2. Regarding your revised assertion for unremitted earnings, please address the following:
- Identify the foreign parent company with the third-party debt that will be repaid from the pre-2017 undistributed earnings, including the country the earnings will be remitted.
 - Tell us and disclose the amount of debt to be repaid with foreign earnings and the amount of pre-2017 foreign earnings that will be remitted and used to repay the debt.
 - Tell us the amount remaining to be classified as undistributed for the subsidiaries remitting earnings due to your position that the foreign earnings are indefinitely reinvested.
