaid interest upon the sale or retirement of their MTNs, for which such MTN Holder accrued an amount of income, such MTN Holder will recognize ordinary income or loss measured by the difference, if any, between the exchange rate that such MTN Holder used to

accrue interest income and the exchange rate in effect on the date of receipt, regardless of whether such holder actually converts the payment into United States Dollars.

For foreign tax credit limitation purposes, interest paid by the Issuer on the MTNs will be income from sources outside the United States and will, depending on the MTN Holder's circumstances, be either "passive income" or "general income" for purposes of computing the foreign tax credit allowable to a United States holder.

5. Purchase, Sale and Retirement of the MTNs

A MTN Holder's tax basis in an MTN will generally be the United States Dollar cost, as defined below, of the MTN. If an MTN Holder purchases an MTN with Australian dollars, the United States Dollar cost of the MTN will generally be the United States Dollar value of the purchase price on the date of purchase. However, if such MTN Holder is a cash basis taxpayer, or an accrual basis taxpayer if such MTN Holder so elects, and the MTN is traded on an established securities market, as defined in the applicable Treasury regulations, the United States Dollar cost of the MTN will be the United States Dollar value of the purchase price on the settlement date of the purchase.

An MTN Holder will generally recognize gain or loss on the sale or retirement of the MTN equal to the difference between the amount such MTN Holder realizes on the sale or retirement and such MTN Holder's tax basis in the MTN. If the MTN is sold or retired for an amount in Australian dollars, the amount realized will be the United States Dollar value of such amount on:

- the date payment is received, if the MTN Holder is a cash basis taxpayer and the MTNs are not traded on an established securities market, as defined in the applicable Treasury regulations;
- the date of disposition, if the MTN Holder is an accrual basis taxpayer; or
- the settlement date for the sale, if the MTN Holder is a cash basis taxpayer, or an accrual basis taxpayer that so elects, and the MTNs are traded on an established securities market, as defined in the applicable Treasury regulations.

An MTN Holder will recognize capital gain or loss when such MTN Holder sells or retires the MTNs, except to the extent:

- attributable to accrued but unpaid interest; or
- attributable to changes in exchange rates as described below.

Capital gain of a non-corporate United States MTN Holder is generally taxed at a maximum rate of 15% where the property is held more than one year.

An MTN Holder must treat any portion of the gain or loss that such MTN Holder recognizes on the sale or retirement of an MTN as ordinary income or loss to the extent attributable to changes in exchange rates. However, such MTN Holder takes exchange gain or loss into account only to the extent of the total gain or loss realized on the transaction.

6. Exchange of Amounts in Other Than United States Dollars

If an MTN Holder receives Australian dollars as interest on an MTN or on the sale or retirement of an MTN, such holder's tax basis in Australian dollars will equal its United States Dollar value when the interest is received or at the time of the sale or retirement. If such MTN Holder purchases Australian dollars, such MTN Holder generally will have a tax basis equal to the United States Dollar value of the Australian dollars on the date of the purchase. If such MTN Holder sells or disposes of Australian dollars, including if such MTN Holder uses it to purchase MTNs or exchange it for United States Dollars, any gain or loss recognized generally will be ordinary income or loss.

7. Treasury Regulations Requiring Disclosure of Reportable Transactions

United States Treasury regulations require United States taxpayers to report certain transactions that give rise to a loss in excess of certain thresholds (a “**Reportable Transaction**”). Under these regulations, if the MTNs are denominated in a foreign currency, a United States MTN Holder (or a United States alien MTN Holder that holds the notes in connection with a United States trade or business) that recognizes a loss with respect to the MTNs that is characterized as an ordinary loss due to changes in currency exchange rates (under any of the rules discussed above) would be required to report the loss on Internal Revenue Service Form 8886 (Reportable Transaction Statement) if the loss exceeds the thresholds set forth in the regulations. For individuals and trusts, this loss threshold is US\$50,000 in any single taxable year. For other types of taxpayers and other types of losses, the thresholds are higher. You should consult with your tax advisor regarding any tax filing and reporting obligations that may apply in connection with acquiring, owning and disposing of MTNs.

8. Backup Withholding and Information Reporting

The Issuer is not subject to the reporting requirements that are imposed by United States law with respect to certain payments of interest or principal on debt obligations, nor is it subject to backup withholding tax imposed, in certain circumstances, by United States law with respect to such payments. While regulations issued by the Internal Revenue Service confirm that the backup withholding requirements do not apply to the Registrar with respect to the MTNs, the Registrar may file information returns with the Internal Revenue Service with respect to payments on MTNs made within the United States to certain United States persons as if such returns were required of it. Under the book-entry system as operated by the Federal Reserve Bank of New York, no such information returns will be filed by the Registrar with respect to book-entry MTNs.

Brokers, trustees, custodians and other intermediaries within the United States are subject to the reporting and backup withholding requirements with respect to certain payments on the MTNs received by them for the account of certain United States persons, and foreign persons receiving payments on the MTNs within the United States may be required by such intermediaries to establish their status in order to avoid information reporting and backup withholding of tax by such intermediaries in respect of such payments. Foreign persons receiving payments on the MTNs outside the United States through foreign brokers, trustees, custodians or other intermediaries (including Austraclear, Euroclear and Clearstream participants) generally are not required to establish their status as foreign persons in order to avoid information reporting and backup withholding of tax. If, however, such broker, trustee, custodian or other intermediary is (i) a controlled foreign corporation for United States tax purposes, (ii) a foreign person 50% or more of whose gross income is effectively connected with a United States trade or business for a specified three-year period, or (iii) a foreign partnership, if at any time during its tax year, one or more of its partners are U.S. persons (as defined in United States Treasury regulations) who in the aggregate hold more than 50% of the income or capital interest in the partnership or if, at any time during its tax year, such foreign partnership is engaged in a United States trade or business, information reporting (but not backup withholding) may apply to such payments.

Selling Restrictions

Subject to the terms and on the conditions contained in the Dealer Agreement, the Issuer may from time to time agree with one or more Dealers to issue MTNs on an underwritten or non-underwritten basis or by way of a private placement. Except as otherwise agreed with the relevant Dealer(s), the MTNs will be transacted through the Austraclear System. If accepted for admission to the respective systems, an interest in an MTN may be held through Euroclear or Clearstream, Luxembourg (see "Program Summary - Clearing Systems" on page 10 of this Information Memorandum).

General restrictions

No action has been or will be taken in any jurisdiction that would permit a public offering of any of the MTNs, or possession or distribution of this Information Memorandum or any other offering material, in any country or jurisdiction where action for that purpose is required. Accordingly, no person may, directly or indirectly, offer or sell any MTNs or distribute or publish this Information Memorandum or any other offering material in any country or jurisdiction, except in compliance with any applicable laws and regulations.

Without prejudice to the generality of the paragraph above the Issuer shall not have any responsibility for any consent, approval or permission for the subscription, offer or sale of MTNs required by any other person under the laws and regulations in force in any jurisdiction to which such person is subject or in or from which it makes any such subscription, offer or sale. No person may make any representation or use any information in connection with the issue, offering or sale of any of the MTNs other than as contained in, or which is consistent with, this Information Memorandum.

