**Re: TEGNA Inc.
Definitive Additional Materials on Schedule 14A
Filed April 17, 2020 by Standard General L.P., et al.
File No. 001-06961**

Dear Mr. de Wied:

We have reviewed the above-captioned filing and have the following comment.

DFAN14A filed April 17, 2020

1. We note your statement highlighting that "ISS Recommends Shareholders Vote on Standard General's WHITE Proxy Card for Change at TEGNA." We further note the inclusion of the following partial excerpted quote from the ISS report on your website and in your filing: "The key change that appears necessary is confirming the board's openness to negotiating with potential bidders. As such, votes are warranted on the WHITE card." We believe that by omitting the full text of these two excerpted sentences from the report, your presentation of this language may constitute a materially misleading statement in contravention of Rule 14a-9. As presented on your website and in your press release, the quoted language appears to give the impression that ISS has recommended that shareholders vote for all of your nominees on the white card as opposed to just one. Accordingly, please file revised materials as soon as possible to include the full text of the quoted language and to clearly state that ISS has recommended that shareholders vote for only one of Standard General's nominees. Also, make similar revisions to the material on the TomorrowsTegna.com website.
