THIS AGREEMENT is made and entered into this 4th day of February 2005, by and among Gusmer Machinery Group, Inc., a Delaware corporation ("Shareholder" or "Seller"), PMC Global, Inc., a Delaware corporation ("PMC"), and Graco Inc., a Minnesota corporation ("Buyer"), with reference to the following facts:

RECITALS

- A. PMC owns, through one or more subsidiaries, 100% of the issued and outstanding shares of the common stock of Shareholder, which represents all of the issued and outstanding shares of the capital stock of Shareholder;
- B. Shareholder owns 100% of the issued and outstanding shares of the common stock of Gusmer Corporation, a Delaware corporation (the "Company"), which represents all of the issued and outstanding shares of the capital stock of the Company (the "Company Shares");
- C. Buyer desires to purchase, and Shareholder desires to sell, all of the Company Shares on the terms set forth herein; and
- D. Concurrently with the execution herewith, Buyer and PMC Europe Investments, S.L. ("PMC Europe") are entering into a stock purchase agreement pursuant to which Buyer is purchasing all of the issued and outstanding shares of Gusmer Europe, S.L. ("Gusmer Europe") for an aggregate purchase price of \$20 million, as more fully set forth in such agreement, a copy of which is attached as Exhibit A hereto (the "Gusmer Europe Agreement").

AGREEMENTS

NOW, THEREFORE, based upon the foregoing premises and in consideration of the mutual covenants and agreements contained herein, the parties do hereby agree as follows:

ARTICLE 1. PURCHASE AND SALE OF COMPANY SHARES

1.1 Sale and Delivery of Company Shares. Upon the terms set forth herein and in reliance on the representations, warranties and covenants in this Agreement, on the date hereof (the "Closing Date") Shareholder shall sell, convey, transfer, and deliver to Buyer all right, title, and interest in and to the Company Shares and shall deliver or cause to be delivered to Buyer one or more certificates representing such Company Shares, and Buyer shall purchase such Company Shares from Shareholder.

1.2 Excluded Assets. Notwithstanding anything contained to the contrary in this Agreement or any ancillary document, the following assets are excluded from this sale

("Excluded Assets"). For the avoidance of doubt, Section 1.2 of the Disclosure Schedule (as defined in Article 4) sets forth the Excluded Assets as of January 31, 2005. All Excluded Assets have been transferred to Shareholder on or before the date hereof by means of dividends declared and paid by the Company.

(a) The real property currently used in the operation of the Company's business located on Gusmer Drive in Lakewood, New Jersey legally described in Section 1.2(a) of the Disclosure Schedule (the "Lakewood Property"). Buyer and Shareholder agree that the Lakewood Property shall be leased by the Company from Shareholder in accordance with the terms of the lease attached hereto as Exhibit B (the "Lakewood Property Lease").

(b) Any Employee Benefit Plan (as defined in Section 4.29(a)) in which PMC, Shareholder or any business entity that is required to be aggregated and treated as one employer with PMC or Shareholder under Section 414(b) or (c) of the Code (as defined in Section 8.2) is the sponsor or a participating employer, other than any Gusmer Plan (a "Parent Plan"). A "Gusmer Plan" is any plan labeled as such in Section 4.29(b) of the Disclosure Schedule.

(c) Cash and cash equivalents.

(d) Those intercompany accounts that are to be paid in full on the Closing Date pursuant to Section 6.3.

(e) Tax assets of the type listed in Section 1.2 of the Disclosure Schedule.

1.3 Excluded Liabilities. Notwithstanding anything contained to the contrary in this Agreement or any ancillary document, the following liabilities are excluded from the sale ("Excluded Liabilities"). For the avoidance of doubt, Section 1.3 of the Disclosure Schedule sets forth the Excluded Liabilities as of January 31, 2005. All Excluded Liabilities have been transferred to Shareholder on or before the date hereof by means of dividends declared and paid by the Company.

(a) All liabilities relating to or arising out of the ownership of the Lakewood Property, whether before or after the date hereof. For the avoidance of doubt, nothing in this Section 1.3(a) shall affect the Company's obligations under the Lakewood Property Lease as operator of the Lakewood Property during the term thereof.

(b) Except as otherwise provided in the transition services agreement among Buyer, the Company and PMC attached hereto as Exhibit C (the "Transition Services Agreement"), all liabilities relating to or arising out of the Parent Plans, whether before or after the date hereof.

(c) All liabilities for Excluded Taxes (as defined in Section 8.2).

(d) All indebtedness for borrowed money incurred prior to the date hereof listed in Section 1.3(d) of the Disclosure Schedule.

(e) Those intercompany accounts that are to be paid in full on the Closing Date pursuant to Section 6.3.

(f) All liabilities relating to or arising out of the Duane Marine site in Perth Amboy, New Jersey, whether before or after the date hereof. Upon Buyer's reasonable request, PMC and Shareholder shall provide Buyer with information relating to all actions, proceedings, and developments (including assessments, demands for contribution, and hearings) with respect to such site to the extent that any of the foregoing would be reasonably likely to affect PMC, Shareholder, the Company, or Buyer.

1.4 Certain Post-Closing Matters.

(a) If, following the Closing, Buyer discovers that certain Excluded Assets were not transferred to Shareholder, then Buyer shall promptly transfer those Excluded Assets to Shareholder.

(b) From and after the Closing Date, PMC and Shareholder shall promptly remit to the Company all payments made for the benefit of the Company to any lock box or similar depository maintained by PMC, Shareholder, or any of their affiliates.

ARTICLE 2. PURCHASE PRICE

2.1 Purchase Price. The purchase price for the Company Shares shall be the sum of \$45 million (the "Base Purchase Price"), plus or minus the adjustment provided for in Section 2.3.

