2. We note that you sponsor a number of U.S. and foreign pension plans. However, it does not appear that you have provided separate disclosure for your U.S. and foreign pension plans. Please tell us how you considered the guidance per FASB ASC 715-20-50-4.
3. We note the disclosure per page 53 of your filing regarding the current weighted-average target asset allocation reflected by the investment strategy for your major defined benefit plans. Please tell us whether this disclosure provides the target allocation percentages for plan assets or the actual allocation of plan assets by class. Refer to FASB ASC 715-20-50-1d.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Svitlana Sweat, Staff Accountant at 202-551-3326 or me at 202-551-3311 if you have questions regarding comments on the financial statements and related matters.
