Dear Mr. King:

We have reviewed your filings and have the following comments.

**Additional Definitive Soliciting Materials filed June 23, 2009**

1. Each statement or assertion of opinion or belief must be clearly characterized as such, and a reasonable factual basis must exist for each such opinion or belief. Support for opinions or beliefs should be self-evident, disclosed in the proxy statement or provided to the staff on a supplemental basis. We note your assertions on page 5 of the investor presentation that Emulex has a "track record of underperformance" and that its board and management have shown an "Inability to deliver satisfactory results."
2. We note your statement on page 7 of the investor presentation that if the consent solicitation fails, Emulex security holders "will be denied the opportunity to act until the annual stockholder meeting, which could be as late as 2010 . . ." In this respect, we note that Emulex announced in early June that its annual meeting will be held on November 19, 2009. Please provide corrective disclosure.
