If you are a stockholder of record, you should bring the top half of your proxy card as your admission ticket and present it upon entering the Annual Meeting. If you are planning to attend the Annual Meeting and your shares are held in "street name" by your broker (or other nominee), you should ask the broker (or other nominee) for a proxy issued in your name and present it at the meeting.

Whether or not you plan to attend the Annual Meeting, and regardless of how many shares you own, it is important that your shares be represented at the Annual Meeting. Accordingly, we urge you to complete the enclosed proxy and return it to us promptly in the postage-prepaid envelope provided, or to complete your proxy by telephone or via the Internet in accordance with the instructions on the proxy card. If you do attend the Annual Meeting and wish to vote in person, you may withdraw a previously submitted proxy at that time.

PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors of Skyworks Solutions, Inc., a Delaware corporation (“Skyworks” or the “Company”), for use at the Company’s annual meeting of stockholders to be held at 2:00 p.m., local time, on Thursday, March 29, 2007, at the Boston Marriott Burlington, One Mall Road, Burlington, Massachusetts or at any adjournment or postponement thereof (the “Annual Meeting”). The Company’s Annual Report, which includes financial statements and Management’s Discussion and Analysis of Financial Condition and Results of Operation for the fiscal year ended September 29, 2006, is being mailed together with this Proxy Statement to all stockholders entitled to vote at the Annual Meeting. This Proxy Statement and form of proxy are being first mailed to stockholders on or about February 5, 2007.

Only stockholders of record at the close of business on January 29, 2007 (the “Record Date”), are entitled to notice of and to vote at the Annual Meeting. As of January 29, 2007, there were 163,156,053 shares of Skyworks’ common stock issued and outstanding. Pursuant to Skyworks’ certificate of incorporation and by-laws, and applicable Delaware law, each share of common stock entitles the holder of record at the close of business on the Record Date to one vote on each matter considered at the Annual Meeting. As a stockholder, you may vote in one of the following three ways whether or not you plan to attend the Annual Meeting: (1) by completing, signing and dating the accompanying proxy card and returning it in the postage-prepaid envelope enclosed for that purpose, (2) by completing your proxy using the toll-free telephone number listed on the proxy card, or (3) by completing your proxy via the Internet at the website address listed on the proxy card. If you attend the Annual Meeting, you may vote in person at the meeting even if you have previously completed your proxy by mail, telephone or via the Internet. If your shares are held in “street name” by your broker (or other nominee), the broker (or other nominee) is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, the broker will be entitled to vote the shares with respect to “discretionary” items as described below but will not be permitted to vote the shares with respect to “non-discretionary” items (in which case any shares voted by the broker will be treated as “broker non-votes”). If your shares are held in “street name” by your broker (or other nominee), please check your proxy card or contact your broker (or other nominee) to determine whether you will be able to vote by telephone or via the Internet.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted at the Annual Meeting. Proxies may be revoked by (i) delivering to the Secretary of the Company, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a later date than the proxy, (ii) duly completing a later-dated proxy relating to the same shares and presenting it to the Secretary of the Company before the taking of the vote at the Annual Meeting or (iii) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). Any written notice of revocation or subsequent proxy should be delivered to the Company’s principal executive offices at Skyworks Solutions, Inc., 20 Sylvan Road, Woburn, MA 01801, Attention: Secretary, or hand delivered to the Secretary of the Company, before the taking of the vote at the Annual Meeting.

The representation in person or by proxy of at least a majority of the issued and outstanding common shares entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business. Shares that abstain from voting on any proposal and “broker non-votes” will be counted as shares that are present and entitled to vote for purposes of determining whether a quorum exists at the Annual Meeting. For purposes of determining the outcome of any matter as to which a broker (or other nominee) has indicated that it does not have discretionary voting authority, those shares will be treated as not present and not entitled to vote with respect to that matter (even though those shares are considered entitled to vote for quorum purposes and may be entitled to vote on other matters).

Pursuant to the Company's by-laws, directors are elected by a plurality vote and, therefore, the three nominees who receive the most votes will be elected. Stockholders will not be allowed to cumulate their votes in the election of directors. Accordingly, abstentions, which will not be voted, will not affect the outcome of the election of the nominees to the Board of Directors. In addition, the election of directors is a "discretionary" matter on which a broker (or other nominee) is authorized to vote in the absence of instruction from the beneficial owner.

Regarding Proposal 2, an affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting, and entitled to vote on such matter, is required for approval. Proposal 2 involves a matter on which a broker (or other nominee) does have discretionary authority to vote. With respect to Proposal 2 an abstention will have the same effect as a "no" vote. There are no proposals involving matters on which a broker (or other nominee) does not have discretionary authority to vote. An automated system administered by the Company's transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately.

The persons named as attorneys-in-fact in the proxies, David J. Aldrich and Allan M. Kline, were selected by the Board of Directors and are officers of the Company. Each executed proxy returned in time to be counted at the Annual Meeting will be voted. Where a choice has been specified in an executed proxy with respect to the matters to be acted upon at the Annual Meeting, the shares represented by the proxy will be voted in accordance with the specifications. If no such specifications are indicated, such proxies will be voted FOR the three nominees to the Board of Directors and FOR the ratification of the selection of KPMG LLP as the independent registered public accounting firm of the Company for the 2007 fiscal year.

If you plan to attend the Annual Meeting, please be sure to check the designated box on your proxy card indicating your intent to attend, and save the admission ticket attached to your proxy (the top half); or, indicate your intent to attend through Skyworks' telephone or Internet voting procedures, and save the admission ticket attached to your proxy. If your shares are held in "street name" by your broker (or other nominee), please check your proxy card or contact your broker (or other nominee) to determine whether you will be able to indicate your intent to attend by telephone or via the Internet. In order to be admitted to the Annual Meeting, you will need to present your admission ticket, as well as provide a valid picture identification, such as a driver's license or passport. If your shares are held in "street name" by your broker (or other nominee), you should contact your broker (or other nominee) to obtain a proxy in your name and present it at the Annual Meeting in order to vote.

