Preliminary Information Statement on Schedule 14C  
Filed November 14, 2014  
File No. 001-05707**

Dear Mr. Baker:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to these comments, we may have additional comments.

General

1. Please revise the information statement to include greater detail of the transaction contemplated by the stock purchase agreement. Refer to Item 11(c) of Schedule 14A. In addition, please furnish financial statements with your amendment or provide us with a detailed explanation as to why you believe financial statements are not required. Refer to Item 13(a) of Schedule 14A and the instruction thereto.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