Persons in whose hands this Information Memorandum comes are required to comply with all applicable laws and regulations in each country or jurisdiction in which they purchase, offer, sell or deliver MTNs or have in their possession or distribute such offering material and to obtain any consent, approval or permission required by them for the purchase, offer, sale or delivery by them of any MTNs under the law and regulations in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales or deliveries, in all cases at their own expense, and neither Issuer, the Arranger, the Dealer, any Additional Dealer or the Registrar shall have responsibility therefor, except as expressly agreed in writing by such person. In accordance with the above, any MTNs purchased by any person which it wishes to offer for sale or resale may not be offered in any jurisdiction in circumstances which would result in the Issuer being obliged to register any prospectus, disclosure document, registration statement or similar offering document relating to the MTNs in such jurisdiction.

1 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Program or the MTNs has been lodged with ASIC. Each Dealer will represent to, and agree with the Issuer, that it (a) has not (directly or indirectly) offered or invited applications, and will not offer or invite applications, for the issue, sale or purchase of the MTNs within, to or from Australia (including an offer or invitation which is received by a person in Australia); and

(b) has not distributed or published, and will not distribute or publish, this Information Memorandum or any other prospectus, disclosure document, offering material or advertisement relating to the MTNs in Australia,

unless:

(i) the minimum aggregate consideration payable by each offeree is A\$500,000 (or its equivalent in another currency, in either case, disregarding moneys lent by the offeror or its associates) or the offer or invitation otherwise does not require disclosure to investors in accordance with Parts 6D.2 or 7.9 of the Corporations Act;

- (ii) such action complies with:
 - (A) Banking (Exemption) Order No. 82 as if it applied to the Issuer *mutatis mutandis*, which as at the date of this Information Memorandum requires all offers and transfers to be for a consideration of at least A\$500,000; and
 - (B) any other applicable laws, regulations or directives (including that the offer or invitation is not made to a person who is a "retail client" within the meaning of section 761G of the Corporations Act); and
- (iii) such action does not require any document to be lodged with ASIC.

2 United States

Under the provisions of Section 11(a) of the Inter-American Development Bank Act, the MTNs are exempted securities within the meaning of Section 3(a)(2) of the United States Securities Act of 1933, as amended, and Section 3(a)(12) of the United States Securities Exchange Act of 1934, as amended.

3 European Economic Area

In relation to each Member State of the European Economic Area ("EEA State") which has implemented the Prospectus Directive (each, a "Relevant EEA State"), each Dealer will represent to, and agree with the Issuer, that, unless an applicable Pricing Supplement (or another supplement to this Information Memorandum) otherwise provides, with effect from and including the date on which the Prospectus Directive is implemented in that Relevant EEA State (the "Relevant Implementation Date") it has not made and will not make an offer of MTNs which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation to those MTNs to the public in that Relevant EEA State, except that it may, with effect from and including the Relevant Implementation Date, make an offer of such MTNs to the public in that Relevant EEA State:

- (a) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (b) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year, (2) a total balance sheet of more than €43,000,000, and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (c) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer;
- (d) at any time if the denomination per Debt Instrument being offered amounts to at least €50,000; or
- (e) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of MTNs referred to in paragraphs (a) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of MTNs to the public" in relation to any MTNs in any Relevant EEA State means the communication in any form and by any means

of sufficient information on the terms of the offer and the MTNs to be offered so as to enable an investor to decide to purchase or subscribe the MTNs, as the same may be varied in that Relevant EEA State by any measure implementing the Prospectus Directive in that Relevant Member State and the expression "**Prospectus Directive**" means EU Prospectus Directive (2003/71/EC) and includes any relevant implementing measure in each Relevant EEA State.

4 **United Kingdom**

Each Dealer will represent to, and agree with the Issuer, that:

- (a) it has only communicated and will only communicate or cause to be communicated any invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000 (as amended) ("**FSMA**")) received by it in connection with the issue or sale of any MTNs in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the MTNs in, from or otherwise involving the United Kingdom.

5 **Hong Kong**

Each Dealer will represent to, and agree with the Issuer, that:

- (a) it has not offered or sold and will not offer or sell in Hong Kong, by means of any document, any MTNs other than (i) to "professional investors" as defined in the Securities and Futures Ordinance (Cap. 571) (as amended) of Hong Kong ("**SFO**") and any rules made under the SFO, or (ii) in other circumstances which do not result in the document being a "prospectus" as defined in the Companies Ordinance (Cap. 32) (as amended) of Hong Kong or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (b) it has not issued, or had in its possession for the purpose of issue, and will not issue, or have in its possession for the purpose of issue, whether in Hong Kong or elsewhere, any advertisement, invitation, prospectus or other offering material or other document relating to the MTNs, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to MTNs which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" as defined in the SFO and any rules made under the SFO.

6 **Japan**

The MTNs have not been and will not be registered under the Financial Instruments and Exchange Law of Japan ("**Financial Instruments and Exchange Law**") and, accordingly, each Dealer will be required to represent to, and agree with the Issuer, that it will not offer or sell any MTNs, directly or indirectly, in Japan or to, or for the benefit of, any Japanese Person or to others for re-offering or resale, directly or indirectly, in Japan or to a Japanese Person, except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Law and any other applicable laws, regulations and ministerial guidelines of Japan. For the purposes of this paragraph, "**Japanese Person**" means any person resident in Japan, including any corporation or other entity organised under the laws of Japan.

7 New Zealand

Each Dealer will represent to, and agree with the Issuer, that:

- (a) it has not offered or sold, and will not offer or sell, directly or indirectly, any MTNs; and
- (b) it has not distributed and will not distribute, directly or indirectly, any offering materials or advertisement in relation to any offer of MTNs,

in each case in New Zealand other than:

- (i) to persons whose principal business is the investment of money or who, in the course of and for the purposes of their business, habitually invest money; or
- (ii) to persons who in all the circumstances can properly be regarded as having been selected otherwise than as members of the public; or
- (iii) to persons who are each required to pay a minimum subscription price of at least NZ\$500,000 for the MTNs before the allotment of those MTNs (disregarding any amounts payable, or paid, out of money lent by the relevant Issuer or any associated person of the relevant Issuer); or
- (iv) in other circumstances where there is no contravention of the Securities Act 1978 of New Zealand (or any statutory modification or re-enactment of, or statutory substitution for, the Securities Act 1978 of New Zealand).

8 Singapore

This Information Memorandum has not been registered as a prospectus with the Monetary Authority of Singapore under the Securities and Futures Act, Chapter 289 of Singapore, as amended ("**Securities and Futures Act**"). Each Dealer will represent to, and agree with the Issuer, that the MTNs may not be offered or sold or made the subject of an invitation for subscription or purchase nor may this Information Memorandum or any other document or material in connection with the offer or sale or invitation for subscription or purchase of any MTNs be circulated or distributed, whether directly or indirectly, to the public or any member of the public in Singapore other than (a) to an institutional investor or other person falling within Section 274 of the Securities and Futures Act, (b) to a relevant person pursuant to Section 275(1) of the Securities and Futures Act, or any person pursuant to Section 275(1A) of the Securities and Futures Act, and in accordance with the conditions specified in Section 275 of the Securities and Futures Act, or (c) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the Securities and Futures Act.