Some brokers (or other nominees) may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of this Proxy Statement and our Annual Report may have been sent to multiple stockholders in your household. If you are a stockholder and your household or address has received only one Annual Report and one Proxy Statement, the Company will promptly deliver a separate copy of the Annual Report and the Proxy Statement to you, upon your written request to Skyworks Solutions, Inc., 5221 California Avenue, Irvine, CA 92617, Attention: Investor Relations, or oral request to Investor Relations at (949) 231-4700. If you would like to receive separate copies of our Annual Report and Proxy Statement in the future, you should direct such request to your broker (or other nominee). Even if your household or address has received only one Annual Report and one Proxy Statement, a separate proxy card should have been provided for each stockholder account. Each individual proxy card should be signed, dated, and returned in the enclosed postage-prepaid envelope (or voted by telephone or via the Internet, as described therein). If your household has received multiple copies of our Annual Report and Proxy Statement, you can request the delivery of single copies in the future by contacting your broker (or other nominee), or the Company at the address or telephone number above.

If you are a participant in the Skyworks 401(k) Savings and Investment Plan, you will receive a proxy card for the Skyworks shares you own through the 401(k) Plan. That proxy card will serve as a voting instruction card for the trustee of the 401(k) Plan, and your 401(k) Plan shares will be voted as you instruct.

As of January 12, 2007, there were 163,093,941 shares of Skyworks common stock issued and outstanding.

In computing the number of shares of Company common stock beneficially owned by a person and the percentage ownership of that person, shares of Company common stock that are subject to stock options or other rights held by that person that are currently exercisable or that will become exercisable within 60 days of January 12, 2007, are deemed outstanding. These shares are not, however, deemed outstanding for the purpose of computing the percentage ownership of any other person.

PROPOSALS TO BE VOTED

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's certificate of incorporation and by-laws provide that the Board of Directors shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. In connection with Mr. Robert A. Schriesheim's appointment as a director on May 11, 2006, the Board of Directors increased its size from nine (9) to ten (10) members. Accordingly, the Board of Directors currently is composed of ten (10) members: three Class I directors, three Class II directors and four Class III directors. The terms of these three classes are staggered in a manner so that only one class is elected by stockholders annually.

In compliance with the provisions of the Company's certificate of incorporation and by-laws, Mr. Schriesheim was appointed as a Class I director in order to most nearly achieve equality of number of directors among the three designated classes. A director elected by the Board of Directors to fill a vacancy (including a vacancy created by an increase in the authorized number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and has been duly qualified or until his earlier death, resignation or removal.

Messrs. Beebe, Furey and McLachlan have been nominated for election as Class II directors to hold office until the 2010 annual meeting of stockholders and thereafter until their successors have been duly elected and qualified. Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the meeting. Shares represented by all proxies received by the Board of Directors and not so marked as to withhold authority to vote for the nominees will be voted **FOR** the election of the three nominees.

Each person nominated for election has agreed to serve if elected, and the Board of Directors knows of no reason why any nominee should be unable or unwilling to serve, but if such should be the case, proxies will be voted for the election of some other person. No director, director nominee or executive officer is related by blood, marriage or adoption to any other director or executive officer. No arrangements or understandings exist between any director or person nominated for election as a director and any other person pursuant to which such person is to be selected as a director or nominee for election as a director.

Set forth below is summary information for each person nominated and each person whose term of office as a director will continue after the Annual Meeting, including the year such nominee or director was first elected a director, the positions currently held by the nominee and each director with the Company, the year each nominee's or director's term will expire and class of director of each nominee and each director. This information is followed by additional biographical information about these individuals, as well as the Company's other executive officers.

CORPORATE GOVERNANCE

General

Board of Director and Stockholder Meetings: The Board of Directors met nine (9) times during the fiscal year ended September 29, 2006 (“fiscal year 2006”). Each director attended at least 75% of the Board of Directors meetings and the meetings of the committees of the Board of Directors on which he served in fiscal year 2006. The Company’s policy is that directors are encouraged to attend the annual meeting of stockholders and expected to do so when such meeting is held in conjunction with a regularly scheduled meeting of the Board of Directors. Two (2) members of the Board of Directors attended the 2006 annual meeting of stockholders.

Board of Director Independence: Each year, the Board of Directors reviews the relationships that each director has with the Company and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable NASDAQ Stock Market, Inc. Marketplace Rules (the “NASDAQ Rules”) and who the Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, are considered to be independent directors. The Board of Directors has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members’ current and historic relationships with the Company and its competitors, suppliers and customers; their relationships with management and other directors; the relationships their current and former employers have with the Company; and the relationships between the Company and other companies of which a member of the Company’s Board of Directors is a director or executive officer. After evaluating these factors, the Board of Directors has determined that a majority of the members of the Board of Directors, namely Kevin L. Beebe, Moiz M. Beguwala, Timothy R. Furey, Balakrishnan S. Iyer, Thomas C. Leonard, David J. McLachlan, David P. McGlade and Robert A. Schriesheim, do not have any relationships that would interfere with the exercise of independent judgment in carrying out their responsibilities as a director and are independent directors of the Company within the meaning of applicable NASDAQ Rules.

Corporate Governance Guidelines: The Board of Directors has adopted corporate governance practices to help fulfill its responsibilities to the stockholders in overseeing the work of management and the Company’s business results. These guidelines are intended to ensure that the Board of Directors has the necessary authority and practices in place to review and evaluate the Company’s business operations, as needed, and to make decisions that are independent of the Company’s management. In addition, the guidelines are intended to align the interests of directors and management with those of the Company’s stockholders. A copy of the Company’s Corporate Governance Guidelines is available on the Investor Relations portion the Company’s website at: <http://www.skyworksinc.com>.

