Form 10-K for the year ended December 31, 2014

3. Restructuring, page 79

1. We note your responses to comments 1 and 2 in our letter dated October 8, 2015. You indicate, among other things, that the \$2.8 million loss on the sale of Video Injection - Insituform SAS recorded within your Form 10-Q for the quarter ended March 31, 2015, is not material to require a change in the classification in your financial statements. Please also identify and quantify all other items such as your gain on sale of Insituform-Germany, loss on sale of Ka-te, loss on sale of your Bayou JV, restructuring type charges, settlement on escrow accounts as well as any other such items that you have classified as non-operating during the six months ended June 30, 2015, the three months ended June 30, 2015 and March 31, 2015, and the years ended December 31, 2014, 2013 and 2012, along with your SAB 99 materiality analysis to demonstrate that these amounts were not quantitatively or qualitatively material to any of the affected periods.
