Fund Name	Management Fees	Distribution (12b-1) Fees	Other Expenses	Total Gross Annual Fund Expenses	Fees and Expenses Waived or Reimbursed	Total Net Annual Fund Expenses

1 The table shows the estimated operating expenses for Class I Shares of each Portfolio as a ratio of expenses to average daily net assets. These estimates, unless otherwise noted, are based on each Portfolio's actual operating expenses for its most recently completed fiscal year, as adjusted for Contractual changes, if any.

2 Through a "bundled fee" arrangement, Directed Services, Inc. (DSI), the Trust's manager, is paid a single fee for advisory, administrative, custodial, transfer agency, auditing and legal services necessary for the ordinary operation of the Portfolios. The Portfolios would bear any extraordinary expenses.

3 Because the Class I Shares of these Portfolios had not commenced operations prior to December 31, 2003, the Portfolio's fiscal year end, expenses are estimated based on the expenses of the Portfolio's Class S Shares for the most recently completed fiscal year.

4 A portion of the brokerage commissions that the Portfolio pays is used to reduce the Portfolio's expenses. Including this reduction the "Total Annual Fund Operating Expenses" for the year ended December 31, 2003 would have been 0.89%. This arrangement may be discontinued at any time.

5 Because the Portfolio is new, expenses, shown above, are estimated.

6 The above table shows the estimated operating expenses for Class I shares of each Portfolio as a ratio of expenses to average daily net assets. These estimates are based on the Portfolio's actual operating expenses for its most recently completed fiscal year, as adjusted for Contractual changes, if any, and fee waivers to which the Portfolio's investment adviser has agreed for the Portfolio.

7 ING Funds Services, LLC receives an annual administration fee equal to 0.10% of average daily net assets which is included in Other Expenses in the above table. Estimated Other Expenses are based on the Portfolio's actual Other Expenses for its most recently completed fiscal year.

8 ING Investments, LLC, the investment adviser to the Portfolio, has entered into a written expense limitation agreement with the Portfolio under which it will limit expenses of the Portfolio, excluding interest, taxes, brokerage and extraordinary expenses, subject to possible recoupment by the adviser within three years. The amount of the Portfolio's expenses waived, reimbursed or recouped during the last fiscal year by the adviser is shown under Fees and Expenses Waived or Reimbursed in the above table. For the ING VP MidCap Opportunities Portfolio, the expense limits will continue through at least December 31, 2005. For further information regarding the expense limitation agreements, see the Fund's prospectus.