In accordance with these Corporate Governance Guidelines, independent members of the Board of Directors of the Company met in executive session without management present three (3) times during fiscal year 2006. Members of the Nominating and Corporate Governance Committee rotate as presiding director for these meetings.

Stockholder Communications: Our stockholders may communicate directly with the Board of Directors as a whole or to individual directors by writing directly to those individuals at the following address: 20 Sylvan Road, Woburn, MA 01801. The Company will forward to each director to whom such communication is

addressed, and to the Chairman of the Board in his capacity as representative of the entire Board of Directors, any mail received at the Company's corporate office to the address specified by such director and the Chairman of the Board.

Codes of Ethics: The Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors, as well as a Code of Ethics For Principal Financial Officers. Links to these codes of ethics are on the Investor Relations portion of the Company's website at: <http://www.skyworksinc.com>.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee.

Audit Committee: Skyworks has established a separately designated Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The members of the Audit Committee are Mr. McLachlan, who serves as the chairman, and Messrs. Beebe, McGlade and Schriesheim. The Board of Directors has determined that each of the members of the committee is independent within the meaning of applicable NASDAQ Rules and Rule 10A-3 under the Exchange Act. The Board of Directors has determined that each of the Chairman of the Audit Committee, Mr. McLachlan, and Mr. Schriesheim, is an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K. The Audit Committee met nine (9) times during fiscal year 2006.

The primary responsibility of the Audit Committee is the oversight of the quality and integrity of the Company's financial statements, the Company's internal financial and accounting processes, and the independent audit process. Additionally, the Audit Committee has the responsibilities and authority necessary to comply with Rule 10A-3 under the Exchange Act. The committee meets privately with the independent registered public accounting firm, reviews their performance and independence from management and has the sole authority to retain and dismiss the independent registered public accounting firm. These and other aspects of the Audit Committee's authority are more particularly described in the Company's Audit Committee Charter, which the Board of Directors adopted and is reviewed annually by the committee and is attached to this Proxy Statement as an Appendix and is available on the Investor Relations portion of our website at: <http://www.skyworksinc.com>.

The Audit Committee has adopted a formal policy concerning approval of audit and non-audit services to be provided to the Company by its independent registered public accounting firm, KPMG LLP. The policy requires that all services provided by KPMG LLP, including audit services and permitted audit-related and non-audit services, be pre-approved by the Audit Committee. The Audit Committee pre-approved all audit and non-audit services provided by KPMG LLP for fiscal year 2006.

Compensation Committee: The members of the Compensation Committee are Mr. Furey, who serves as the chairman, and Messrs. Beebe, McGlade and Schriesheim, each of whom the Board of Directors has determined is independent within the meaning of applicable NASDAQ Rules. The Compensation Committee met four (4) times during fiscal year 2006. The functions of the Compensation Committee include establishing the appropriate level of compensation, including short and long-term incentive compensation, of the Chief Executive Officer, all other executive officers and any other officers or employees who report directly to the Chief Executive Officer. The Compensation Committee also administers Skyworks' equity-based compensation plans. The Board of Directors has adopted a written charter for the Compensation Committee, which the Board of Directors adopted and is available on the Investor Relations portion of the Company's website at: <http://www.skyworksinc.com>.

Nominating and Corporate Governance Committee: The members of the Nominating and Corporate Governance Committee, each of whom the Board of Directors has determined is independent within the meaning of applicable NASDAQ Rules, are Mr. Beebe, who serves as the chairman, and Messrs. Furey, McGlade, and McLachlan. The Nominating and Corporate Governance Committee met two (2) times during fiscal year 2006. The Nominating and Corporate Governance Committee is responsible for evaluating and recommending individuals for election or re-election to the Board of Directors and its committees, including any recommendations that may be submitted by stockholders, the evaluation of the performance of the Board of

Directors and its committees, and the evaluation and recommendation of the corporate governance policies. These and other aspects of the Nominating and Corporate Governance Committee's authority are more particularly described in the Nominating and Corporate Governance Committee Charter, which the Board of Directors adopted and is available on the Investor Relations portion of the Company's website at: <http://www.skyworksinc.com>.

Director Nomination Procedures: The Nominating and Corporate Governance Committee evaluates director candidates in the context of the overall composition and needs of the Board of Directors, with the objective of recommending a group that can best manage the business and affairs of the Company and represent the interests of the Company's stockholders using its diversity of experience. The committee seeks directors who possess certain minimum qualifications, including the following:

- A director must have substantial or significant business or professional experience or an understanding of technology, finance, marketing, financial reporting, international business or other disciplines relevant to the business of the Company.
- A director (other than an employee-director) must be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Board of Directors or of a Board committee.
- The committee also considers the following qualities and skills, among others, in its selection of directors and as candidates for appointment to the committees of the Board of Directors:
 - Economic, technical, scientific, academic, financial, accounting, legal, marketing, or other expertise applicable to the business of the Company;
 - Leadership or substantial achievement in their particular fields;
 - Demonstrated ability to exercise sound business judgment;
 - Integrity and high moral and ethical character;
 - Potential to contribute to the diversity of viewpoints, backgrounds, or experiences of the Board of Directors as a whole;
 - Capacity and desire to represent the balanced, best interests of the Company as a whole and not primarily a special interest group or constituency;
 - Ability to work well with others;
 - High degree of interest in the business of the Company;
 - Dedication to the success of the Company;
 - Commitment to the responsibilities of a director; and
 - International business or professional experience.

