All such target Award opportunities, performance levels and performance criteria pertaining to any Covered Officer shall be objective and shall otherwise meet the requirements of Code Section 162(m).

Upon being established by the Committee (and approved by the IFC Committee, as necessary), the target Award opportunities, performance levels and performance criteria for a given Performance Period shall be set forth in an addendum to the Plan (the "Performance Period Schedule").

The Award of any Covered Officer shall be subject to the right of the IFC Committee to adjust such Covered Officer's Award to reflect individual performance and/or extraordinary circumstances.

- d) A participant's Award, if any, for each Performance Period shall be paid in cash within sixty (60) days after the close of the Performance Period, provided the participant is in the employ of the Company on the last working day of the Performance Period. For an employee whose employment commences during a Performance Period, a prorated Award will be paid based on the portion of the Performance Period during which he or she was employed by the Company.
- e) If a participant transfers to or from IFC or any affiliate of IFC (other than the Company) at any time during the Performance Period, he or she will be entitled to a prorated Award under the Plan based on the portion of the Performance Period during which he or she was employed by the Company. - f) An Award is not earned and shall not be paid unless the employee is employed by the Company and on the Company's payroll at the end of the Performance Period. The deferral request, which shall be made in a form adopted and approved by the Committee from time to time, must state the amount of Award to be deferred (a dollar amount or a percentage of the Award earned), and the date the deferred Award is to be paid. Regardless of the participant's election, the deferred Award will be paid no later than the first anniversary of his or her termination of employment. Upon a participant's death, any deferred Award will be paid to his or her beneficiary designated under the Company's group life insurance plan unless the Participant has submitted an alternative written beneficiary designation under this Plan. Deferred Awards shall be credited with interest from the first day of January of the fiscal year following the fiscal year in which the Award is earned at the national prime rate as reported in The Wall Street Journal on the date interest is credited.
- i) Without limiting the generality of Section 7(h), certain participants identified by the Management Committee of Irwin Ventures LLC may elect to defer a maximum of \$25,000 of his or her annual Award and contribute that amount to the Irwin Ventures Co-Investment Fund by submitting a written request to the Committee on or before January 31 of that Performance Period.

Therefore, if a provision of the Plan causes a payment to fail to satisfy these requirements, it shall be deemed amended to satisfy the requirements to the extent permitted by law and subject to Committee approval.
- g) **EMPLOYMENT RIGHTS.** Participation in this Plan shall not be construed to grant any employee the right to be retained in the employ of the Company.
- h) **GOVERNING LAW.** The validity and construction of the Plan and any rules relating to the Plan shall be determined and governed by the laws of the State of Indiana.