2.2 Payment of Purchase Price. Buyer shall deliver the Base Purchase Price to Seller via wire transfer on the Closing Date to such account as Seller has previously specified.

2.3 Purchase Price Adjustment. The Base Purchase Price shall be increased to the extent that Net Assets (as defined in Section 2.4(a)) exceeds \$9,846,788 or decreased to the extent that Net Assets falls below \$9,846,788 (the Base Purchase Price, as so adjusted, is the "Purchase Price"). If the Purchase Price exceeds the Base Purchase Price, then Buyer shall pay Shareholder an amount equal to such excess. If the Purchase Price is less than the Base Purchase Price, then Shareholder shall pay Buyer an amount equal to such difference. Any amount owed pursuant to this Section 2.3 shall be paid by the appropriate party within five business days after Net Assets is finally determined under Section 2.4 and shall include

interest thereon from the Closing Date to the date of payment at an annual rate equal to the 3-month LIBOR rate in effect as of the Closing Date.

2.4 Determination of Net Assets.

(a) The term “Net Assets” means (i) the book value (net of appropriate reserves) of the assets of the Company and its subsidiaries that would be required to be included on a consolidated balance sheet prepared in accordance with United States generally accepted accounting principles (“GAAP”), less (ii) the book value of the liabilities of the Company and its subsidiaries that would be required to be included on a consolidated balance sheet prepared in accordance with GAAP, in each case as of the close of business on the Closing Date. The computation of Net Assets will be done in a manner consistent with the methods used in the preparation of the consolidated statement of net assets of the Company as of September 30, 2004 set forth in Section 2.4(a) of the Disclosure Schedule. Notwithstanding anything to the contrary in this Article 2, Net Assets shall not include any Excluded Assets or Excluded Liabilities.

(b) Within 45 days after the Closing Date, Buyer shall prepare and deliver to Shareholder a statement (the “Statement”) setting forth Net Assets, including supporting financial statements (the “Closing Date Financial Statements”).

(c) The Statement shall become final and binding upon the parties on the 30th day following receipt thereof by Shareholder unless Shareholder gives written notice of its disagreement (a “Notice of Disagreement”) to Buyer before that date. A Notice of Disagreement pursuant to this Section 2.4(c) must set forth Shareholder’s determination of Net Assets and specify in reasonable detail the nature of any disagreement with Buyer’s determination. If a Notice of Disagreement is received by Buyer in a timely manner, then the Statement and Net Assets (as finally determined in accordance with clause (i) or (ii) below) shall become final and binding upon the parties on the earlier of (i) the date the parties resolve in writing any differences they have with respect to all matters specified in the Notice of Disagreement or (ii) the date any disputed matters are finally resolved in writing by the Arbitrator (as defined below).

(d) During the 30-day period following the delivery of a Notice of Disagreement, Buyer and Shareholder shall seek in good faith to resolve in writing any differences that they may have with respect to any matter specified in the Notice of Disagreement. If, at the end of such 30-day period, Buyer and Shareholder have not reached agreement on all such matters, then the matters that remain in dispute shall be promptly submitted to Ernst & Young LLP or such other independent public accounting firm as shall be agreed upon by the parties in writing within 15 days after the end of such 30-day period (the “Arbitrator”) for review and resolution. The procedures for the arbitration shall be determined by the Arbitrator. The Arbitrator shall render a decision resolving the matters in dispute within 30 days following

completion of the submissions to the Arbitrator. Each of Shareholder and Buyer shall pay one-half of the fees and expenses of the Arbitrator.

ARTICLE 3. CLOSING

3.1 The Closing. The transactions contemplated by this Agreement are to be closed (the “Closing”), and all deliveries to be made at such time in connection therewith are to be made, at Sun Valley, California on the Closing Date. The Closing shall be effective as of 11:59 p.m. Central Time on the Closing Date. All proceedings to take place at the Closing shall take place simultaneously, and no delivery shall be considered to have been made until all such proceedings have been completed. The parties intend that the Closing shall be effected, to the extent practicable, by conference call, the electronic delivery of certain documents, and the prior physical exchange of share certificates and certain other documents and instruments to be held in escrow by outside counsel to the recipient party pending authorization to release at the Closing.

Neither party to such arrangements nor any of its affiliates shall be liable to the other party or its affiliates on account of any acts or omissions in connection therewith, except (i) in the case of gross negligence or willful misconduct or (ii) PMC's or its affiliate's failure to provide such space to Gusmer China during such period.

6.3 Intercompany Accounts. All intercompany accounts between PMC or any of its affiliates on the one hand and the Company, any of its subsidiaries, or Gusmer Europe on the other hand shall be paid in full on the Closing Date, except to the extent that such accounts constitute Excluded Assets or Excluded Liabilities.

6.4 Employee Benefit Plans.

(a) Upon Closing, Shareholder shall cause the Company to be removed as a participating employer from any Employee Benefit Plan that is a Parent Plan and shall cause the eligibility of all Company employees under any such Plan to be terminated effective as of the Closing; provided, however, that coverage under such Employee Benefit Plans may continue for a period after the Closing as provided in the Transition Services Agreement. Except as set forth in the Transition Services Agreement, PMC or Shareholder shall retain all responsibilities and liabilities with respect to Parent Plans after the Closing Date. The Company shall continue as the sponsoring employer only of the Gusmer Plans and shall retain all responsibilities and liabilities with respect to such Gusmer Plans upon the Closing.

(b) With respect to any employee or former employee of the Company (or beneficiary thereof) who is receiving or is eligible to receive continuation medical coverage under the provisions of Section 4980B of the Code, or comparable state law,

as of the Closing Date under a Parent Plan, such plan shall continue to provide such coverage after the Closing Date.