In addition, the committee will consider that a majority of the Board of Directors must meet the independence requirements promulgated by the applicable NASDAQ Rules. The Company expects that a director's existing and future commitments will not materially interfere with such director's obligations to the Company. For candidates who are incumbent directors, the committee considers each director's past attendance at meetings and participation in and contributions to the activities of the Board of Directors. The committee identifies candidates for director nominees in consultation with the Chief Executive Officer of the Company and the Chairman of the Board of Directors, through the use of search firms or other advisors or through such other methods as the committee deems to be helpful to identify candidates. Once candidates have been identified, the committee confirms that the candidates meet all of the minimum qualifications for director nominees set forth above through interviews, background checks, or any other means that the committee deems to be helpful in the evaluation process. The committee then meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board of Directors. Based on the results of the evaluation process, the committee recommends candidates for director nominees for election to the Board of Directors.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders provided the stockholders follow the procedures set forth below. The committee does not intend to alter the manner in which it evaluates candidates, including the criteria set forth above, based on whether the candidate was recommended by a stockholder or otherwise. To date, the Nominating and Corporate Governance Committee has not received a recommendation for a director nominee from any stockholder of the Company's voting stock.

Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board of Directors may do so by submitting a written recommendation to the committee not later than October 16, 2007, in accordance with the procedures set forth below in this Proxy Statement under the heading "Stockholder Proposals." For nominees for election to the Board of Directors proposed by stockholders to be considered, the recommendation for nomination must be in writing and must include the following information:

- Name of the stockholder, whether an entity or an individual, making the recommendation;
- A written statement disclosing such stockholder's beneficial ownership of the Company's capital stock;
- Name of the individual recommended for consideration as a director nominee;
- A written statement from the stockholder making the recommendation stating why such recommended candidate would be able to fulfill the duties of a director;
- A written statement from the stockholder making the recommendation stating how the recommended candidate meets the independence requirements established by the SEC and The NASDAQ Stock Market, Inc.;
- A written statement disclosing the recommended candidate's beneficial ownership of the Company's capital stock; and
- A written statement disclosing relationships between the recommended candidate and the Company which may constitute a conflict of interest.

Nominations may be sent to the attention of the committee via U.S. mail or expedited delivery service to Skyworks Solutions, Inc., 20 Sylvan Road, Woburn, Massachusetts 01801, Attn: Nominating and Corporate Governance Committee, c/o Secretary of Skyworks Solutions, Inc.

No such member of the Compensation Committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K under the Exchange Act. PROPOSAL 2

RATIFICATION OF THE SELECTION OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY

The Audit Committee has selected KPMG LLP as the Company's independent registered public accounting firm for the current fiscal year ending September 28, 2007 ("fiscal year 2007"), and has further directed that management submit the selection of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. KPMG LLP was the independent registered public accounting firm for the Company for the fiscal year ended September 29, 2006, and has been the independent registered public accounting firm for the Company's predecessor, Alpha Industries, Inc., since 1975. We are asking the stockholders to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year 2007.

Representatives of KPMG LLP are expected to attend the Annual Meeting. They will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate stockholder questions.

Stockholder ratification of the selection of KPMG LLP as the Company's independent registered public accounting firm is not required by the Company's by-laws or other applicable legal requirements. However, the Audit Committee is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. In the event stockholders fail to ratify the appointment, the Audit Committee may reconsider this appointment. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the Company's and stockholders' best interests.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF KPMG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of Skyworks' Board of Directors is responsible for providing independent, objective oversight of Skyworks' accounting functions and internal controls. The Audit Committee is composed of four directors, each of whom is independent within the meaning of applicable NASDAQ Rules. The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal control and financial reporting process. The Company's independent registered public accounting firm is responsible for performing an independent audit of Skyworks' consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report concerning such financial statements. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and representatives of KPMG LLP, the Company's independent registered public accounting firm, and reviewed and discussed the audited financial statements for the year ended September 29, 2006 results of the internal and external audit examinations, evaluations of the Company's internal controls and the overall quality of Skyworks' financial reporting. The Audit Committee also discussed with the independent registered public accounting firm the matters required by Statement of Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee also received written disclosures and a letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent registered public accounting firm such firm's independence vis-à-vis the Company.

Based upon the Audit Committee's review and discussions described above, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended September 29, 2006, as filed with the SEC.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee, which is comprised solely of independent directors within the meaning of applicable NASDAQ Rules, outside directors within the meaning of Section 162 of the IRC and non-employee directors within the meaning of Rule 16b-3 under the Exchange Act, is responsible for determining all components of the compensation to be paid to the Chief Executive Officer of Skyworks, each of the Company's executive officers, and any other officers or employees who report directly to the Chief Executive Officer (collectively, the "Senior Executives"). The committee approves and periodically evaluates the Company's compensation policies applicable to the Senior Executives, including the Chief Executive Officer, and reviews the performance of such Senior Executives. The committee believes that executive compensation should be directly linked to corporate performance and increases in stockholder value. Its objectives are to provide: (1) levels of compensation that enable Skyworks to attract and retain key talent needed to obtain its business objectives; (2) variable compensation opportunities linked directly to Company performance; and (3) stock-based compensation opportunities that link executive compensation to stockholder value. The elements of compensation for the Senior Executives are base salary, short-term cash incentives, and long-term stock-based awards.