Each of the following relevant persons specified in Section 275 of the Securities and Futures Act which has subscribed or purchased MTNs, namely a person who is:

- (a) a corporation (which is not an accredited investor) (as defined in Section 4A of the Securities and Futures Act) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary is an accredited investor,

should note that shares, debentures and units of shares and debentures of that corporation or the beneficiaries' rights and interest however described in that trust shall not be transferable for six months after that corporation or that trust has acquired the MTNs under Section 275 of the Securities and Futures Act except:

- (i) to an institutional investor (for corporations) under Section 274 of the Securities and Futures Act or to a relevant person, or to any person pursuant to an offer that is made on terms that such shares, debentures and units of shares and debentures of that corporation or such rights or interest in that trust are acquired at a consideration of not less than S\$200,000 (or its equivalent in a foreign currency) for each transaction, whether such amount is to be paid in cash or by exchange of securities or other assets and in accordance with the conditions, specified in Section 275 of the Securities and Futures Act;
- (ii) where no consideration is given for the transfer; or
- (iii) where the transfer is by operation of law.

9 Further restrictions

If the Issuer reasonably determines that additional country specific selling restrictions are required or the selling restrictions set out above require amendment or variation to ensure compliance with any law, treaty or official directive or request (whether or not having the force of law, but if not having the force of law compliance with which is in accordance with the practice of responsible financial institutions in the country concerned), the Issuer may by notice to each Dealer notify new selling restrictions which shall take effect as if set out in this schedule from 30 days' after the date of the notice or such earlier date specified in such notice which is necessary to comply with the relevant law, treaty or official directive or request. However, this provision does not limit the general obligation of each Dealer to comply with all applicable laws.

- 1.4 Headings are inserted for convenience and do not affect the interpretation of this agreement.

2 The Program

The Program

- 2.2 The Issuer establishes a revolving program for the sale and purchase or subscription of MTNs in accordance with the Transaction Documents. - 2.4 The Issuer may from time to time increase the Program Limit by delivery to the then current Dealers (with a copy to the Registrar) of a letter in substantially the form of schedule 5. Any such increase is only effective upon publication by the Issuer of an appropriate supplement to the Information Memorandum.

- (b) no one of them is responsible for the failure of one or more of the others to perform its obligations; and
- (c) each of them may separately enforce its rights against the others.

2.7 Nothing in clause 2.6 prevents one or more Dealers, where New Dealers are appointed, from entering into a Subscription Agreement on a joint and several basis.

 - (i) confirmation of the appointment of a process agent in New South Wales by the Issuer; and

-
- (j) a certificate, dated no earlier than 2 Business Days prior to the date of this agreement, signed by an Authorised Officer of the Issuer to the effect that:
 - (i) in such person's opinion, the representations and warranties of the Issuer contained in clause 9.1 are true and correct in all material respects as of such date; and
 - (ii) such Authorised Officer has carefully examined the initial Information Memorandum and, in such person's opinion:
 - (A) as of its date, the initial Information Memorandum did not include any untrue statement of a material fact and did not omit to state a material fact necessary to make the statements in the initial Information Memorandum, in the light of the circumstances under which they were made, not misleading; and
 - (B) since the date of the initial Information Memorandum, no event has occurred that should have been set forth in a supplement or amendment to the initial Information Memorandum that has not been set forth in such a supplement or amendment.

Ongoing conditions precedent

- 3.2 A Dealer need not accept delivery of, nor pay for any MTN under this agreement unless, as at the proposed Issue Date:
- (a) it has not received notification from the Issuer that:
 - (i) the Information Memorandum has been withdrawn;
 - (ii) any of the representations and warranties in clause 9.1 are incorrect as at such date; or
 - (iii) the rating for the Program has been withdrawn by either of Standard & Poor's or Moody's; and
 - (b) in respect of any proposed issue of MTNs to more than one Dealer, the Issuer and the Dealers who have agreed to subscribe the MTNs have executed a Subscription Agreement; and
 - (c) if a Dealer has given a Dealer Confirmation to the Issuer, the Issuer has signed and returned a copy of the Dealer Confirmation to such Dealer by way of acceptance; and
 - (d) there must not have occurred since the date of the Subscription Agreement or the date of the Issuer's acceptance referred to in paragraph (c) above (as the case may be), in the reasonable opinion of the relevant Dealer(s) (after consultation with the Issuer where practicable), a change in national or international

financial, political or economic conditions as would, in the Lead Manager's view, be likely to prejudice materially the placement, offering, distribution or sale of the MTNs or dealings in such MTNs in the secondary market; and

- (e) the Lead Manager has received the other approvals, opinions or documents (if any) specified as conditions precedent in the Subscription Agreement or Dealer Confirmation (as the case may be).

In addition, the Issuer need not issue any MTN under this agreement if in the reasonable opinion of the Issuer acting in good faith there has been a change of the kind described in paragraph (d) above since the date of the relevant Subscription Agreement or the relevant acceptance by the Issuer referred to in paragraph (c) above (as the case may be) which would, in the Issuer's view, be likely to prejudice materially the placement or offering of the MTNs.

Waiver of condition precedent

- 3.3 A Dealer may for its own benefit, by notice in writing to the Issuer, waive the requirement for the Issuer to satisfy any condition precedent. A waiver by a Dealer does not impact on or in any way affect the need to satisfy any condition precedent with respect to any other Dealer.

4 Procedures for issue of MTNs

Issue of MTNs

- 4.1 At the discretion of the Issuer, MTNs may be issued to the Dealer or to the Dealer and/or one or more individual New Dealers (including a Dealer appointed in respect of a single Tranche under clause 15.3).

Liquidity

- 4.2 Each Dealer party to a Subscription Agreement in relation to an issue of MTNs agrees to use reasonable endeavours, subject to market conditions, to assist the holders of those MTNs so requesting it to locate potential purchasers of those MTNs from time to time to facilitate liquidity in the MTNs.

Underwritten issues

- 4.3 If the Issuer wishes to make an issue of MTNs on an underwritten basis, it must, following consultation with the relevant Dealer(s), prepare, or procure the preparation and signing by the relevant parties of, a Subscription Agreement with such amendments being made to schedule 3 as required to include the terms and conditions of the underwriting arrangements and (in due course, but in any event no later than the relevant Issue Date) a Pricing Supplement in respect of the proposed issue.

Non-underwritten issues

- 4.4 If the Issuer wishes to make an issue of MTNs on a non-underwritten basis, it must notify the Dealers of any proposed terms and conditions of the proposed issue.

- 4.5 Subject to clause 4.8 and following consultation with the relevant Dealer(s) for an issue, the Issuer must prepare, or procure the preparation and signing by the relevant parties of, a Subscription Agreement and Pricing Supplement in respect of the proposed issue. No Dealer is under any obligation to enter into a Subscription Agreement.

Private placement issues

- 4.6 The Issuer may from time to time agree with one or more Dealers (including a Dealer appointed for a single Tranche under clause 15.3) to issue MTNs by way of private placement.
- 4.7 Subject to clause 4.8, the Issuer must prepare, or procure the preparation and signing by the relevant parties of, a Subscription Agreement and Pricing Supplement in respect of the proposed issue.