(c) With respect to any employee of the Company on the Closing Date (or any beneficiary thereof), Buyer shall be responsible for all health insurance continuation coverage required under the provisions of Section 4980B of the Code, or comparable state law, relating to qualifying events (as defined in Section 4980B of the Code) that occur after the Closing Date, except as otherwise provided in the Transition Services Agreement.

(d) Any employee or former employee of the Company who is receiving short-term or long-term disability benefits under a disability plan sponsored by PMC or Shareholder shall continue receiving such benefits after the Closing Date in accordance with the terms of such plan.

6.5 Continuing Access to Records. From and after the Closing Date, Buyer shall give Shareholder reasonable cooperation, access, and staff assistance, as reasonably necessary, during normal business hours upon reasonable prior notice with respect to books and records and other financial data delivered to Buyer hereunder or under the Gusmer Europe Agreement or in the possession of the Company, any of its subsidiaries, or Gusmer Europe for periods before Closing as may be necessary for legitimate business purposes such as, among others, the preparation of financial statements and tax returns and the defense of litigation. Shareholder agrees to execute a customary confidentiality agreement regarding all such books and records so obtained from Buyer.

6.6 Accounts Receivable. From and after the Closing Date, Buyer shall cause the Company to use the same degree of efforts to collect the Accounts Receivable as Buyer uses in collecting its own accounts receivable. If, within 180 days after the Closing Date, the Accounts Receivable have not been collected in full, an amount equal to the sum of the face value of such uncollected Accounts Receivable minus the allowance for uncollectible accounts reflected on the Closing Date Financial Statement, shall forthwith be paid by Shareholder to the Company. If any part or all of the Accounts Receivable is subsequently paid to the Company or any assignee following such payment by Shareholder, the Company shall reimburse in full to Shareholder the amount of the Accounts Receivable so received by the Company or its assignee. Payments on Accounts Receivable shall be applied to the invoice or invoices identified in the payments. If no invoice is identified in a payment, then the payment shall be applied to the oldest of the applicable customer's receivables.

6.7 Inventory Repurchase.

(a) At Buyer's request, if any portion of the Inventory as of the Closing Date remains unsold on the third anniversary of the Closing Date, an amount equal to the book value of such unsold Inventory (net of the inventory reserve against such Inventory reflected on the Closing Date Financial Statements) shall forthwith be paid by Shareholder to the Company.

(b) In order to effectuate the foregoing, the Company will track: (i) the part numbers (including descriptions) of each part in inventory; (ii) the inventory carrying value of each part; and (iii) the quantity on hand of each part, all as of the Closing Date (the “Starting Inventory”).

(c) For the period commencing on the day immediately following the Closing Date and ending on the third anniversary of the Closing Date, the Company shall subtract from the Starting Inventory all parts that are listed on the Starting Inventory as the Company relieves parts from inventory via either (i) an invoice reflecting a sale to a customer or (ii) a work order reflecting the part being used in the manufacture of a product. The Company shall continuously update the Starting Inventory, at all times reflecting the net quantity remaining in inventory of each part listed, and shall provide such updated Starting Inventory list to the Shareholder on an annual basis. For each part where the net quantity remaining reaches a zero balance, no further transactions need be recorded by the Company, as the Company will have used up the quantity on hand as of the Closing Date.

(d) On the third anniversary of the Closing Date, the Company will multiply the net quantity remaining, if any, of each part by the inventory value column (as of the Closing Date), less the inventory reserve (as of the Closing Date), and that product will be the dollar value of the Starting Inventory, if any, remaining after the three-year period has lapsed (the “Final Inventory”). The Company will then review the Final Inventory and remove any items the Company does not wish to sell back to Shareholder. If the Company wishes Shareholder to repurchase any of the Final Inventory (the “Net Final Inventory”), Shareholder shall have the right, upon reasonable notice to Buyer, to examine the Net Final Inventory and the related accounting records to verify the above.

(e) At Shareholder’s option, Shareholder may either (i) take ownership and possession of any Net Final Inventory repurchased by Shareholder and may take any action with respect to the Net Final Inventory, including selling the Net Final Inventory, without obligation or liability to Buyer or the Company or (ii) authorize the Company to sell or otherwise dispose of the Net Final Inventory on terms and within a timeframe acceptable to Shareholder, in its sole discretion, with the proceeds of such sale or disposition immediately remitted by the Company to Shareholder. If Shareholder chooses to take ownership and possession of the Net Final Inventory, Buyer shall ship to Shareholder, at Shareholder’s expense, the Net Final Inventory and provide Shareholder with the requisite documentation to ensure full title is transferred to Shareholder.

6.8 Corporate Names. Within 15 days following the Closing Date, PMC and Shareholder shall change the corporate name of Shareholder and of any affiliate of PMC or Shareholder whose name contains the word “Gusmer” to a name that does not contain that word or any word confusingly similar thereto.

6.9 Parties to Bear Own Expenses. The parties hereto shall each bear their own expenses incurred in preparation for and in contemplation of this Agreement being consummated, including fees for attorneys, accountants and other advisors; provided, however, that Shareholder shall pay all such expenses incurred by the Company; provided further that, following the Closing, Buyer shall cause the Company to pay all governmental filing fees and reasonable attorneys' fees incurred with respect to the PCT patent application for the Company's hybrid heater technology, regardless of whether such fees were incurred before or after the Closing.

6.10 Certain Software. Buyer acknowledges that, from and after the Closing, neither the Company nor any of its subsidiaries will have any rights under the Hyperion or ADP license agreement to which PMC and/or its affiliates are currently parties, except to the extent provided in the Transition Services Agreement with respect to the ADP license agreement. Buyer intends to add the Company to Buyer's existing Hyperion license agreement on the Closing Date.

