Re: EQT Corporation
Definitive Additional Soliciting Materials on Schedule 14A
Filed May 30, 2019
File No. 1-03551

Dear Mr. Goldfeld:

We have reviewed the filing above containing a screenshot of the web pages appearing on the Company's website address at <https://VoteGoldForEQT.com> and have the following comment.

1. The webpage contains the following statement "Unreasonable, seeking *to take control of the entire EQT Board without paying a control premium* to other shareholders" (emphasis added). The "Rice Platform," seeking to reconstitute EQT's Board, is an exercise of the Rice Group's right, as shareholders of the Company, to nominate directors for election at the Annual Meeting rather than a purchase of a controlling interest in the Company's capital stock. In addition, EQT's statement that the Rice Team is seeking to take control of the "*entire* EQT Board" (emphasis added) is unsupported given that the Rice Team's slate of seven nominees includes Daniel J. Rice IV, who currently serves on the Board and has been re-nominated for election by the Company. Please revise the webpage to delete the reference to taking control of the *entire* board and qualify such statement by noting that control premiums are not commonly associated with exercising a right to nominate directors but rather with purchases of a controlling interest in the capital stock of a company.

We remind you that the filing persons are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