General procedures

- 4.8 Where an agreement to issue and subscribe MTNs is reached between the Issuer and only one Dealer then, if the Issuer and that Dealer agree, such agreement may be evidenced by the Dealer providing a Dealer Confirmation and the Issuer providing a confirmation in accordance with clause 3.2(c), in which case no Subscription Agreement shall be necessary.
- 4.9 The Issuer and a Dealer may from time to time agree upon administrative procedures in relation to the making of requests and bids, the timing of sales and settlements and any other relevant matter pertaining to the reaching of agreement between them for an issue of any MTNs.

From time to time the Dealers and the Issuer may agree a form of procedures memorandum describing the steps to be taken for the issue of MTNs under this agreement. Unless expressly provided otherwise, if there is any inconsistency between such memorandum and this agreement, this agreement prevails.

Calculation agent

- 4.10 If MTNs are issued whose Terms and Conditions require a calculation agent, the Issuer must appoint a person to act as such by entering into an agreement with them which is substantially in the form of schedule 6.

Lead Manager to notify Registrar

- 4.11 In respect of each issue of MTNs under this agreement, the Lead Manager must provide or procure to be provided not later than 4.00pm (Sydney time) one Business Day before the relevant Issue Date (or such other time as may be agreed) to the Registrar (at its address referred to in the Information Memorandum):
- (a) the name and address of each proposed MTN Holder;
 - (b) the principal amount of MTNs to be inscribed on the Register for each such MTN Holder, and

Payment and issue

- 6.1 The procedures for the payment and issue of MTNs depend upon whether or not the Dealer purchasing the MTNs has agreed with the Issuer for the MTNs to be transacted through the Austraclear System.

Transactions not through Austraclear

- 6.2 Where transactions in respect of an MTN are not to be transacted in or through the Austraclear System then, on the Issue Date for the MTN:
- (a) subject to compliance by the Lead Manager with the provisions of clause 4.11, the Issuer must procure the issue of the MTN and procure its registration in the name of, or as directed by, the Dealer purchasing the MTN for its respective allocation against payment of the relevant portion of the Purchase Price; and

Limit on responsibility

- 7.3 The Issuer has no responsibility for, and each Dealer must obtain, all authorisations required for the subscription, offer, sale or delivery by it of MTNs under applicable laws and regulations in any jurisdiction to which the Dealer is subject or in which it subscribes for MTNs or makes any offer, sale or delivery of MTNs.

Illegality

- 7.4 If at any time it becomes unlawful for a Dealer or the Issuer to perform any of its obligations under this agreement, the Dealer or the Issuer (as the case may be) is not obliged to perform such obligations. In such circumstances the Dealer or Issuer (as the case may be) will promptly notify the other.

After written notification of such updating or revision the Dealers must only use an up-dated or revised Information Memorandum.

11 Indemnities

Indemnity by Issuer

- 11.1 The Issuer indemnifies each Dealer against liability, loss, costs, charges or expenses reasonably incurred which the Dealer suffers as a consequence of:
- (a) any direct financial loss arising out of the failure by the Issuer to issue any MTN which is the subject of an agreement to purchase by such Dealer; or
 - (b) any untrue or misleading statement or any alleged untrue or misleading statement of a material fact (such allegation being made by a person other than such Dealer) contained in the Information Memorandum, or any omission or alleged omission (such allegation being made by a person other than such Dealer) of a material fact necessary to make the statements in the Information Memorandum, in the light of the circumstances under which they were made, not misleading, provided that the Issuer shall not be liable for any untrue statement or alleged

untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Issuer by any Dealer expressly for inclusion in the Information Memorandum; or

- (c) the Dealer acting in good faith on facsimile or telephone instructions purporting to be given by an Authorised Officer of the Issuer;
- (d) any breach of a material nature by the Issuer of any of its obligations under the Transaction Documents to which the Dealer is a party,

including, without limitation, liability, loss, costs, charges or expenses on account of funds borrowed, contracted for or used to fund any amount payable under the Transaction Documents and including in each case, without limitation, legal costs and expenses on a full indemnity basis. These amounts are not payable to the extent they are due to the wilful misconduct or negligence of the Dealer.

- 11.2 The Issuer agrees to pay to any Dealer an amount equal to any liability, loss, costs, charges or expenses reasonably incurred by any employee, officer, agent or contractor of the Dealer as a direct consequence of any of the matters described in clauses 11.1(a), (b), (c), and (d).

Indemnity by each Dealer

- 11.3 Each Dealer indemnifies the Issuer against liability, loss, costs, charges or expenses reasonably incurred which the Issuer suffers as a consequence of:

- (a) any breach of a material nature by that Dealer of any of its obligations under this agreement (including, but not limited to the restrictions contained in clauses 7.2 and 7.3); or
- (b) any failure by that Dealer to pay any sum due in respect of the purchase of any MTN, or to purchase any MTN which the Dealer is obliged to purchase (other than in the circumstances described in the last paragraph of clause 3.2), including without limitation:
 - (i) any interest, cost, loss or expense incurred by the Issuer in raising funds to cover any shortfall in funds as a result of such Dealer's default, and
 - (ii) any amount required to be paid by the Issuer by way of principal and interest or otherwise to the Registrar in respect of any payment made by the Registrar on the assumption that such Dealer made payment to the Registrar; or
- (c) a third party claim in respect of any untrue statement or alleged untrue statement of material fact contained in the Information Memorandum or arises out of, or is based upon, the omission, or alleged omission to state in the Information Memorandum a material fact necessary to make the statements in it, in the light

of the circumstances under which they were made, not misleading, but in each case only to the extent that the untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Issuer by such Dealer expressly for inclusion in the Information Memorandum,

in each case without limitation, legal costs and expenses on a full indemnity basis or solicitor and own client basis, whichever is the higher. These amounts are not payable to the extent they are due to the wilful misconduct or negligence of the Issuer.

- 11.4 Each Dealer agrees to pay to the Issuer an amount equal to any liability, loss, costs, charges or expenses reasonably incurred by any employee, officer, agent or contractor of the Issuer as a direct consequence of any of the matters described in clauses 11.3(a), (b) and (c).

Defence of proceedings

- 11.5 If any claim, action or proceeding is made in respect of which indemnity may be sought under clause 11.1 or clause 11.3, the party seeking the indemnity ("**Indemnified Party**") must promptly notify the other party ("**Indemnifying Party**") in writing and the Indemnifying Party has the option to assume the defence of any such action, including the employment of legal advisers reasonably satisfactory to the Indemnified Party (such approval not to be unreasonably withheld) subject to the payment by the Indemnifying Party of all costs and expenses so incurred.

The Indemnified Party has the right to employ separate legal advisers in, and defend, or participate in the defence of, any such action, if in the reasonable opinion of counsel for the Indemnified Party it is advisable for such Indemnified Party to be represented by separate counsel because a conflict of interest exists or may exist between the Indemnifying Party and the Indemnified Party and the Indemnified Party consents to the selection of such separate counsel (which consent may not be unreasonably withheld). In that event the fees and expenses of such separate counsel (and local counsel) shall be paid by the Indemnifying Party.