6.11 Dutch Domain Name. Within one month from receipt of notice of final registration in The Netherlands of domain name www.gusmer.nl in favor of PMC, PMC shall transfer such domain name to the Company.

6.12 Transition Services — China. From the Closing Date through March 31, 2005, PMC shall provide, or shall cause its applicable affiliate to provide, Gusmer China with accounting, tax, personnel, and general administration services, each in a manner and scope consistent with the level of such services provided to Gusmer China immediately prior to the Closing Date, for a fee of \$500 per month. Neither party to such arrangements nor any of its affiliates shall be liable to the other party or its affiliates on account of any acts or omissions in connection therewith, except (i) in the case of gross negligence or willful misconduct or (ii) PMC's or its affiliate's failure to provide such services to Gusmer China during such period.

6.13 Management Agreements. All management agreements between PMC or any of its affiliates on the one hand and the Company, any of its subsidiaries, or Gusmer Europe on the other hand shall be automatically terminated as of the Closing without any liability to any party thereto.

activities to be conducted during normal business hours and at the other party's expense; provided however, that the party to whom the request is made shall have the right to excise any information that is not reasonably related to the request.

(c) PMC and Shareholder, on the one hand, and Buyer, on the other, shall give prompt notice to each other of any proposed adjustment to Taxes for periods ending on or before the Cut-Off Date and for any Straddle Period.

(d) Each party shall cooperate with the other in connection with any Tax investigation, audit, or other proceeding; provided, however, that PMC and Shareholder shall have the exclusive authority to control any audit or examination by any Taxing Authority of any liability of the Company or any of its subsidiaries for Taxes for any period ending on or before the Cut-Off Date (other than the portion of a Straddle Period ending on the Cut-Off Date.) Notwithstanding the foregoing, neither PMC nor Shareholder may permit any lien to be created or to continue upon any property or assets of the Company or any of its subsidiaries or otherwise act so as to interfere with the operations of the Company or any such subsidiary or prevent them from conducting their business with any customer or in any jurisdiction.

8.10 Section 338(h)(10) Election.

(a) PMC and Buyer shall make a timely, effective, and irrevocable election under Section 338(h)(10) of the Code and under any comparable statutes in any other jurisdiction with respect to the Company (the "Section 338(h)(10) Election"), and shall file such election in accordance with applicable regulations. PMC, Shareholder, and Buyer shall cooperate (and cause their respective affiliates to cooperate) in all respects for the purpose of effectuating a timely and effective Section 338(h)(10) Election, including the execution and filing of any Tax Returns. Without limiting the foregoing, PMC, Shareholder, and Buyer agree that Form 8023 will be duly executed at the Closing and shall be timely filed by Buyer.

(b) Within 150 days after the Closing Date, Buyer shall deliver to Shareholder an allocation of the Aggregate Deemed Sales Price (as such term is defined in Treasury Regulations Section 1.338-4) among the assets of the Company in accordance with Treasury Regulations Sections 1.338-6 and -7 (the "Allocation Statement"). The Allocation Statement shall be sufficiently detailed to satisfy GAAP financial reporting requirements and tax reporting requirements under applicable Treasury Regulations. Shareholder shall have the right to review the Allocation Statement. If Shareholder disagrees with a material item in the Allocation Statement, it shall provide Buyer with a Notice of Disagreement within 30 days after the receipt of the Allocation Statement and shall specify thereon the reasons for its disagreement. The parties shall seek to resolve any differences as provided in Section 2.4(d), and, if at the end of the 30-day resolution period provided therein they have not reached an agreement on all such matters, they shall promptly submit the dispute to the

Arbitrator, who shall resolve the dispute as provided in Section 2.4(d). The costs, fees and expenses of the Arbitrator with respect to disputes related to the Allocation Statement shall be borne equally by Shareholder and Buyer. Upon resolution of the disputed items, the allocation reflected on the Allocation Statement shall be adjusted to reflect such resolution. The Allocation Statement, either unadjusted if there are no disputes or as adjusted to reflect the resolution of all disputes, shall be the “Price Allocation” which shall be binding on the parties. PMC, Shareholder, and Buyer, and each of their affiliates, agree to act in accordance with the Price Allocation in the preparation and filing of any Tax Return, including Form 8883, and shall not voluntarily take any action inconsistent therewith upon examination of any Tax Return, in any refund claim, in any litigation, or otherwise with respect to such Tax Returns.

8.11 Section 338(g) Elections. Buyer presently intends to make elections under Section 338(g) of the Code with respect to each of Gusmer Canada, Ltd., a corporation organized under the laws of Canada, Gusmer China, and Gusmer Sudamerica, a corporation organized under the laws of Argentina (each a “Section 338(g) Election”). Should Buyer make one or more of such Section 338(g) Elections, Buyer shall timely notify PMC and Shareholder thereof, as provided in Treasury Regulation Section 1.338-2(e)(4). PMC, Shareholder, and each of their affiliates shall properly take such Section 338(g) Elections(s) into account in the preparation and filing of all Tax Returns.

