**Re: Go Ez Corporation  
Registration Statement on Form S-1  
Filed February 12, 2015  
File No. 333-202047**

Dear Mr. Cinta:

Our preliminary review of your registration statement indicates that it fails in material respects to comply with the requirements of the Securities Act of 1933, the rules and regulations under that Act, and the requirements of the form. For instance, we note the following deficiencies:

1. You incorporate information by reference into your registration statement but do not appear to satisfy the requirements set forth in General Instruction VII to the Form S-1. For example, General Instruction VII.D.1(b) prohibits a registrant that was a shell company in the past three years from incorporating information by reference and you appear to have been a shell company prior to your acquisition of Federal Technology Agency, Inc. Also, you have not yet filed an annual report for your most recently completed fiscal year, as required by General Instruction VII.C. Accordingly, please amend the registration statement to include all disclosure required by Form S-1.
2. Your registration statement fails to include audited financial statements and related disclosures for the fiscal year ended December 31, 2014. Refer to Rule 8-08 of Regulation S-X.

If you were to request acceleration of the effective date of the registration statement in its present form, we would likely recommend that the Commission deny your request. We suggest that you consider filing a substantive amendment to correct the deficiencies. You may contact Jeff Kauten, Staff Attorney, at (202) 551-3447 if you have any questions or, in his absence, me at (202) 551-3456.

Sincerely,

Matthew Crispino  
Staff Attorney