Upon receipt of notice from the Indemnifying Party to the Indemnified Party of its election to assume the defence of such action and (where required) approval by the Indemnified Party of counsel selected by the Indemnifying Party (such approval not to be unreasonably withheld), the Indemnifying Party will not be liable to such Indemnified Party under this clause 11 for any legal or other expenses subsequently incurred by such Indemnified Party in connection with the defence unless:

- (a) the Indemnified Party shall have employed separate counsel in connection with a conflict of interest referred to above (it being understood, however, that the Indemnifying Party shall not be liable for the expenses of more than one such separate counsel (and local counsel) representing the Indemnified Party);

- (b) the Indemnifying Party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of commencement of the action; or
- (c) the Indemnifying Party has authorised the employment of counsel for the Indemnified Party at the expense of the Indemnifying Party,

except that, if paragraph (a) or (c) above is applicable, such liability shall be only in respect of the counsel referred to in such paragraph (a) or (c).

The Indemnifying Party is not obliged to indemnify the Indemnified Party against any claim, action or proceeding which is settled or compromised by the Indemnified Party without the prior written consent of the Indemnifying Party. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Party is or could have been a party and indemnity could have been sought under this clause 11 by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such proceeding.

Any claim made by the Indemnified Party under an indemnity must be accompanied by a statement giving reasonable details of the calculation of the amount in respect of which such indemnity is claimed.

12 Fee arrangements

Dealer fees for MTNs

- 12.1 The Issuer agrees to pay fees to the Dealers in respect of issues of MTNs as may be agreed between them from time to time.

Other costs, charges and expenses for MTN issues

- 12.2 In relation to a Tranche of MTNs, the relevant Subscription Agreement, Dealer Confirmation or another agreement may set out the arrangements for the payment of the costs, charges and expenses of the parties to the documents governing that issue of MTNs.

Payments exclusive of GST

- 12.3 The parties acknowledge that this agreement (including all pricing and compensation terms, whether by way of reimbursement, indemnity, or otherwise) has been drafted without taking into account the effect, if any, of GST. The following principles will apply when determining the amount payable (for the purposes of the clause, **Payment**) for any goods, services or any other thing supplied pursuant to this agreement, or any other contract entered into between the Issuer and any Dealer in relation to the Program:

- (a) if GST is payable in relation to the supply of goods, services or any other thing, the amount payable will be the consideration specified in the relevant contract plus GST (if any);
- (b) if the Payment is determined by reference to any cost, expense or liability incurred by a party (**Payee**), the reference to cost, expense or liability means the actual amount incurred by the Payee less the amount of any GST input tax credit the Payee is entitled to claim in respect of that cost, expense or liability. The Payee will be assumed to be entitled to claim full input tax credits unless it demonstrates that its entitlement is otherwise prior to the date on which the Payment must be made;
- (c) if the Payment is a reimbursement or indemnification of a loss determined by reference to revenue received and costs incurred, the revenue will be the revenue earned net of GST and the costs will be determined in accordance with paragraph (b);
- (d) if the Payment arises from a revenue sharing arrangement or an obligation to pay a specified percentage of revenue, the Payment is to be calculated by reference to the relevant revenue net of GST;
- (e) if a party sets off an amount otherwise payable under the relevant contract the principles set out above shall be applied to calculate the amount to be set off as if that amount had been paid.

12.4 For the purposes of clauses 12.3 and 12.5 GST means the goods and services tax imposed by the "A New Tax System (Goods and Services Tax) Act 1999" and related legislation, together with interest thereon or penalties, if any, and charges, fees or other amounts made on, or in respect of such tax.

12.5 Each party agrees to do all things, including providing invoices or other documentation containing stipulated information, that may be necessary or desirable to enable or assist the other party to claim any credit, set off, rebate or refund in relation to any GST included in any payment made under any contract which is covered by clause 12.3.

14 Assignment

No party to this agreement may assign its rights under this agreement unless agreed to in writing by all parties. Nothing in this clause 14 affects the right of a Dealer to transfer MTNs.

15 Dealer appointment and termination

Appointment of Dealers

- 15.1 The Issuer may from time to time nominate a reputable financial institution as a Dealer in relation to the Program or a Tranche.

Dealer for the Program

- 15.2 Upon receipt by the Issuer of a letter substantially in the form of schedule 1 and the Issuer accepting the proposed Dealer's appointment by signing and returning such letter to the proposed Dealer, the proposed Dealer will become a Dealer to the Program with the rights and obligations of a Dealer under this agreement. Dealer termination

- 15.5 The Issuer may terminate the appointment of any Dealer by giving not less than 30 days' notice to the Dealer concerned, copied to the other parties, if any, and the Registrar. Any such termination does not affect any right or liability accrued under this agreement prior to the date of such termination or under any MTNs.

16 Miscellaneous**Exercise of rights**

- 16.1 A party may exercise a right, power or remedy at its discretion, and separately or concurrently with another right, power or remedy. A single or partial exercise of a right, power or remedy by a party does not prevent a further exercise of that or any other right, power or remedy. Failure by a party to exercise or delay in exercising a right, power or remedy does not prevent its exercise. No party is liable for any loss caused by the exercise, attempted exercise, failure to exercise or delay in exercising a right, power or remedy whether or not caused by that party's negligence.

Waiver and variation

Remedies cumulative

- 16.3 The rights, powers and remedies provided in this agreement are cumulative with and not exclusive of the rights, powers or remedies provided by law independently of this agreement.

Indemnities

- 16.4 Each indemnity in this agreement is a continuing obligation, separate and independent from the other obligations of the respective party and survives termination of this agreement. It is not necessary for the respective party to incur expense or make payment before enforcing a right of indemnity conferred by this agreement.

Register

- 16.5 The Issuer must maintain or procure the maintenance of the Register in Sydney (or such other place or places as the Issuer and the Registrar may agree) in accordance with the Registry Services Agreement.

17 Governing law, jurisdiction and service of process

Jurisdiction

- 17.2 Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of New South Wales and courts of appeal from them. Each party waives any right it has to object to an action being brought in those courts, to claim that the action has been brought in an inconvenient forum, or to claim that those courts do not have jurisdiction.

Service of process

- 17.3 Without preventing any other mode of service, any document in an action (including, without limitation, any writ of summons or other originating process or any third or other party notice) may be served on any party by being delivered to or left for that party with its process agent referred to in clause 17.4 or at its address for service of notices under clause 13.

4 Fees and indemnity

Indemnity

- 4.2 The Issuer, on demand accompanied by duly documented evidence, indemnifies the Calculation Agent against liability, loss, costs, charges or expenses (including, without limitation, legal costs and expenses on a full indemnity basis or solicitor and own client basis, whichever is higher) arising out of or in relation to or in connection with its appointment or the exercise of its functions, except such as may result from the breach by it of the terms of this agreement or from its own wilful default, negligence or bad faith or that of its officers, employees, agents or contractors.
- 4.3 The Calculation Agent shall indemnify the Issuer against loss, costs, charges or expense which the Issuer may incur or which may be made against the Issuer as a result of the breach by it of the terms of this agreement from any act of wilful default, negligence or bad faith by the Calculation Agent or any of its officers or employees with regard to its obligations as Calculation Agent under this agreement.