ARTICLE 9. INDEMNIFICATION

9.1 Indemnification by Shareholder. Shareholder covenants and agrees to defend, indemnify and hold harmless Buyer and its affiliates and the officers, directors, employees, agents, advisers, and representatives of Buyer or any of its affiliates (collectively, the “Buyer Indemnitees”) from and against, and pay or reimburse the Buyer Indemnitees for, any and all claims, liabilities, obligations, losses, fines, costs, royalties, proceedings, deficiencies or damages (whether absolute, accrued, conditional or otherwise and whether or not resulting from third-party claims), including out-of-pocket expenses and reasonable attorneys’ and accountants’ fees incurred in the investigation or defense of any of the same or in asserting any of their respective rights hereunder (collectively, “Losses”), resulting from or arising out of:

(a) any inaccuracy of any representation or warranty (including any statement in the Disclosure Schedule) made by PMC or Shareholder herein, or by PMC Europe in the Gusmer Europe Agreement, or in connection herewith or therewith;

(b) any failure of PMC or Shareholder to perform any covenant or agreement hereunder or fulfill any other obligation in respect hereof, or any failure of PMC Europe to perform any covenant or agreement in the Gusmer Europe Agreement or fulfill any other obligation in respect thereof;

(c) the operation of the business of the Company or its subsidiaries or of Gusmer Europe, or the ownership of any of their properties or assets, in each case, prior to the Closing; or

(d) any Excluded Liability.

9.2 Indemnification by Buyer. Buyer covenants and agrees to defend, indemnify and hold harmless Shareholder, PMC, their affiliates and the officers, directors, employees, agents, advisers and representatives of Shareholder, PMC, or any of their affiliates (collectively, the “Seller Indemnitees”) from and against, and pay or reimburse the Seller Indemnitees for, any and all Losses resulting from or arising out of:

(a) any inaccuracy in any representation or warranty made by Buyer herein or in the Gusmer Europe Agreement or in connection herewith or therewith;

(b) any failure of Buyer to perform any covenant or agreement hereunder or fulfill any other obligation in respect hereof, or any failure of Buyer to perform any covenant or agreement in the Gusmer Europe Agreement or fulfill any other obligation in respect thereof;

(c) the operation of the business of the Company or its subsidiaries or of Gusmer Europe, or the ownership of any of their properties or assets, in each case, from and after the Closing; or

(d) the failure of the Company to perform its obligations under the agreement listed in Section 9.2 of the Disclosure Schedule following the Closing Date.

9.3 Indemnification Procedures.

(a) In the case of any claim asserted by a third party against a party entitled to indemnification under this Agreement (the “Indemnified Party”), written notice shall be given by the Indemnified Party to the party required to provide indemnification (the “Indemnifying Party”) promptly (and in any event within ten business days or, if a formal answer to such third-party claim is required prior to that time and no extension of time to answer is available, within a reasonable period of time before the deadline to answer) after such Indemnified Party receives notice of the third-party claim, which notice shall specify in reasonable detail the nature of the third-party claim. The Indemnified Party shall permit the Indemnifying Party (at the expense of such Indemnifying Party) to assume the defense of such third-party claim or any litigation resulting therefrom, provided that (i) the counsel for the Indemnifying Party who shall conduct the defense of such claim or litigation shall be reasonably satisfactory to the Indemnified Party, and (ii) the Indemnified Party may participate in such defense at such Indemnified Party’s expense.

(b) Except with the prior written consent of the Indemnified Party, no Indemnifying Party, in the defense of any such claim or litigation, shall consent to entry of any judgment or order, interim or otherwise, or enter into any settlement that provides for injunctive or other non-monetary relief affecting the Indemnified Party or that does not include as an unconditional term thereof the giving by each claimant or plaintiff to such Indemnified Party of a release from all liability with respect to such claim or litigation.

(c) In the event that the Indemnified Party shall in good faith determine that the conduct of the defense of any claim subject to indemnification hereunder or any proposed settlement of any such claim by the Indemnifying Party might be expected to affect adversely the Indemnified Party's Tax liability or the ability of Buyer or the Company to conduct its business, or that the Indemnified Party may have available to it one or more defenses or counterclaims that are inconsistent with one or more of those that may be available to the Indemnifying Party in respect of such claim or any litigation relating thereto, the Indemnified Party shall have the right at all times to take over and assume control over the defense, settlement, negotiations or litigation relating to any such claim at the sole cost of the Indemnifying Party, provided that if the Indemnified Party does so take over and assume control, the Indemnified Party shall not settle such claim or litigation without the written consent of the Indemnifying Party, which consent may not be unreasonably withheld or delayed.

(d) In the event that the Indemnifying Party does not accept the defense of any matter as above provided, the Indemnified Party shall have the full right to defend against any such claim or demand and shall be entitled to settle or agree to pay in full such claim or demand.

(e) If an Indemnified Party shall have a claim against an Indemnifying Party hereunder that does not involve a claim asserted by a third party, the Indemnified Party shall send written notice (which notice shall specify in reasonable detail the nature of the claim) with respect to such claim to the Indemnified Party as soon as reasonably practicable.

(f) In any event, the Indemnifying Party and the Indemnified Party shall cooperate in the defense of any claim or litigation subject to this Section 9.3 and the records of each shall be available to the other with respect to such defense.

9.4 Indemnification Limitations.

(a) No indemnification shall be required with respect to any individual item of Loss unless the aggregate of all Losses of the Indemnified Party shall exceed \$500,000, in which case the Indemnifying Party shall be liable for all Losses over \$500,000; provided that claims relating to fraudulent or intentional misrepresentation

("Fraud Claims"), Excluded Liabilities, breaches of covenants or agreements, claims arising under Section 9.2(d), or breaches of the representations and warranties set forth in Section 4.1, 4.2, 4.4, 4.9, 4.28, 4.29, 4.34, 4.35, 5.1(b), 5.1(d), 8.3, or 10.2 of this Agreement or of the Gusmer Europe Agreement shall not be subject to such limitation.

