The Trust Preferred Securities have been called for redemption at a redemption price equal to \$1,076.875 per Trust Preferred Security, representing an amount equal to 107.6875% of the principal amount of such Trust Preferred Security, plus accrued but unpaid dividends up to, but not including, the Redemption Date of July 25, 2006. The Trust is taking such action in connection with the concurrent redemption by the Corporation of all \$15,000,000 of its 10.25% Junior Subordinated Debt Securities due July 25, 2031 (the "Debentures") which are held exclusively by the Trust. The Debentures are to be redeemed on the Redemption Date at a redemption price of 107.6875% plus interest accrued on the Debentures up to, but not including, the Redemption Date.

As a result of this redemption, the Corporation expects to incur approximately \$1.5 million of expense in July 2006 reflecting the write-off of unamortized debt issuance costs and the call premium.