Compensation for Skyworks' Senior Executives, including salary, short-term cash incentives and long-term stock-based incentives, is established at levels intended to be competitive with the compensation of comparable executives in similar companies. In determining competitive compensation standards, the Compensation Committee utilized studies from third-party compensation consultants at Aon/Radford Consulting on executive compensation in comparable high technology and semiconductor companies. At the request of the committee, Aon/Radford Consulting, assisted by management, selected, as a comparator, a peer group of 17 publicly-traded, U.S.-based corporations with which the Company may compete in recruiting executive talent. The comparator group selected has been approved by the committee. Following a review of these studies, the Compensation Committee established base salaries, short-term cash incentive targets and long-term stock-based awards. Base salaries and long-term stock-based awards were generally targeted at the market median, and in certain instances were targeted closer to the 75th percentile of the Company's peers based on roles, responsibilities and performance. Total cash compensation (i.e., base salary plus short-term cash incentive) was also targeted at the market median with the opportunity for executives to earn above the market median based on performance. In establishing individual compensation, the Compensation Committee considers the individual experience and performance of the executive, as well as the performance of Skyworks. The Chief Executive Officer is not present during voting or deliberations of the Compensation Committee concerning his compensation. However, the Compensation Committee does consider the recommendations of the Chief Executive Officer regarding the compensation of the other Senior Executives. These recommendations include an assessment of the individual's responsibilities, experience, individual performance and contribution to the Company's performance, and also generally take into account internal factors such as historical compensation and level in the organization, in addition to external factors such as the competitive environment for attracting and retaining executives. In light of the considerations discussed above in determining base salaries, and the recommendations of the Compensation Committee's compensation consultant, the committee increased the base salaries of the Senior Executives an average of 4% effective for the fiscal year ended September 29, 2006. Given the Company's performance in fiscal year 2005, the Company's Chief Executive Officer did not receive a salary increase for the fiscal year ended September 29, 2006.

Short-term cash incentive compensation for each Senior Executive is established annually by the Compensation Committee by tying a significant portion of each Senior Executive's total cash compensation to the Company's accomplishment of specific financial objectives. The Compensation Committee established aggressive forward-looking financial targets for Skyworks' Senior Executives for fiscal year 2006. During fiscal year 2006, the Company's financial performance did not meet these targets. Accordingly, no annual cash incentive payments were made to the Chief Executive Officer or any of the other Senior Executives for fiscal year 2006.

The Compensation Committee currently provides Senior Executives with long-term stock-based compensation under Skyworks' 2005 Long-Term Incentive Plan. In the past, the Compensation Committee typically awarded nonqualified stock options under its stock-based compensation plans. Given the mandate of the expensing of stock-based compensation awards, the Company has started to grant alternative equity vehicles, such as restricted stock. The committee determines who should receive grants, when grants should be made, the

type of grants to be made, the applicable vesting schedules and the number of shares subject to each award. These grants are intended to tie the value of Senior Executives' compensation to the long-term value of Skyworks' common stock. The stock-based awards granted by the committee typically utilize vesting periods in order to encourage key employees to remain employed by Skyworks. In general, the Compensation Committee bases its decisions regarding the grant of stock-based awards on recommendations of management and the committee's third-party compensation consultant, with the intention of keeping the executives' overall compensation, including the stock-based component of that compensation, at a competitive level with the Skyworks' comparator group. The Compensation Committee also considers the number of shares of common stock outstanding, the number of shares of common stock authorized for issuance under its stock-based compensation plans, the number of options and shares held by the Senior Executive for whom an award is being considered and the other elements of the Senior Executive's compensation, as well as the Company's compensation objectives and policies described above. As with the determination of base salaries and short-term cash incentives, the Committee exercises subjective judgment and discretion in view of the above criteria. During fiscal year 2006, the Compensation Committee granted a combination of restricted stock and stock options to each of the Senior Executives under stock-based compensation plans, targeted at the market median of the Company's peers, with adjustments to reflect roles within the Company, individual performance and current equity holdings.

Skyworks also permits Senior Executives and other employees to purchase Skyworks common stock at a discount through the Company's Employee Stock Purchase Plan. Skyworks' employees, including the Senior Executives, may also participate in the Company's 401(k) Plan, under which Skyworks' employer contribution has in recent years been made in the form of Skyworks common stock. The committee believes that these programs, along with stock-based awards, provide the Senior Executives with the opportunity to acquire long-term stock ownership positions, and help to align the executives' interests with stockholders' interests. The committee believes that this directly motivates Senior Executives to maximize long-term stockholder value.

In the past, a component of executive compensation provided executives and other highly compensated employees with a means to defer recognition of income. Certain Senior Executives designated by the Compensation Committee were eligible to participate in this Executive Compensation Plan, which is discussed in the "Executive Compensation" section of this Proxy Statement. As a result of deferred compensation legislation under Section 409A of the IRC, effective December 31, 2005, the Company no longer permits employees to make contributions to this plan.

With regard to Mr. Aldrich, the Company's President and Chief Executive Officer, the Compensation Committee made an overall assessment of Mr. Aldrich's leadership in establishing and executing long-term and short-term strategic, operational and business goals for the Company. Additionally, as part of the review process, the Compensation Committee assessed Skyworks' financial and business results compared to the Company's semiconductor peers; Skyworks' financial performance relative to its financial performance in prior periods; Skyworks' market competitiveness as measured by new business creation and product generation; and the health of the Skyworks organization as measured by the ability to attract and retain key employees. As a result of this review, the Compensation Committee awarded a mix of base salary and short-term cash incentive, along with a long-term, stock-based award, designed to align Mr. Aldrich's compensation with the performance of Skyworks. The resulting total cash compensation was targeted at the market median of chief executive officers of the comparator group utilized by the Committee's third-party compensation consultants. As a result of the Company's performance in fiscal year 2005, Mr. Aldrich did not receive a salary increase for fiscal year 2006. During fiscal year 2006, Mr. Aldrich received a base salary of \$552,000, which was between the 50th and 75th percentile of this peer group. As discussed above, the Compensation Committee also established aggressive forward-looking financial targets for Mr. Aldrich for fiscal year 2006. During fiscal year 2006, the Company's financial performance did not meet these targets, resulting in no annual cash incentive payment being made to Mr. Aldrich for fiscal year 2006. Mr. Aldrich also received a combination of restricted stock and stock options in fiscal year 2006 with a Black-Scholes value between the 25th and 50th percentile of the Company's peers.