(b) Each of Seller's and Buyer's indemnification obligations pursuant to this Article 9 shall be capped at \$2.5 million. Notwithstanding the foregoing, Fraud Claims, claims arising under Section 9.2(d), and claims relating to Excluded Liabilities, breaches of covenants or agreements, or breaches of the representations and warranties set forth in Section 4.1, 4.2, 4.4, 4.9, 4.28, 4.29, 4.35, 5.1(b), 5.1(d), 8.3, or 10.2 of this Agreement or of the Gusmer Europe Agreement shall not be capped.

9.5 Remedies Exclusive; Limitations on Remedies. Except in the case of Fraud Claims and except as provided in Section 9.8, the rights and remedies provided in this Article 9 shall be the sole and exclusive remedy following the Closing for any breach of or inaccuracy in any representation or warranty or any breach of any covenant or agreement contained in this Agreement or in the Gusmer Europe Agreement, provided that nothing herein shall limit the rights of either party to seek and obtain injunctive relief to specifically enforce the other party's obligations hereunder or thereunder.

9.6 Access to Samples, Records and Employees. Each party shall provide the other with access to all materials and records relating to matters as to which indemnification is sought, and to employees of such party who have knowledge of such matters. Each party shall reimburse the other party for all out-of-pocket expenses incurred in connection with the assistance of the other party and for a pro rata portion of the salary of any employee of such other party, prorated on a daily basis, for each full working day or portion thereof that such employee devotes to assisting the reimbursing party.

9.7 Survival of Representations and Warranties. The respective representations and warranties of each of the parties shall survive the Closing and the consummation of the transactions contemplated hereby until the date that is 15 months after the Closing Date (the "Expiration Date"), and neither party may seek indemnification under this Article 9 with respect to a breach of a representation or warranty after the Expiration Date; provided that the representations and warranties set forth in Sections 4.1, 4.2, 4.4, 4.9, 4.28, 4.29, 4.35, 5.1(b), 5.1(d), 8.3, and 10.2 of this Agreement or of the Gusmer Europe Agreement shall survive the Closing and the consummation of the transactions contemplated hereby until the expiration of the applicable statute of limitations. Notwithstanding the preceding sentence, any representation or warranty in respect of which indemnity may be sought shall survive the time at which it would otherwise terminate if notice of the inaccuracy or breach thereof is given to the party against whom such indemnity is sought in accordance with Section 9.3 prior to such time. The right to indemnification based upon, related to, or arising from a breach of a representation or warranty shall not be affected by any investigation (including any environmental investigation or assessment) conducted with

respect to, or any knowledge acquired at any time with respect to, the accuracy or inaccuracy of or compliance with any such representation or warranty.

9.8 Tax Matters. The provisions of this Article 9 shall not apply to indemnification for Tax matters, which shall be the subject of Article 8, except to the extent that specific reference to a provision of Article 8 is made in this Article 9.

ARTICLE 10. MISCELLANEOUS PROVISIONS

10.1 Notices. Any and all notices to any of the parties hereto provided for or permitted under this Agreement or by law shall be given in writing by personal delivery, facsimile, overnight delivery service, or by certified or registered mail, return receipt requested, postage prepaid, addressed to such party at the address set forth below or otherwise designated by such party for such purpose, and shall be effective: (a) when delivered personally to the recipient, (b) one business day after being sent to the recipient by reputable overnight courier service, or (c) five days after being sent to the recipient by certified or registered mail:

10.2 Brokers and Finders. Except for Greif & Co., whose fees and expenses shall be paid by Shareholder, none of the parties has had any contact or dealings regarding the subject matter of this transaction, through any licensed real estate broker, business opportunity broker, or other person who can claim a right to a commission or finder's fee as a procuring cause of the sale contemplated herein. Other than Greif & Co., in the event that any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings, or communication, the party through whom the broker or finder makes his

claim shall be responsible for such commission or fee and all costs and expenses (including reasonable attorneys' fees) incurred by the other party in defending against the same.

10.3 Waivers. No action taken pursuant to this Agreement, including an investigation by or on behalf of any party hereto, shall be deemed to constitute a waiver, by the party taking such action, of compliance with any representation, warranty, covenant or agreement contained herein or in any ancillary document contemplated hereby. Except as expressly provided in this Agreement, no delay or failure to exercise any right, power or remedy accruing to any party hereunder, upon any breach or default of any party under this Agreement, shall impair any such right, or remedy, nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein, or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. The waiver by Buyer of any of the conditions precedent to its obligations under this Agreement shall not preclude it from seeking redress for breach of this Agreement.

10.4 Interpretation. This Agreement has been prepared and negotiations in connection herewith have been carried on by the joint efforts of the parties hereto and their respective counsel. This Agreement is to be construed fairly and simply and not strictly for or against either of the parties hereto.

10.5 Representation by Separate Counsel. Buyer, on the one hand, and PMC and Shareholder, on the other hand, have been represented by separate counsel, who were selected by the party whom they represent, in the negotiation and preparation of this Agreement. This Agreement has been fully explained to each party by that party's attorney. Each party has carefully read this Agreement and is completely aware of its contents and its legal effect.

10.6 Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors, heirs, administrators and permitted assigns. No party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other parties; provided, however, that Buyer may (i) assign any or all of its rights and interests hereunder to one or more of its affiliates and (ii) designate one or more of its affiliates to perform its obligations hereunder (in any or all of which cases Buyer nonetheless shall remain responsible for the performance of all of its obligations hereunder).

10.7 Entire Agreement. This Agreement, including the Disclosure Schedule and Exhibits hereto, contains the sole, only, and entire agreement of the parties hereto relating to the subject matter hereof and correctly sets forth the rights, duties, and obligations of each to the other as of this date. Any prior agreements, promises, negotiations, practices, or representations not expressly set forth in this Agreement are of no force or effect.

