additional guidance in Section 501.12.b.3 of the Financial Reporting Codification regarding the quantification of material factors impacting the increases or decreases in the line items comprising net income in comment 2. In your letter dated October 24, 2012, you agreed to expand MD&A to include the quantification of multiple factors. However, it does not appear as though you have appropriately addressed this requirement in your Form 10-Q. For example, you disclose that your rental and lease revenues were impacted by increased demand for T&M equipment (i.e., volume increase); the acquisition of EMT; offset by a decline in DP equipment demand. Please confirm that you will provide the required quantified disclosures in your next periodic report.

You may contact Tracey Smith, Staff Accountant, at (202) 551-3736, or in her absence, me at (202) 551-3355, if you have questions regarding comments on the financial statements and related matters. Please contact Craig E. Slivka, Special Counsel, at (202) 551-3729 with any other questions.

Sincerely,

/s/ Terence O'Brien
