In our comments, we may ask you to provide us with supplemental information so we may better understand your disclosure. After reviewing this information, we may or may not raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. Item 4-01. Changes in Registrant's Certifying Accountant

1. We note your responses to prior comments 1 – 3 as well as the background information provided on the nature of the disagreement. In regard to this disagreement, please amend your report to comply with the disclosure requirements of Item 304(a)(1)(iv) of Regulation S-K for statements (B) and (C).
2. Please refer to prior comment 4. We do not see where you have provided all the disclosure required by Item 304(b) of Regulation S-K. Please revise to provide the required disclosures, or otherwise tell us where you have provided the required disclosures.
3. To the extent that you amend the Form 8-K to comply with our comments, please obtain and file an Exhibit 16 letter from the former accountant stating whether the accountant agrees with your Item 304 disclosures, or the extent to which the accountant does not agree.

General

4. We note that you did not provide all of the acknowledgments previously requested. Please provide, in writing, a statement from the company acknowledging that:
 - The company is responsible for the adequacy and accuracy of the disclosure in the filing;
 - staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
 - the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
5. We note that your correspondence dated January 22, 2010 addresses our comments for two distinct and separate registrants. In responding to the comments above, please prepare and submit separate correspondences for each registrant.