Section 162(m) of the IRC limits the tax deductibility by a publicly held corporation of compensation in excess of \$1 million paid to certain of its executive officers. However, this deduction limitation does not apply to certain "qualified performance-based compensation" within the meaning of the IRC and the regulations promulgated thereunder. The Compensation Committee has considered the limitations on deductions imposed by Section 162(m), and it is the Compensation Committee's intention to structure executive compensation to

minimize the application of the deduction limitations of Section 162(m) insofar as consistent with the Compensation Committee's overall compensation objectives.

All restricted stock awards made during fiscal year 2005 vest 25% per year on each of the first four anniversaries of the grant date. As of September 29, 2006, the aggregate number of shares of restricted stock held by each of the Named Executives, and the dollar value of such shares, was as follows: Mr. Aldrich, 219,390 shares (\$1,138,634); Mr. Barber, 46,149 shares (\$239,513); Mr. Griffin, 51,327 shares (\$266,387); Mr. Kline, 46,327 shares (\$240,437); Mr. Waters, 66,327 shares (\$344,237). The following tables provide information about stock options granted to and exercised by each of the Named Executives in fiscal year 2006, if any, and the value of options held by each at September 29, 2006.

Gregory L. Waters	100,000	2.7	\$4.99	11/8/2012	\$203,143	\$ 473,410

The options vest at a rate of 25% per year commencing one year after the date of grant, provided the holder of the option remains employed by the Company. Options may not be exercised beyond three months after the holder ceases to be employed by the Company, except in the event of termination by reason of death or permanent disability, in which event the option may be exercised for specific periods not exceeding one year following termination. The assumed annual rates of stock price appreciation stated in the table are dictated by regulations of the SEC, and are compounded annually for the full term of the options. These assumptions do not reflect our estimates of future stock price growth and actual outcomes may differ.

LONG-TERM INCENTIVE AWARDS

There were no long-term incentive awards granted to any Named Executives for fiscal year 2006.

EXECUTIVE COMPENSATION

Our executives are eligible for awards of nonqualified stock options, restricted stock, and other stock-based awards under our applicable stock-based compensation plans. These stock-based compensation plans are administered by the Compensation Committee of the Board of Directors. Generally, the exercise price at which an executive may purchase Skyworks' common stock pursuant to a stock option is the fair market value of Skyworks' common stock on the date of grant. Stock options are granted subject to restrictions on vesting, with equal portions of the total grant typically vesting over a period of four years. Our stock options are subject to termination (after certain grace periods) upon termination of employment, disability or death. Restricted stock awards involve the issuance of shares of common stock that may not be transferred or otherwise encumbered, subject to certain exceptions, for varying amounts of time, and which will be forfeited, in whole or in part, if the executive terminates his or her employment with Skyworks prior to the restrictions lapsing.

The Named Executives were also eligible to receive short-term cash incentive compensation under which a percentage of each executive's total cash compensation is tied to the Company's accomplishment of specific financial objectives during fiscal year 2006. The Company did not achieve the financial objectives set by the Board of Directors, and therefore no short-term cash incentive payments were made to the Named Executives with respect to fiscal year 2006. Although in prior fiscal years, certain Named Executives were provided an opportunity to participate in the Company's Executive Compensation Plan (the "Executive Compensation Plan"), an unfunded, non-qualified deferred compensation plan, under which participants were allowed to defer a portion of their compensation, as a result of deferred compensation legislation under Section 409A of the IRC, effective December 31, 2005, the Company no longer permits employees to make contributions to the plan. Although the Company had discretion to make additional contributions to the accounts of participants while it was active, it never did so.

COMPENSATION OF DIRECTORS

Directors who are not employees of Skyworks are paid, in quarterly installments, an annual retainer of \$30,000, plus an additional \$1,000 for each Board of Directors meeting attended in person or \$500 for each Board of Directors meeting attended by telephone. Effective beginning fiscal year 2005, the Chairman of the Board of Directors is paid an annual retainer of \$45,000. Additional annual retainers are paid to the Chairman of the Audit Committee (\$9,000); the Chairman of the Compensation Committee (\$6,000); and the Chairman of the Nominating and Governance Committee (\$2,500). In addition, Directors who serve on Committees in roles other than as Chairman are annually paid \$3,000 (Audit Committee); \$2,000 (Compensation Committee); and \$1,250 (Nominating and Corporate Governance Committee). Each new non-employee director receives an option to purchase 45,000 shares of common stock immediately following the earlier of Skyworks' annual meeting of stockholders at which the director is first elected by the stockholders or following his initial appointment by the Board of Directors. Additionally, following each annual meeting of stockholders each non-employee director who is continuing in office or re-elected receives an option to purchase 15,000 shares of common stock. The exercise price of stock options granted to directors is equal to the fair market value of the common stock on the date of grant. Stock option grants to directors for fiscal years 2004, 2005 and 2006 were made under the 2001 Directors' Stock Option Plan. All options under the 2001 Directors' Stock Option Plan are non-qualified options, with a maximum ten (10) year term, that become exercisable in four (4) equal increments over a period of four (4) years from the date of grant.

In connection with his appointment to the Board of Directors, Mr. Schriesheim was granted an option to purchase 45,000 shares of common stock on May 11, 2006, at an exercise price equal to the fair market value of the common stock on the date of grant under our Directors' 2001 Stock Option Plan. In connection with their continued service on the Board of Directors, each of Messrs. Beebe, Beguwala, Decker, Furey, Iyer, Leonard,

McGlade and McLachlan was granted an option to purchase 15,000 shares of common stock on March 30, 2006, at an exercise price equal to the fair market value of the common stock on the date of grant.

No director who is also an employee receives separate compensation for services rendered as a director. David J. Aldrich is currently the only director who is also an employee of Skyworks. Mr. Aldrich's compensation as President and Chief Executive Officer of Skyworks is disclosed above.

