RE: Forward Industries, Inc.
Item 4.01 Form 8-K filed December 16, 2010
File No. 1-34780

Dear Mr. Johnson:

We have reviewed this filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within five business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

1. You disclose that you did not consult with your new accountant during the years ended September 30, 2010 and 2009 and through the date of dismissal of your former accountant. Item 304(a)(2) of Regulation S-K requires disclosures about consultations with the new accountant up through the date of engagement of the new accountant and not the dismissal of the former accountant. As such, please review your disclosure in an amended Form 8-K.
2. To the extent that you make changes to the Form 8-K to comply with our comments, please obtain and file an updated Exhibit 16 letter from the former accountants stating whether the accountant agrees with the statements made in your amended Form 8-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
