Section 302 Certifications

3. We note that your Section 302 certifications do not comply with the language required by Item 601(31) of Regulation S-K in the following respects:

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision.