10.8 Headings. The descriptive article, section and paragraph headings are inserted for convenience of reference only and do not constitute a part of this Agreement and shall not control or affect the meaning or construction of any provision of this Agreement.

10.9 Number and Gender. Unless the context clearly states otherwise, all references in the Agreement to the singular shall include the plural where applicable, all references to the plural shall include the singular where applicable, and all references to gender shall include both genders and the neuter.

10.10 Counterpart Execution. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

10.11 Amendments. Except as otherwise provided herein, this Agreement may be amended or modified by, and only by, a written instrument executed by the parties hereto.

10.12 Time of the Essence. Time is of the essence of this Agreement.

10.13 Governing Law. All questions with respect to the execution, validity, interpretation, and performance of this Agreement and the rights and liabilities of the parties hereto shall be governed by the laws of the State of New Jersey, without giving effect to the doctrine of conflict of laws.

10.14 Additional Acts. Each party to this Agreement agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions of this Agreement.

10.15 Severability. In the event that any covenant, condition, or other provision herein contained is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair, or invalidate any other covenant, condition, or other provision contained herein.

10.16 Enforcement. In the event any party hereto fails to perform any of its obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees.

10.17 No Third-Party Beneficiaries. This Agreement shall not confer any rights or remedies upon any person other than the parties and their respective successors and permitted assigns.

10.18 Construction. In this Agreement or in any Schedule hereto:

- (a) “including” means “including without limitation”;
- (b) “affiliate” has the meaning set forth in Rule 12b-2 under the Securities Exchange Act of 1934, as amended;
- (c) “business day” means any day other than a Saturday, Sunday, or a day that is a statutory holiday under the laws of the United States or the State of Minnesota or California;
- (d) “person” means an individual, partnership, joint venture, corporation, limited liability company, trust, unincorporated organization, government, governmental department or agency, or other entity;
- (e) when calculating the period of time within which or following which any act is to be done or step taken, the date that is the reference day in calculating such period shall be excluded and, if the last day of such period is not a business day, the period shall end on the next day that is a business day;
- (f) all dollar amounts are expressed in United States funds, and all amounts payable hereunder shall be paid in United States funds;
- (g) money shall be tendered by wire transfer of immediately available federal funds to the account designated in writing by the party that is to receive such money;
- (h) the words “hereof,” “hereby,” “herein,” “hereunder,” and similar terms in this Agreement refer to this Agreement as a whole and not only to a particular Section in which such words appear; and
- (i) “Knowledge of PMC and Shareholder” means the actual knowledge of any director or executive officer of PMC or Shareholder.

10.19 Disclosure Schedule. The Disclosure Schedule has been arranged in a manner that corresponds to the Sections and subsections of this Agreement. The mere listing in the Disclosure Schedule of a document or other item shall not be deemed adequate to disclose an exception to a representation or warranty made in this Agreement (unless the representation or warranty has to do with the existence of the document or other item itself or the mere listing of the document or item in the Disclosure Schedule otherwise reasonably informs Buyer of an exception to the representation or warranty). Matters disclosed in any section of the Disclosure Schedule shall be deemed to be disclosed with respect to all sections of the Disclosure Schedule to the extent such disclosure reasonably relates to such section of the Disclosure Schedule. Nothing in the Disclosure Schedule shall be deemed adequate to disclose any matter, including an exception to a representation or warranty or

covenant made herein, however, unless the Disclosure Schedule identifies the matter in a manner reasonably sufficient to inform Buyer of the nature of the matter.

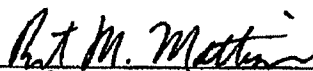

10.20 PMC Guaranty. PMC hereby absolutely and unconditionally guarantees (a) the payment of all obligations of Shareholder hereunder, of PMC Europe under the Gusmer Europe Agreement, and of PMC, Inc. under the Transition Services Agreement when and as due and (b) the timely observance and performance of all covenants and agreements of such parties herein and therein.

Shareholder agrees to execute a customary confidentiality agreement regarding all such books and records so obtained from Buyer.

6.6 Accounts Receivable. From and after the Closing Date, Buyer shall cause the Company to use the same degree of efforts to collect the Accounts Receivable as Buyer uses in collecting its own accounts receivable. If, within 180 days after the Closing Date, the Accounts Receivable have not been collected in full, an amount equal to the sum of the face value of such uncollected Accounts Receivable minus the allowance for uncollectible accounts reflected on the Closing Date Financial Statement, shall forthwith be paid by Shareholder to the Company. The Company shall continuously update the Starting Inventory, at all times reflecting the net quantity remaining in inventory of each part listed, and shall provide such updated Starting Inventory list to the Shareholder on an annual basis. For each part where the net quantity remaining reaches a zero balance, no further transactions need be recorded by the Company, as the Company will have used up the quantity on hand as of the Closing Date.

(d) On the third anniversary of the Closing Date, the Company will multiply the net quantity remaining, if any, of each part by the inventory value column (as of the Closing Date), less the inventory reserve (as of the Closing Date), and that product will be the dollar value of the Starting Inventory, if any, remaining after the three-year period has lapsed (the "Final Inventory"). The Company will then review the Final Inventory and remove any items the Company does not wish to sell back to Shareholder. If the Company wishes Shareholder to repurchase any of the Final Inventory (the "Net Final Inventory"), Shareholder shall have the right, upon reasonable notice to Buyer, to examine the Net Final Inventory and the related accounting records to verify the above.

If Shareholder chooses to take ownership and possession of the Net Final Inventory, Buyer shall ship to Shareholder, at Shareholder's expense, the Net Final Inventory and provide Shareholder with the requisite documentation to ensure full title is transferred to Shareholder.

