**Re: Fibrocell Science, Inc.
Registration Statement on Form S-1
Filed November 27, 2009
File No. 333-163386**

Dear Mr. Daly:

We have limited our review of the above referenced registration statement to only the issues identified herein. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Form S-1 filed November 27, 2009

General

1. Please remove the additional securities that may be issued as dividends on the Series A Preferred Stock assuming certain conditions are met from this registration statement. You may register these shares in the event the conditions are met and the dividend is likely to be paid.
2. We note that the total number of shares to be registered as listed in the selling stockholder table does not match the total number of shares listed in the registration fee table or on the cover page of the filing. Please reconcile.

Item 16. Exhibits and Financial Statements, page II-2

3. Please file as an exhibit to the registration statement the legal opinion of Cozen O'Connor listed as Exhibit 5 in your exhibit index opining as to each of the securities included in the offering.

Signatures, page II-6

4. We note that you, the company's chief executive officer and chief financial officer, have signed the Form S-1 on behalf of the registrant and in your capacities as CEO and CFO, but that the filing has not been signed by the company's controller or principal accounting officer in those capacities as required by Form S-1. Please amend your filing to include the signature of your controller or principal accounting officer. If you are also the company's controller or principal accounting officer, please indicate beneath your signature that you are signing the Form S-1 in the capacity of controller or principal accounting officer in addition to in your capacity as CEO, CFO and COO. See Instructions 1 and 2 to the Signatures section of Form S-1 for further information.

* * *

As appropriate, please amend your registration statement in response to these comments. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Act of 1933 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event the company requests acceleration of the effective date of the pending registration statement, it should furnish a letter, at the time of such request, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;

- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statement. We will act on the request and, pursuant to delegated authority, grant acceleration of the effective date.

We direct your attention to Rules 460 and 461 regarding requesting acceleration of a registration statement. Please allow adequate time after the filing of any amendment for further review before submitting a request for acceleration. Please provide this request at least two business days in advance of the requested effective date.

Please contact Laura Crotty at (202) 551-3563 or myself at (202) 551-3715 with any questions.

Sincerely,

Jeffrey P. Riedler
Assistant Director
