**Re: Go Ez Corporation
Amendment No. 2 to Registration Statement on Form S-1
Filed June 29, 2015
File No. 333-202047**

Dear Mr. Cinta:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our May 19, 2015 letter.

General

1. We note that you are registering the resale of 1,137,500 shares of common stock. Given the size of the offering relative to the number of shares outstanding held by non-affiliates, the offering of such shares appears to be a primary offering. Because you are not eligible to conduct a primary offering on Form S-3, you are not eligible to conduct a primary at-the-market offering under Rule 415(a)(4). Therefore, please revise the terms of your offering to provide that all offers and sales by selling stockholders will be made at the disclosed fixed price for the duration of the offering and to identify the selling shareholders as underwriters. If you disagree with our determination, please advise the staff of the company's basis for determining that the transaction is appropriately characterized as a transaction that is eligible to be made under Rule 415(a)(1). In this regard, please address the factors referred to in Securities Act Rules Compliance and Disclosure Interpretation 612.09, available on our website at www.sec.gov.