5 General

Calculations binding

No agency or trust

- 5.2 In acting under this agreement and in connection with the MTNs the Calculation Agent has no obligations towards or relationship of agency or trust with any of the MTN Holders.

Taking of advice

- 5.3 The Calculation Agent may consult on any legal matter any legal adviser selected by it, who may be an employee of or legal adviser to the Issuer, and it incurs no liability to the Issuer, the Registrar or the MTN Holders

for action taken, or suffered to be taken, with respect to such matter in good faith and in accordance with the opinion of such legal adviser.

Information believed to be genuine

- 5.4 The Calculation Agent incurs no liability to the Issuer, the Registrar or the MTN Holders for or in respect of any action taken or thing suffered by it in reliance upon any document or information from any electronic or other source reasonably believed by it to be genuine and to have been signed or otherwise given or disseminated by the proper parties, even if it is subsequently found not to be genuine or to be incorrect.

- 5.5 The Calculation Agent, whether acting for itself or in any other capacity, is not precluded from becoming the owner of, or acquiring any interest in, holding or disposing of, any MTN or any shares or other securities of the Issuer or any of its related entities (within the meaning given to that term by the Corporations Law), with the same rights as it would have had if it were not acting as Calculation Agent, or from entering into or being interested in any contracts or transactions with the Issuer or any of its related entities (as defined above), or from acting on, or as the depository, trustee or agent for, any committee or body of holders of any securities of the Issuer or any of its related entities (as defined above), and is not liable to account to the Issuer or the MTN Holders for any resulting profit.

6 Changes in Calculation Agent

- 6.1 The Calculation Agent may resign its appointment under this agreement at any time by giving to the Issuer not less than 30 days' written notice to that effect (which notice may expire on different dates with respect to different Series but must not, in respect of any Series, expire prior to the Record Date for any payment in respect of the MTNs comprising that Series). In the event that the Calculation Agent is unable or unwilling or otherwise fails to act, the Issuer may immediately appoint a leading bank or investment banking firm engaged in trading in debt securities in the domestic capital markets (or, if appropriate, engaged in trading in the money, swap or over-the-counter derivatives market) that is most closely connected with the calculation or determination to be made by the Calculation Agent to act as its successor. No resignation by the Calculation Agent takes effect, nor may the Calculation Agent be removed (save as set out in this agreement), until a replacement Calculation Agent has been appointed by the Issuer. The Issuer agrees with the Calculation Agent that if, by the day falling 10 days before the expiry of any notice under this clause 6, the Issuer has not appointed a replacement Calculation Agent, the Calculation Agent is entitled, on behalf of the Issuer, to appoint a Calculation Agent in its place meeting the requirements set out above to which the Issuer has no reasonable objection. Different successor Calculation Agents may be appointed in respect of different Series of MTNs.

- (a) at any time the Calculation Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver, administrator or other similar official of all or any substantial part of its property or admits in writing its inability to pay or to meet its debts as they mature or suspends payment of them, or if a resolution is passed or an order made for its winding-up or dissolution, or if a receiver, administrator or other similar official of itself or all or any substantial part of its property is appointed, or if an order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency laws, or if any public officer takes charge or control of it or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or
- (b) it fails duly to make any calculation or determination required to be made by it under this agreement and the Issuer gives it notice that it intends to appoint a replacement Calculation Agent to make the calculation in question and subsequent calculations (if any).

Notice to MTN Holders

6.3 The Issuer agrees:

- (a) to give the Registrar not less than 15 days' notice of any such proposed resignation or termination of the Calculation Agent under clause 6.1; and

Any partnership, corporation, trust or other organisation into which the Calculation Agent may be merged or converted or any partnership, corporation, trust or other organisation with which the Calculation Agent may be consolidated or any partnership, corporation, trust or other organisation resulting from any merger, conversion or consolidation to which the Calculation Agent is a party will be, to the extent permitted by applicable law, the successor Calculation Agent under this agreement without any further formality. The Calculation Agent must promptly give notice of any such merger, conversion or consolidation to the Issuer and the Registrar. In addition, the Calculation Agent may transfer, in whatever form the Calculation Agent determines may be appropriate, all of its rights and obligations to a partnership, corporation, trust or other organisation to which the Calculation Agent transfers all or substantially all of the Calculation Agent's assets and business and which assumes its obligations by contract, operation of law or otherwise. of and fully discharged from all obligations under this agreement, whether such obligations arose before or after such transfer and assumption.

of law, but if not having the force of law compliance with which is in accordance with the practice of responsible financial institutions in the country concerned), the Issuer may by 30 days' notice to each Dealer notify new selling restrictions which shall take effect as if set out in this schedule from the date specified in such notice. However, this provision does not limit the general obligation of each Dealer to comply with all applicable laws.

Dear Sirs

We refer to the Australian Dollar Medium Term Note Program Dealer Agreement dated 16 July 1999 ("**Dealer Agreement**") between Inter-American Development Bank and Westpac Banking Corporation (ABN 33 007 457 141) as Arranger and Dealer. Terms defined in the Dealer Agreement have the same meanings in this letter.

Pursuant to clause 2.4 of the Dealer Agreement we notify you that the Program Limit is to be changed from A\$5,000,000,000 to an unlimited amount and, for the avoidance of doubt, by execution of this letter by you and us, it is agreed that it is not a requirement of the Dealer Agreement that the Program Limit be a specified aggregate Australian dollar amount. The Issuer has full authority to effect such change.

The Issuer has also executed an Amended and Restated Deed Poll dated 18 December 2009 in relation to the Program and we enclose a copy for your information. The Terms and Conditions are no longer set out in a schedule to the Amended and Restated Deed Poll which now refers to the terms and conditions set out in the relevant Information Memorandum referred to in the relevant Pricing Supplement in relation to any MTNs which is confirmed in writing by the Issuer, as amended, supplemented or replaced in relation to those MTNs by that Pricing Supplement.

In addition to notifying you of these matters, this letter also supplements and amends the Dealer Agreement and should be read in conjunction with the Dealer Agreement. Any MTNs issued under the Program on or after the date of this letter shall be issued pursuant to the Dealer Agreement as supplemented and amended by this letter.

The Dealer Agreement is supplemented and amended as follows:

- the expression "Terms and Conditions" as used in the Dealer Agreement has the same meaning as in the Amended and Restated Deed Poll and, accordingly, any references to "the terms and conditions set out in schedule 1 of the Deed Poll" or similar expressions (including without limitation in clause 1.2 of, and Schedules 2 and 4, to the Dealer Agreement) are to be construed as references to the Terms and Conditions;
- the selling restrictions set out in Schedule 7 (Selling Restrictions) of the Dealer Agreement are deleted and replaced by the selling restrictions set out in the most recent Information Memorandum issued and published by the Issuer in relation to the Program. As at the date of this letter, the Information Memorandum dated 18 December 2009 is the most recent information memorandum published by the Issuer; and
- the contact details of Westpac Banking Corporation as Arranger and Dealer in clause 13.4 of the Dealer Agreement shall be replaced with the following details:

General Information

Additional Information Regarding the MTNs – Matters relating to MiFID II

The Issuer does not fall under the scope of application of the MiFID II regime. Consequently, the Issuer does not qualify as an “investment firm”, “manufacturer” or “distributor” for the purposes of MiFID II.

