Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

General

1. We note that the website of your subsidiary EUROIMMUN Medizinische Labordiagnostika AG lists distributors in Syria and Sudan. Syria and Sudan are designated by the State Department as state sponsors of terrorism, and are subject to U.S. economic sanctions and/or export controls. You do not include disclosure about Syria and Sudan in the Form 10-K. Please describe to us the nature and extent of your past, current and anticipated contacts with Syria and Sudan, including contacts with their governments, whether through subsidiaries, distributors or other direct or indirect arrangements.
