**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Board of Directors and Stockholders of
Economy Securities, Incorporated

I have reviewed management's statements, included in the accompanying Exemption report of Broker and Dealers, in which Economy Securities, Incorporated, identified the following provisions 17 C.F.R. § 15c3-3(k) under which the Firm claimed an exemption from 17 C.F.R. § 240.15c3-3: (k) (2) (ii), and Economy Securities, Incorporated stated that Economy Securities, Incorporated met the identified exemption provisions mentioned throughout the past fiscal year ended December 31, 2018 without exception. Economy Securities, Incorporated's management is responsible for compliance with the exception provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly included inquiries and other required procedures to obtain evidence about the Firm's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2) (ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Economy Securities, Incorporated

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Economy Securities, Incorporated, as of December 31, 2018, the related statements of income, changes in stockholder's equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material aspects, the financial position of Economy Securities, Incorporated as of December 31, 2018 and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Economy Securities, Incorporated's management. My responsibility is to express an opinion on Economy Securities, Incorporated's financial statements based on our audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Economy Securities, Incorporated in accordance with the U.S. federal securities laws and the applicable rules and the regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Supplemental Information

The Schedule of Computation of Net Capital Requirements Under SEC Rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of Economy Securities, Incorporated's financial statements. The supplemental information is the responsibility of Economy Securities, Incorporated's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the Schedule of Computation of Net Capital Requirement Under SEC Rule 15c3-1 is fairly stated, in all material respects, in relation to the financial statements as a whole.