MiFID II product governance / Retail investors, professional investors and ECPs target market - Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the MTNs has led to the conclusion that: (i) the target market for the MTNs is eligible counterparties, professional clients and retail clients, each as defined in MiFID II; and (ii) all channels for distribution of the MTNs are appropriate. Any person subsequently offering, selling or recommending the MTNs (a “distributor”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the MTNs (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

For the purposes of this provision, the expression “MiFID II” means Directive 2014/65/EU, as amended.

SCHEDULE A

The section entitled "United States Taxation" set out on pages 33 and 37 of the Information Memorandum is deleted and replaced with the following:

United States Taxation

United States Internal Revenue Service Circular 230 Notice: To ensure compliance with Internal Revenue Service Circular 230, you are hereby notified that (a) any discussion of United States federal tax issues contained or referred to in this Information Memorandum or any document referred to herein is not intended or written to be used, and cannot be used, by you for the purpose of avoiding penalties that may be imposed on you under the United States Internal Revenue Code, (b) such discussion is written for use in connection with the promotion or marketing of the transactions or matters addressed herein, and (c) you should seek advice based on your particular circumstances from an independent tax advisor.

This section describes certain United States federal income tax consequences of owning the MTNs and certain provisions of the Bank Agreement concerning the taxation of the MTNs. It applies only to MTN Holders acquiring MTNs in the offering who hold such MTNs as capital assets for tax purposes. This section does not apply to an MTN Holder that is a member of a class of holders subject to special rules, such as:

- a dealer in securities or currencies;
- a trader in securities that elects to use a mark-to-market method of accounting for its securities holdings;
- a bank;
- a life insurance company;
- a tax-exempt organization;
- a person that owns MTNs that are a hedge or that are hedged against interest rate or currency risks;
- a person that owns MTNs as part of a straddle or conversion transaction for tax purposes;
- a person that purchases or sells MTNs as part of a wash sale for tax purposes; or
- a United States MTN Holder, as defined below, whose functional currency for tax purposes is not the United States Dollar.

This section is based on the Internal Revenue Code of 1986, as amended ("**Code**"), its legislative history, existing and proposed regulations under the Code, published rulings and court decisions, all as currently in effect. These laws are subject to change, possibly on a retroactive basis.

This section applies only to MTNs issued on a fully paid basis, that bear interest at a fixed rate, that are not issued with original issue discount, and that do not provide for amortization payments prior to maturity. Accordingly, this section does not apply to MTNs that are non-interest bearing, that provide for floating interest payments, or that are issued on a partly paid basis. If any MTNs are subject to special rules (for example, the rules regarding original issue discount or contingent payment debt instruments), such rules will be discussed in the applicable Pricing Supplement.

Notwithstanding any of the tax information provided in this Information Memorandum, which does not purport to be complete, all persons considering the purchase of the MTNs should consult their own tax advisor concerning the consequences of owning these MTNs in their particular circumstances under the Code and the laws of any other taxing jurisdiction.

1. Tax Status – General

The MTNs and the interest thereon generally will be subject to taxation.

The Bank Agreement provides that the MTNs and the interest thereon are not subject to any tax by a member of the Issuer (a) which tax discriminates against the MTNs solely because they are issued by the Issuer, or (b) if the sole jurisdictional basis for the tax is the place or currency in which the MTNs are issued, made payable or paid, or the location of any office or place of business maintained by the Issuer. Also, under the Bank Agreement, the Issuer is not under any obligation to withhold or pay any tax imposed by any member on the MTNs. Accordingly, payments on the MTNs will be made to the Registrar without deduction in respect of any such tax.

The imposition of United States federal income tax in the manner described herein is not inconsistent with the provisions of the Bank Agreement.

2. Tax Status – United States

The United States Treasury Department has issued to the Issuer rulings dated May 4, 1988 and May 5, 1989 ("**Rulings**") regarding certain United States tax consequences under the Code of the receipt of interest on securities issued by the Issuer. The Rulings provide that interest paid by the Issuer on such securities, including payments attributable to accrued original issue discount, constitutes income from sources outside the United States. The Rulings further determine that neither the Issuer nor an agent appointed by it as principal for the purpose of paying interest on securities issued by the Issuer is required to withhold tax on interest paid by the Issuer.

Under the Rulings, interest paid by the Issuer ordinarily would not be subject to United States federal income tax, including withholding tax, if paid to a non-resident alien individual (or foreign partnership, estate or trust) or to a foreign corporation, whether or not such person is engaged in trade or business in the United States. However, absent any special statutory or treaty exception, such interest would be subject to United States federal income tax in the following cases: (i) such interest is derived by such person in the active conduct of a banking, financing or similar business within the United States and such interest is attributable to an office or other fixed place of business of such person within the United States, or (ii) such person is a foreign corporation taxable as an insurance company carrying on a United States insurance business and such interest is attributable to its United States business.

3. United States MTN Holders

This section describes the tax consequences to a United States MTN Holder. An MTN Holder is a United States MTN Holder if it is a beneficial owner of an MTN and is:

- a citizen or resident of the United States;
- a domestic corporation;
- an estate whose income is subject to United States federal income tax regardless of its source; or
- a trust if a United States court can exercise primary supervision over the trust's administration and one or more United States persons are authorized to control all substantial decisions of the trust.

Except for portions that explicitly address foreign persons, this section does not apply to MTN Holders who are not United States MTN Holders.

4. Payments of Interest

MTN Holders will be taxed on any interest on their MTNs as ordinary income at the time such holder receives the interest or when it accrues, depending on such holder's method of accounting for tax purposes.

Cash Basis Taxpayers. If an MTN Holder is a taxpayer that uses the cash receipts and disbursements method of accounting for tax purposes, such MTN Holder must recognize income equal to the United States Dollar value of each Australian dollar interest payment received, based on the exchange rate in effect on the date of receipt, regardless of whether such MTN Holder actually converts such payment into United States Dollars.

Accrual Basis Taxpayers. If an MTN Holder is a taxpayer that uses an accrual method of accounting for tax purposes, such MTN Holder may determine the amount of income that such holder recognizes with respect to each Australian dollar interest payment using one of two methods. Under the first method, such MTN Holder will determine the amount of income accrued based on the average exchange rate in effect during the interest accrual period or, with respect to an accrual period that spans two taxable years, that part of the period within the taxable year.

If such MTN Holder elects the second method, such MTN Holder would determine the amount of income accrued on the basis of the exchange rate in effect on the last day of the accrual period, or, in the case of an accrual period that spans two taxable years, the exchange rate in effect on the last day of the part of the period within the taxable year. Additionally, under this second method, if such MTN Holder receives a payment of interest within five business days of the last day of such MTN Holder's accrual period or taxable year, such MTN Holder may instead translate the interest accrued into United States Dollars at the exchange rate in effect on the day that such MTN Holder actually receives the interest payment. If such MTN Holder elects the second method it will apply to all debt instruments that such MTN Holder holds at the beginning of the first taxable year to which the election applies and to all debt instruments that such MTN Holder subsequently acquires. Such MTN Holders may not revoke this election without the consent of the Internal Revenue Service.