(c) A consolidated Income Tax Return, , including Shareholder and the Company will be timely filed (taking into account any extensions) for the year ended December 31, 2004.

taxable year or period that begins after the Cut-Off Date, Shareholder shall promptly pay to Buyer the amount of such refund or credit together with any interest thereon within 15 days following the receipt thereof. If any refund or credit of Taxes for which a payment has been made pursuant to the immediately preceding sentence is subsequently reduced or disallowed, Buyer shall repay such reduced or disallowed taxes to Shareholder within 15 days following written demand from Shareholder.

(e) Shareholder and Buyer agree that, upon request, they shall use their best efforts to obtain any certificates or other documents from any Taxing Authority or any other persons as may be necessary or helpful to mitigate, reduce, or eliminate any Taxes that would otherwise be imposed with respect to the transactions contemplated by this Agreement.

(f) Except to the extent described in Section 8.4.(f) of the Disclosure Schedule, Shareholder will not file any amended Tax Return that would adversely affect the Company.

(g) Any Tax refund, credit, offset, or similar benefit (including any interest paid or credited with respect thereto) relating to Taxes for any Pre-Cut-Off Tax Period shall be the property of Shareholder, and if received by Buyer or the Company shall be paid over promptly to Shareholder. Shareholder shall also prepare and file, or cause to be prepared and filed, on a timely basis including any extensions, all other Pre-Cut-Off Tax Returns with respect to the Company.

(b) Within 15 days after the filing of an Income Tax Return that relates to a Pre-Cut-Off Tax Period, Shareholder shall provide Buyer with copies thereof. Shareholder shall timely pay, or cause to be paid, all Taxes shown as due and payable on such Tax Return. To the extent that such tax liabilities are reflected as current liabilities of the Company on the Statement, Buyer shall pay, or shall cause to be paid, such amount to Shareholder. Such payment shall be made within 10 days of receipt by Buyer of such Tax Return.

8.6 Post-Cut-Off Tax Returns and Taxes.

(a) Buyer shall prepare and file, or cause to be prepared and filed, on a timely basis (taking into account any extension of time to file), all Post-Cut-Off Tax Returns

required to be filed by the Company, other than Income Tax Returns with respect to periods for which a consolidated Income Tax Return of Shareholder will include the operations of the Company, and shall be responsible for remitting all Taxes reflected on such Tax Returns.

(b) Within 15 days after the filing of a Post-Cut-Off Tax Return for a Straddle Period, Buyer shall provide Shareholder with a copy thereof. Shareholder shall reimburse Buyer within 10 days after receipt of such Post-Cut-Off Tax Return for the Pre-Cut-Off portion of Taxes reflected on the Post-Cut-Off Tax Return for a Straddle Period. The amount payable by Shareholder shall be an amount equal to the excess, if any of (i) the amount of Taxes allocated to the Pre-Closing portion of the Straddle Period as described in Section 8.7 over (ii) the Taxes for the Straddle Period that have been reflected as a current liability of the Company on the Statement.

8.7 Allocation of Taxes. In the case of any Taxes that are payable for a Straddle Period, the portion of such Taxes related to the Pre-Cut-Off portion of such Straddle Period shall (i) in the case of Taxes other than Taxes based upon or related to income (including Taxes in the nature of minimum taxes, tax preference items, and alternative minimum taxes), and other than sales, gross receipts, wages, capital expenditures, expenses, or any similar Tax base, be deemed to be the amount of such Tax for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of days in the Straddle Period ending on the Cut-Off Date and the denominator of which is the number of days in the entire Straddle Period, and (ii) in the case of any Tax based upon or related to income (including Taxes in the nature of minimum taxes, tax preference items, and alternative minimum taxes), sales, gross receipts, wages, capital expenditures, expenses, or any similar Tax base, be deemed equal to the amount which would be payable if the relevant tax period ended on the Cut-Off Date. Any credits relating to a Straddle Period shall be taken into account as though the relevant tax period ended on the Cut-Off Date.

8.8 Cooperation on Tax Matters.

(a) After the Closing Date, Buyer, on the one hand, and Shareholder, on the other, shall, and shall cause their respective affiliates to, cooperate in the preparation of all Tax Returns, and shall provide, or cause to be provided, to the requesting party any records or other information requested by such party in connection therewith as well as access to, and the cooperation of, the auditors of Buyer, on the one hand, and Shareholder, on the other.

(b) Each of Buyer and Shareholder shall properly maintain and retain records and information relating to Taxes of the Company for Pre-Cut-Off Date Tax Periods and Straddle Periods at least until the expiration of the relevant statute of limitations period, and shall allow the other party, its affiliates, and their agents and representatives, at times and dates mutually acceptable to the parties, to inspect, review, and make copies of such records and information as such other party in good faith may deem necessary or appropriate from time to time, such activities to be conducted during normal business hours and at the other party's expense; provided however, that the party to whom the

request is made shall have the right to excise any information that is not reasonably related to the request.

(c) Shareholder, on the one hand, and Buyer, on the other, shall give prompt notice to each other of any proposed adjustment to Taxes for periods ending on or before the Cut-Off Date and for any Straddle Period.

(d) Each party shall cooperate with the other in connection with any Tax investigation, audit, or other proceeding referred to any period ending on or before the Cut-Off date or to the portion of a Straddle Period ending on the Cut-Off Date; provided, however, that Shareholder shall have the exclusive authority to control any audit or examination by any Taxing Authority of any liability of the Company for Taxes for any period ending on or before the Cut-Off Date (other than the portion of a Straddle Period ending on the Cut-Off Date.) Notwithstanding the foregoing, Shareholder may not permit any lien to be created or to continue upon any property or assets of the Company or otherwise act so as to interfere with the operations of the Company or prevent them from conducting their business with any customer or in any jurisdiction.
