The accompanying notes are an integral part of these financial statements

HAZARD & SIEGEL, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note 1. Organization and Nature of Business

Hazard & Siegel, Inc. (the Company) is a regional securities broker-dealer, registered with the Securities and Exchange Commission (SEC) and the Financial Industry Regulatory Authority (FINRA).

The Company is an introducing broker, and limits its business to the sales and service of investment company products, insurance company variable insurance products, group annuities within retirement plans, public non-trade REITS, and public non-traded BDCs.

Note 2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash - Concentration of Credit Risk

The Company maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash.

Property, Equipment and Depreciation

Property and equipment are recorded at cost. Renewals and betterments of property are accounted for as additions to asset accounts. Repairs and maintenance charges are expensed as incurred. Depreciation is computed using accelerated methods for financial reporting and income tax purposes. Estimated useful lives vary from 5 to 7 years for office equipment.

Brokerage Commissions

The Company arranges for the purchase and sale of securities for its customers. Each time a customer enters into a buy transaction, the Company generally receives a commission. Commissions are recorded on the trade date (the date that the Company fills the trade order by contracting with a counterparty and confirms the trade with the customer). The Company believes that the performance obligation is satisfied on the trade date because that is when 1.) the underlying financial instrument or purchaser is identified, 2.) the pricing is agreed upon, and 3.) the risks and rewards of ownership have been transferred to the customer.

HAZARD & SIEGEL, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

Note 2. Summary of Significant Accounting Policies (continued)

Distribution fees

The Company enters into arrangements with pooled investment vehicles (funds) to distribute shares to investors. The Company may receive distribution fees paid by the fund up front (trade date), over time, or as a combination thereof. The Company believes that its performance obligation is the sale of securities to investors and as such this is fulfilled on the trade date. Any fixed amounts are recognized on the trade date as a commission, as outlined in the previous note. For variable amounts paid over time, as the uncertainty is dependent on the value of the shares at future points in time as well as the length of time the investor remains in the fund, both of which are highly susceptible to factors outside the Company's influence, the Company does not believe that it can overcome this constraint until the market value of the fund and the investor activities are known, which is usually monthly or quarterly. Distribution fees recognized into the current period are primarily related to performance obligations that have been satisfied in prior periods.

Practical expedients

As part of the adoption of the ASU, the Company elected to use the following practical expedients: the Company states its accounts receivable at their transaction price and does not adjust for financing components; costs incurred to obtain a contract are expensed as incurred when the amortization period is less than a year.

Contract Balances

Contract asset and liability balances as of December 31,:

	2022	2022
Accounts Receivable	\$ 209,235	\$ 229,232
Contract Assets	-	-
Contract Liabilities	-	-

Income Taxes

The Company has analyzed filing positions in all of the federal and state jurisdictions where it is required to file income tax returns, as well as all open tax years in these jurisdictions. The Company believes that its income tax filing positions and deductions would be sustained on audit and does not anticipate any adjustments that would result in a material change to its financial position. Therefore, no reserves for uncertain income tax positions have been recorded. In addition, the Company did not record a cumulative effect adjustment related to this adoption.

The Company's policy for recording interest and penalties associated with audits is to record such items as a component of income before taxes. There were no such items during the periods covered in this report.

HAZARD & SIEGEL, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023

The Company has elected to be treated as a Subchapter "S" Corporation under the Internal Revenue Code and the New York State Corporation Tax Law. Under these elections, the income, generally, is taxed directly to the stockholder. New York State has a minimum tax on corporations, which resulted in a corporate level tax of \$1,000 and is reflected in these financial statements. The Company also accrued \$1,000 for anticipated state income tax payments to other states.

Compensated Absences

The Company has not accrued for compensated absences. The Company recognizes compensation expense when it is paid to the employees.

Events Occurring After Reporting Date

Management has evaluated subsequent events through February 26, 2024, which is the date the financial statements were available to be issued.

Note 3. Commissions Receivable and Concentration of Credit Risk

The Company is engaged in various trading and brokerage activities whose counterparties include financial institutions. In the event the counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty. The Company has not experienced any credit risk related to loss and there has been no bad debt related expense from these transactions during the reporting period. It is the Company's policy to review, as necessary, the credit standing of each counterparty. The Company uses the direct write-off method in recognizing bad debt. There was no bad debt expense incurred during the year ended December 31, 2023.

Note 4. Off-Balance-Sheet Credit Risk

The Company does not handle either customer cash or securities. In the event the customer fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices to fulfill the customer's obligations. Settlement of these transactions is not expected to have a significant effect upon the Company's financial position.

The Company does not engage in proprietary trading of volatile securities such as short options and futures.

HAZARD & SIEGEL, INC.

NOTES TO FINANCIAL STATEMENTS

Note 7. Net Capital Requirements

As a registered broker-dealer, Hazard & Siegel, Inc. is subject to the requirements of Rule 15c3-1 ("The Net Capital Rule") under the Securities Exchange Act of 1934. The basic concept of the rule is liquidity, its object being to require a broker-dealer to have, at all times, sufficient liquid assets to cover its current indebtedness. Specifically, the rule prohibits a broker-dealer from permitting its "aggregate indebtedness" from exceeding fifteen times its "net capital" as those terms are defined and the rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. On December 31, 2023, Hazard & Siegel, Inc.'s aggregate indebtedness and net capital were \$231,996 and \$69,028 respectively, a ratio of 3.36 to 1 and net capital exceeded the minimum capital requirement of \$15,466 by \$53,562.

Note 8. Related Party Transactions

The Company shares the expense of the cost of its Spectrum cable and Northlands Communications internet service bill. The annual expense was \$2,528 for the year ended December 31, 2023.

The Company shares the expense of its errors and omission insurance coverage. The annual expense paid to the related party for the year ended December 31, 2023 was \$67,722.

The Company pays payroll expenses for a related entity. The related entity reimbursed the company for the payroll expenses in the amount of \$67,100 for the year ended December 31, 2022.

To the Stockholders
Hazard & Siegel, Inc.
Dewitt, New York

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Hazard & Siegel, Inc. (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to business activity effecting securities transactions via subscription way basis where the funds are payable to the issuer or its agent and not to the Company. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Hazard & Siegel, Inc.'s management is responsible for compliance with the provisions contemplated by Footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 and related SEC Staff Frequently Asked Questions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Hazard & Siegel, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