SEVERANCE AGREEMENTS

Change of Control/Severance Agreement with Mr. Aldrich

In fiscal 2005, the Company entered into a Change of Control/Severance Agreement with Mr. David J. Aldrich (the "Aldrich Agreement"), the Company's Chief Executive Officer. The Aldrich Agreement sets out severance benefits that become payable if, within twenty-four (24) months of a change of control, Mr. Aldrich either (i) is involuntarily terminated without cause or (ii) voluntarily terminates his employment. The severance benefits provided to Mr. Aldrich in such circumstances will consist of the following: (i) a severance payment equal to two and one-half (2½) times his total annual compensation for the previous twelve (12) months, including salary and bonus (with the bonus to be the greater of (x) the average bonus received for the three years prior to the year in which the change of control occurs or (y) the target bonus for the year in which the change of control occurs); (ii) vesting of all outstanding stock options and any restricted stock, with such stock options remaining exercisable for a period of thirty (30) months after the termination date (but not beyond the expiration of their respective maximum terms); and (iii) if applicable, a gross-up payment for any excise taxes incurred under Section 4999 of the IRC. The Aldrich Agreement also sets out severance benefits that become payable if, while employed by the Company, but not following a change of control, Mr. Aldrich either (i) is involuntarily terminated without cause or (ii) terminates his employment for good reason. The severance benefits provided to Mr. Aldrich under such circumstances will consist of the following: (i) a severance payment equal to two (2) times his total annual compensation for the previous twelve (12) months, including salary and bonus (with the bonus to be the greater of (x) the average bonus received for the three years prior to the year in which the change of control occurs or (y) the target bonus for the year in which the change of control occurs); and (ii) vesting of all outstanding stock options and any restricted stock, with such stock options remaining exercisable for a period of two (2) years after the termination date (but not beyond the expiration of their respective maximum terms). In the event of Mr. Aldrich's death or disability, all outstanding stock options will vest in full and remain exercisable for a period of twelve (12) months following the termination of employment (but not beyond the expiration of their respective maximum terms). The Aldrich Agreement also contains non-compete and non-solicitation provisions applicable to Mr. Aldrich while he is employed by the Company, and for a period of twenty-four (24) months following the termination of his employment.

Change of Control/Severance Agreements with Messrs. Griffin, Kline, and Waters

In fiscal 2005, the Company entered into a Change of Control/Severance Agreement with each of Mr. Liam K. Griffin, Mr. Allan M. Kline, and Mr. Gregory L. Waters (the "COC Agreements"). Each COC Agreement sets out severance benefits that become payable if, within twelve (12) months of a change of control, the executive either (i) is involuntarily terminated without cause or (ii) terminates his employment for good reason. The severance benefits provided to the executive in such circumstances will consist of the following: (i) a severance payment equal to two (2) times his total annual compensation for the previous twelve (12) months, including salary and bonus (with the bonus to be the greater of (x) the average bonus received for the three years prior to the year in which the change of control occurs or (y) the target bonus for the year in which the change of control occurs); (ii) vesting of all outstanding stock options and any restricted stock, with such stock options remaining exercisable for a period of twenty-four (24) months after the termination date (but not beyond the expiration of their respective maximum terms); and (iii) if applicable, a gross-up payment for any excise taxes incurred under Section 4999 of the IRC. Each COC Agreement also sets out severance benefits that become payable if, while employed by the Company, but not following a change of control, the executive is involuntarily terminated without cause. The severance benefits provided to the executive under such circumstance will consist of the following: (i) a severance payment equal to the sum of (x) one and one-half (1½) times his annual base salary and (y) any bonus then due; and (ii) all outstanding vested stock options will remain exercisable for a period of eighteen (18) months after the termination date (but not beyond the expiration of their respective

maximum terms). In the event the executive's death or disability, all outstanding stock options will vest and remain exercisable for a period of twelve (12) months following the termination of employment (but not beyond the expiration of their respective maximum terms). Each COC Agreement also contains non-compete and non-solicitation provisions applicable to the executive while he is employed by the Company, and for a period of twenty-four (24) months following the termination of his employment.

Change of Control/Severance Agreement with Mr. Barber

In fiscal 2005, the Company also entered into a Change of Control/Severance Agreement with Mr. Kevin D. Barber (the "Barber Agreement"). The Barber Agreement sets out severance benefits that become payable if, within twelve (12) months of a change of control, the Mr. Barber either (i) is involuntarily terminated without cause or (ii) terminates his employment for good reason. The severance benefits provided to Mr. Barber in such circumstances will consist of the following: (i) severance pay equal to two (2) times his total annual compensation for the previous twelve (12) months, including salary and bonus (with the bonus to be the greater of (x) the average bonus received for the three years prior to the year in which the change of control occurs or (y) the target bonus for the year in which the change of control occurs), with such severance to be paid, at the Company's election, in a lump sum payment at the time of termination or pro-rata over a period of twelve (12) months following termination; (ii) vesting of all outstanding stock options and any restricted stock, with such stock options remaining exercisable for a period of twenty-four (24) months after the termination date (but not beyond the expiration of their respective maximum terms); and (iii) if applicable, gross-up payments for any excise (or other) taxes incurred under Sections 4999 and 409A of the IRC. The Barber Agreement also sets out severance benefits that become payable if, while employed by the Company, but not following a change of control, Mr. Barber is involuntarily terminated without cause. The severance benefits provided to Mr. Barber under such circumstance will consist of the following: (i) severance pay equal to the sum of (x) one and one-half (1½) times his annual base salary and (y) any bonus then due, with such severance to be paid pro-rata over a period of twelve (12) months following his termination; and (ii) all outstanding vested stock options will remain exercisable for a period of eighteen (18) months after the termination date (but not beyond the expiration of their respective maximum terms). In the event of Mr. Barber's death or disability, all outstanding stock options will vest and remain exercisable for a period of twelve (12) months following the termination of employment (but not beyond the expiration of their respective maximum terms). The Barber Agreement also contains a non-solicitation provision applicable to Mr. Barber while he is employed by the Company, and for a period of twelve (12) months following the termination of his employment.