When such MTN Holders actually receive an interest payment, including a payment attributable to accrued but unpaid interest upon the sale or retirement of their MTNs, for which such MTN Holder accrued an amount of income, such MTN Holder will recognize ordinary income or loss measured by the difference, if any, between the exchange rate that such MTN Holder used to accrue interest income and the exchange rate in effect on the date of receipt, regardless of whether such holder actually converts the payment into United States Dollars.

For foreign tax credit limitation purposes, interest paid by the Issuer on the MTNs will be income from sources outside the United States and will, depending on the MTN Holder's circumstances, be either "passive income" or "general income" for purposes of computing the foreign tax credit allowable to an MTN Holder.

5. Purchase, Sale and Retirement of the MTNs

An MTN Holder's tax basis in an MTN will generally be the United States Dollar cost, as defined below, of the MTN. If an MTN Holder purchases an MTN with Australian dollars, the United States Dollar cost of the MTN will generally be the United States Dollar value of the purchase price on the date of purchase. However, if such MTN Holder is a cash basis taxpayer, or an accrual basis taxpayer if such MTN Holder so elects, and the MTN is traded on an established securities market, as defined in the applicable United States Treasury regulations, the United States Dollar cost of the MTN will be the United States Dollar value of the purchase price on the settlement date of the purchase.

An MTN Holder will generally recognize gain or loss on the sale or retirement of the MTN equal to the difference between the amount such MTN Holder realizes on the sale or retirement and such MTN Holder's tax basis in the MTN. If the MTN is sold or retired for an amount in Australian dollars, the amount realized will be the United States Dollar value of such amount on:

- the date of disposition, if the MTNs are not traded on an established securities market, as defined in the applicable United States Treasury regulations; or
- the settlement date for the sale, if the MTNs are traded on an established securities market, as defined in the applicable United States Treasury regulations, and the MTN Holder is a cash basis taxpayer, or an accrual basis taxpayer that so elects.

An MTN Holder will recognize capital gain or loss when such MTN Holder sells or retires the MTNs, except to the extent:

- attributable to accrued but unpaid interest; or
- attributable to changes in exchange rates as described below.

Capital gain of a non-corporate MTN Holder is generally taxed at preferential rates where the property is held more than one year.

An MTN Holder must treat any portion of the gain or loss that such MTN Holder recognizes on the sale or retirement of an MTN as ordinary income or loss to the extent attributable to changes in exchange rates. However, such MTN Holder takes exchange gain or loss into account only to the extent of the total gain or loss realized on the transaction.

6. Exchange of Amounts in Other Than United States Dollars

If an MTN Holder receives Australian dollars as interest on an MTN or on the sale or retirement of an MTN, such holder's tax basis in Australian dollars will equal its United States Dollar value when the interest is received or at the time of the sale or retirement. If such MTN Holder purchases Australian dollars, such MTN Holder generally will have a tax basis equal to the United States Dollar value of the Australian dollars on the date of the purchase. If such MTN Holder sells or disposes of Australian dollars, including if such MTN Holder uses it to purchase MTNs or exchange it for United States Dollars, any gain or loss recognized generally will be ordinary income or loss.

7. Medicare Tax

An MTN Holder that is an individual or estate, or a trust that does not fall into a special class of trusts that is exempt from such tax, is subject to a 3.8% tax on the lesser of (1) the holder's "net investment income" for the relevant taxable year and (2) the excess of the holder's modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between \$125,000 and \$250,000, depending on the individual's circumstances). An MTN Holder's net investment income generally includes its interest income and its net gains from the disposition of MTNs, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). An MTN Holder that is an individual, estate or trust is urged to consult a tax advisors regarding the applicability of the Medicare tax to the holder's income and gains in respect of the holder's investment in the MTNs.

8. Treasury Regulations Requiring Disclosure of Reportable Transactions

United States Treasury regulations require United States taxpayers to report certain transactions that give rise to a loss in excess of certain thresholds (a "**Reportable Transaction**"). Under these regulations, an MTN Holder that recognizes a loss with respect to the MTNs that is characterized as an ordinary loss due to changes in currency exchange rates (under any of the rules discussed above) would be required to report the loss on Internal Revenue Service Form 8886 (Reportable Transaction Statement) if the loss exceeds the thresholds set forth in the regulations. For individuals and trusts, this loss threshold is US\$50,000 in any single taxable year. For other types of taxpayers and other types of losses, the thresholds are higher. An MTN Holder should consult with the holder's tax advisor regarding any tax filing and reporting obligations that may apply in connection with acquiring, owning and disposing of MTNs.

9. Foreign Account Tax Compliance Withholding

Certain non-U.S. financial institutions must comply with information reporting requirements or certification requirements in respect of their direct and indirect United States shareholders and/or United States accountholders to avoid becoming subject to withholding on certain payments. Those non-U.S. financial institutions may accordingly be required to report information to the Internal Revenue Service regarding the holders of MTNs. MTN Holders are urged to consult their own tax advisors and any banks or brokers through which they will hold MTNs as to the consequences (if any) of these rules to them.

10. Information with Respect to Foreign Financial Assets

Owners of "specified foreign financial assets" with an aggregate value in excess of US\$50,000 (and, in some circumstances, a higher threshold) may be required to file an information report with respect to such assets with their tax returns. "Specified foreign financial assets" may include financial accounts maintained by foreign financial institutions, as well as the following, but only if they are held for investment and not held in accounts maintained by financial institutions: (i) stocks and securities issued by non-United States persons, (ii) financial instruments and contracts that have non-United States issuers or counterparties, and (iii) interests in foreign entities. MTN Holders are urged to consult their tax advisors regarding the application of this reporting requirement to their ownership of the MTNs.

11. Backup Withholding and Information Reporting

The Issuer is not subject to the information reporting and backup withholding requirements that are imposed by United States law with respect to certain payments of interest or principal on debt obligations. While United States Treasury regulations confirm that the information reporting and backup withholding requirements do not apply to the Registrar with respect to the MTNs, the Registrar may file information returns with the Internal Revenue Service with respect to payments on MTNs made within the United States to certain United States persons as if such returns were required of it. Under the book-entry system as operated by the Federal Reserve Bank of New York, no such information returns will be filed by the Registrar with respect to book-entry MTNs.

Brokers, trustees, custodians and other intermediaries within the United States are subject to the reporting and backup withholding requirements with respect to certain payments on the MTNs received by them for the account of certain United States persons, and foreign persons receiving payments on the MTNs within the United States may be required by such intermediaries to establish their status in order to avoid information reporting and backup withholding of tax by such intermediaries in respect of such payments. Payment of the proceeds from the sale of an MTN effected at a foreign office of a broker generally will not be subject to information reporting or backup withholding. However, a sale effected at a foreign office of a broker could be subject to information reporting in the same manner as a sale within the United States (and in certain cases may be subject to backup withholding as well) if (i) the broker has certain connections to the United States, (ii) the proceeds or confirmation are sent to the United States or (iii) the sale has certain other specified connections with the United States.

An MTN Holder generally may obtain a refund of any amounts withheld under the backup withholding rules that exceed the holder's income tax liability by filing a refund claim with the IRS.