On October 18, 2006, Mr. Barber resigned his position as Senior Vice President and General Manager, Mobile Platforms of the Company. Pursuant to a concurrent amendment to Mr. Barber's severance and change in control agreement with the Company, Mr. Barber agreed to continue as a non-executive employee of the Company through December 31, 2006, at which time his employment was terminated. Upon such termination he began receiving the following severance benefits as set forth in the amended agreement: (i) severance pay equal to one and one-quarter (1¼) times his annual base salary, with such severance to be paid pro-rata over a period of twelve (12) months following his termination, and (ii) all of his outstanding vested stock options will remain exercisable for a period of eighteen (18) months after the termination date (but not beyond the expiration of their respective maximum terms). Mr. Barber also agreed to execute, and has executed, a form of release of claims with the Company.

The Washington Sub, Inc. 2002 Stock Option Plan (the “Washington Sub Plan”) became effective on June 25, 2002, in connection with the Merger. At the time of the spin-off of Conexant’s wireless business, outstanding Conexant options granted pursuant to certain Conexant stock-based compensation plans were converted so that following the spin-off and Merger each holder of those certain Conexant options held (i) options to purchase shares of Conexant common stock and (ii) options to purchase shares of Skyworks common stock. The purpose of the Washington Sub Plan is to provide a means for the Company to perform its obligations with respect to these converted stock options. The only participants in the Washington Sub Plan are those persons who, at the time of the Merger, held outstanding options granted pursuant to certain Conexant stock option plans. No further options to purchase shares of Skyworks common stock will be granted under the Washington Sub Plan. The Washington Sub Plan contains a number of sub-plans, which contain terms and conditions that are applicable to certain portions of the options subject to the Washington Sub Plan, depending upon the Conexant stock option plan from which the Skyworks options granted under the Washington Sub Plan were derived. The outstanding options under the Washington Sub Plan generally have the same terms and conditions as the original Conexant options from which they are derived. Most of the sub-plans of the Washington Sub Plan contain provisions related to the effect of a participant’s termination of employment with the Company, if any, and/or with Conexant on options granted pursuant to such sub-plan. Several of the sub-plans under the Washington Sub Plan contain specific provisions related to a change in control of the Company.

Non-Qualified ESPP

The Company also maintains a Non-Qualified Employee Stock Purchase Plan to provide employees of the Company and participating subsidiaries with an opportunity to acquire a proprietary interest in the Company through the purchase, by means of payroll deductions, of shares of the Company’s common stock at a discount from the market price of the common stock at the time of purchase. The Non-Qualified Employee Stock Purchase Plan is intended for use primarily by employees of the Company located outside the United States. Under the plan, eligible employees may purchase common stock through payroll deductions of up to 10% of compensation. The price per share is the lower of 85% of the market price at the beginning or end of each six-month offering period.

6. Meet periodically to review with management and the independent accounting firm their views on the Corporation’s major financial risk exposures, including the Corporation’s risk assessment and risk management policies, and the steps management has taken to monitor and control such exposures.

Independent Accounting Firm Oversight

1. 8. Evaluate the qualifications, performance and independence of the independent accounting firm, including whether the adequacy of the independent accounting firm’s quality controls and the provision of any permitted non-audit services is compatible with maintaining the independent accounting firm’s independence and taking into account the opinions of management and the Corporation’s General Auditor.

9. Review reports from the independent accounting firm related to (i) all critical accounting policies and practices used; (ii) all alternative treatments of financial information within GAAP that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent accounting firm; and (iii) other material written communications between the independent accounting firm and management, such as any management letter or schedule of unadjusted differences.

11. Establish and maintain clear policies regarding the hiring of employees or former employees of the independent accounting firm who were engaged on the Corporation's account.

12. Obtain from the independent accounting firm adequate assurances: (i) that Section 10A of the Securities Exchange Act of 1934, as amended by the Sarbanes-Oxley Act of 2002, has not been implicated; and (ii) as to the compliance with (g), (h), (j), (k) and (l) of Section 10A of the Securities Exchange Act of 1934, as amended by the Sarbanes-Oxley Act of 2002.

13. Review with the independent accounting firm any significant problems or difficulties the independent accounting firm may have encountered and any management letter provided by the independent accounting firm and the Corporation's response to that letter, including any restrictions on the scope of activities or access to required information, significant changes to the audit plan and any disagreement with management, which if not satisfactorily resolved would have affected the independent accounting firm's opinion.

1. Engage independent counsel, accounting consultants or other advisors to advise the Committee in connection with any matter within its duties and responsibilities.

2. Monitor compliance by the employees of the Corporation and its subsidiary and controlled affiliated entities with applicable legal requirements and the Corporation's standards of business conduct policies.

4. Review annually, in consultation with the independent accounting firm and management, the adequacy of the Corporation's internal financial and accounting processes.

5. Prepare and submit, in accordance with the rules of the SEC as modified or supplemented from time to time, a written report of the Committee to be included in the Corporation's annual proxy statement for each annual meeting of the Corporation's stockholders.

4. 5. In consultation with the Corporation's management, periodically review the adequacy of the Corporation's disclosure controls and procedures.

6. Make regular reports to the Board.

7. The Committee may take such other actions regarding the Corporation's financial reporting obligations that are in the best interests of the Corporation as the Committee shall deem appropriate or as shall otherwise be required by The Nasdaq National Market or any other applicable laws.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete and accurate and are in accordance with GAAP. Those duties are the responsibility of management and the independent accounting firm.
